(d) the opening, forming and making of a public street not exceeding thirty feet in width leading from Crippen Place to Hindley Street;

(e) all works and conveniences incidental to or necessary for the completion of any of the foregoing.

3. (1) Subject to sections 4 and 5 of this Act the council is hereby authorized and empowered to make erect and construct a good and substantial bridge over North Terrace and across the railway yards at or near the northern end or termination of Morphett Street in the City of Adelaide and may form and make all necessary embankments roads ways approaches piers structures buildings works and conveniences for the completion of the said bridge.
(2) The council may enter into contracts with any person or persons for all or any of the following purposes, namely, the construction of the whole or any part of the said bridge embankments roads ways approaches piers structures buildings works or conveniences or the execution of any works or the provision of any materials equipment or services required in connection with such construction or for the said bridge embankments roads ways approaches piers structures buildings works or conveniences.

4. The works shall be constructed in accordance with plans and specifications approved by the Minister. Such plans and specifications shall set forth and contain such particulars including particulars as to the line and position of the said bridge and the roads streets ways and approaches thereto and the standards and designs thereof as the Minister may require.

5. The council may enter upon the railway yards or so much thereof as shall be or be deemed necessary and may make and maintain upon the railway yards the said bridge and approaches and all embankments roads ways approaches piers structures buildings works and conveniences aforesaid connected therewith as shall be or be deemed necessary for such purposes or any of them: Provided that the council shall not commence any works which in any way affect the lines of railway or the land upon which any lines of railway are situated unless the council and the South Australian Railways Commissioner (in this section referred to as “the said Commissioner”) have after consultation by their representatives agreed with respect to the manner and conditions (including conditions providing for the payment by the Council to the said Commissioner in respect of works and services necessarily provided or undertaken by him in connection with such works) under which such works are to be carried out and in the event of default of agreement upon any such matter the same may be determined by the Minister whose determination shall be final and conclusive and effect shall be given to such determination by the council and the said Commissioner: Provided also that the council shall indemnify and keep harmless the said Commissioner and his officers and servants from and against all actions suits claims or demands whatsoever which may be brought or made against him or them or any of them and shall also indemnify the said Commissioner (except where due to the negligence of the said Commissioner or his staff) from all damages caused or occasioned to any property real or personal of the said Commissioner in consequence of or arising out of any of such works or by reason of the exercise by the council of any of the powers rights or privileges granted or conferred by this Act or of any accident death injury damage or loss which would not have happened
or been sustained but for this Act or the powers rights or privileges granted or conferred by this Act or the exercise thereof. Any difference or dispute between the council and the said Commissioner arising under or concerning the application of this proviso shall be determined by the Commissioner of Highways whose decision thereon shall be final and binding upon the council and the said Commissioner.

6. (1) Notwithstanding anything in the Morphett Street Bridge Act contained the council is hereby authorized and empowered to demolish and remove the bridge made erected and constructed in pursuance of the said Act and to use the materials so removed or any of them as it deems expedient or to sell or otherwise dispose of such materials or any of them as it shall deem proper.

(2) Upon the demolition of that bridge the said Act shall be repealed.

7. Upon completion of the said bridge the said bridge shall be under the care control and management of the council and shall, notwithstanding section 88 of the South Australian Railways Commissioner's Act, 1936-1957, be maintained by and at the expense of the council. The said bridge shall be exempt from all and all manner of rates and taxes whatsoever local or otherwise.

8. Upon completion of the works the pieces of land delineated in the plan in the schedule hereto and therein hatched in black and marked "A" and "B" shall be and become a public street and the piece of land delineated in the said plan and therein stippled in black and marked "C" being portions of a certain public street under the care control and management of the council shall cease to be a public street and shall form part of the park lands of the City of Adelaide and shall as such be under the care control and management of the council.

9. (1) The cost of the works shall be borne as to one half thereof by the Government of the State and as to one half thereof by the council. Provided that if the cost of the works exceeds the sum of one million, five hundred thousand pounds, only so much of the excess as the Treasurer approves shall be borne by the Government of the State.

(2) So much of the cost of the works as does not exceed the sum of one million, five hundred thousand pounds, or such higher amount as the Treasurer approves shall in the first place be met by payments by the Treasurer, to the council upon the certificate of the Minister from time to time as occasion requires. Notwithstanding anything in the Highways
Act, 1926-1960, contained, the Treasurer may make arrange­ments with the Minister for the provision out of the Highways Fund of any amounts not exceeding one half of the cost of the works for the purposes of this subsection. The Treasurer may make any payments authorized by this sub­section out of any such amounts provided out of the said Fund in pursuance of any such arrangements or out of moneys appropriated by Parliament for the purpose.

(3) As each such payment is made by the Treasurer the council shall become liable to repay to the Treasurer one half of the amount thereof. In respect of the capital indebtedness for the time being remaining outstanding, the council shall be liable to pay to the Treasurer interest at the rate determined in accordance with subsection (4) of this section. Such capital indebtedness and interest shall be repaid in equal annual instalments beginning on such date after the thirtieth day of June in the year in which the works are completed as the Treasurer shall determine so that the whole liability shall be discharged over the period of thirty years next after the said thirtieth day of June. The amount of each such instalment and the time and manner of its payment shall subject to this Act be determined by the Treasurer.

Notwithstanding any provisions of the Local Government Act, 1934-1963, to the contrary, the council is by this Act authorized to borrow such amounts of money as may be necessary to enable it to discharge its indebtedness under this subsection.

(4) For the purposes of subsection (3) of this section the rate of interest payable by the council in respect of payments by the Treasurer in accordance with this section in any financial year shall be the average rate payable by the Treasurer upon all new loans with a currency of ten years or more raised by him in that financial year in accordance with the Financial Agreement Act, 1927, and the Amending Financial Agreement Act, 1944.

In the name and on behalf of Her Majesty, I hereby assent to this Bill.
