Any member appointed under this section shall retire when the member whose place he takes would have retired had no such casual vacancy occurred, and on such retirement the successor of the retiring member shall be appointed or elected, as the case may be, as if the retirement had been that of the member whose place has been so taken. Subject to the regulations for the time being in force relating to a quorum, the powers of the Board shall not be affected by any diminution in the number of its members, or by any vacancy in the office of member.

8. (a) He shall during the continuance of such annuity or any renewal thereof be held to be on leave of absence without pay, and shall not by reason of absence from active service forfeit his seniority or status in the Public Service.
