ORLANDO PEARSON
THE DISCOVERER OF PEPTO-CHLOR
100 YEARS OF AGE

You Wake up Languid in the Morning
Feel Dull, no Appetite, Headache all day. In fact, you feel so exhausted that you haven’t ambition or strength to do anything.

Perhaps
you suffer with Pain and Fainting in the Chest and Stomach both before and after meals, Flatulence, Vomiting, Heartburn, the Eruption of a Sourish Fluid, Confusion, Bad Breath, Nervous Irregularity, and General Weakness. If you have any of the above symptoms it is a sure sign that your digestive organs are out of order.

You Have Indigestion.
Stop it at once, before it makes your life a misery. Take

Pearson’s Pepto-Chlor,
which is not a cure-all, but the absolute cure for Indigestion, being a powerful tonic especially suited to the Digestive Organs.

Pearson’s Pepto-Chlor
has fifty years’ stainless reputation in New Zealand, and is now creating a record in Australia. Again, remember that Pearson’s Pepto-Chlor is not intended to cure every complaint that falls in its way, but it will absolutely cure Indigestion—Chronic or not.

Pepto-Chlor is now obtainable at the Leading Chemists, 
2/6 and 4/- PER BOTTLE.
If your Local Chemist is unable to supply you, send direct to—
