(a) cause a copy thereof to be filed with the Registrar-General;

and

(b) cause a notice to be inserted in the Gazette to the effect that such a protection certificate has been granted.
12. The Minister shall not grant a protection certificate to a farmer unless he is satisfied that—

(a) the farmer has applied for assistance under the scheme;

(c) there is a substantial risk that unless such a protection certificate is granted the farmer will—

(i) be unable to carry on his farming or pastoral operations;

(ii) be unable to benefit from assistance under the scheme,

as a consequence of an action for the recovery of a debt due from the farmer whether or not such an action has been commenced;

and

(d) it is otherwise proper and desirable that a protection certificate should be granted.

13. Without limiting the generality of section 18 of this Act the Minister shall cancel the protection certificate if the farmer shall abandon his farm or fail to work or manage it to the satisfaction of the Minister.

14. The Master of the Supreme Court and the clerk of every local court shall keep in the office of the court a list of all protection certificates notified in the Gazette under section 11 of this Act and shall produce the list for inspection by any person without fee.

15. (1) Notwithstanding any enactment, rule of law, or agreement to the contrary, when a protection certificate has been granted by the Minister under this Part and during the currency of that certificate the following provisions shall apply to and in relation to the protected farmer to whom the certificate has been granted—

(a) no proceeding shall be commenced or continued in any court for the recovery of any debt, demand, or damages or for any other relief, legal or equitable, against the protected farmer nor to enforce any security alleged to have been given by him;

(c) no garnishee proceedings shall be commenced or continued against the protected farmer;

(d) no steps shall be taken by any mortgagee, grantee of any bill of sale, holder of a lien, or any other holder or grantee of any form of security over any property of the protected farmer or his farm to realize his security or put the same into force whether by entry into possession, the exercise of a power of sale, seizure, or otherwise howsoever;

(e) no steps shall be taken by the vendor under any agreement for sale and purchase of any land of the protected farmer or his farm to terminate the agreement, nor shall any such agreement become void by reason of any breach thereof;

(f) no steps shall be taken by any lessor of any land held by the protected farmer or the land on which he engages in rural industry under lease to determine the lease, nor shall any such lease become void or determined by reason of any breach thereof;

and

(g) no person shall distress or take out of the possession of the protected farmer any chattel which came into his possession lawfully and with the consent of the owner.

(2) The provisions of this section are subject to sections 16 and 18 of this Act.

(3) If any proceedings are commenced in contravention of this section they shall be void, and if any proceedings are continued in contravention of this section, every step in the proceedings taken after the issue of the certificate shall be void.

(4) At any time during the currency of a certificate the Minister may, on the application of any person or in his discretion order that all or any of the paragraphs of subsection (1) of this section shall not apply to any specified land, interest in land, or chattel of the protected farmer, and upon such order the said provisions shall cease to apply accordingly.

16. (1) At any time after notice of a certificate has been published in the Gazette any creditor of or person claiming against the protected farmer may apply to a special magistrate for leave to proceed, notice of the application shall be given in writing to the Minister and the protected farmer at least seven clear days before the date of hearing mentioned in the notice.
(2) Every such application shall be heard in a summary manner and the magistrate may receive evidence by affidavit or *viva voce* or otherwise as he thinks fit.

(3) The magistrate—

(a) shall have an absolute discretion as to granting or refusing any leave;

(b) shall take into consideration the financial position of the protected farmer and of the creditor, or claimant, the right or claim relied on by the creditor or claimant, and the objects of this Act;

(c) may make any order he thinks proper for the interim preservation of any property of the protected farmer situated within the State;

(d) may, as a condition of refusing leave, impose upon the protected farmer any terms and conditions he deems advisable as to the disposition or sale of any property of the protected farmer, and the application of the proceeds of any such sale;

(e) may make it a term of granting any leave that the protection certificate of the farmer be cancelled;

and

(f) may at the time of granting any leave or by subsequent order give directions for the removal and sale of any property of the protected farmer situated in the State which may become liable to seizure and sale in consequence of the granting of such leave or the cancellation of the protection certificate, and for the distribution of the proceeds of sale thereof.

(4) When the magistrate orders that any protection certificate be cancelled the magistrate shall forthwith file with the Registrar-General a copy of the order, and shall publish a copy of the order in the *Gazette*, and thereupon the protection certificate shall cease to have any effect whatsoever.

(5) The jurisdiction conferred by this section shall be exercised by a special magistrate exercising jurisdiction in the local court nearest to the farmer’s place of abode.

(6) The magistrate shall have all the powers of the local court for the purpose of dealing with the application, and his decision shall be final.
PART III

17. Every protection certificate shall, unless sooner cancelled under this Part, remain in force until the Minister in his discretion cancels it by notice filed with the Registrar-General and published in the Gazette.

18. If the Minister considers that it is advisable to cancel any certificate the Minister may, in his discretion, cancel the certificate by filing with the Registrar-General a notice of cancellation in the Form B in the Schedule to this Act, and publishing a copy of the said notice in the Gazette, and thereupon the protection certificate shall cease to have any effect whatsoever; but before cancelling any protection certificate the Minister shall give not less than fourteen days' notice in writing to the protected farmer of his intention to do so.

19. When a protection certificate ceases to have any effect any proceedings which were pending against the farmer in respect of whom the certificate was granted at the time of the issue of the protection certificate, may be continued, and in computing the time within which according to law any proceedings must be commenced or any step in proceedings taken, no account shall be taken of the period during which the protection certificate was operative.

20. When a protection certificate is cancelled pursuant to this Act, the farmer in respect of whom that certificate was granted shall forthwith deliver or send that certificate to the Minister.

Penalty: One hundred dollars.

21. (1) If the Minister is satisfied that any property of a protected farmer is being or likely to be unlawfully dealt with or dealt with in contravention of any direction under this Act the Minister may, by writing under his hand directed to the bailiff of the local court situated nearest to such property, require the bailiff to seize the property and to hold and deal with it in such manner as the Minister in writing directs.

(2) Thereupon the bailiff shall forthwith seize the property and deal with it in the manner directed from time to time by the Minister by writing under his hand.

(3) The proper fees and expenses incurred by the bailiff in respect of such property shall be a charge upon the property.

22. (1) The Minister may by notice in writing give to any protected farmer such directions as to—

(a) the methods of farm management to be adopted by the protected farmer;
(b) the conduct of the business affairs of the farmer and without limiting the generality of the foregoing as to the incurring of liabilities by the protected farmer, as to the Minister seems necessary or desirable.

(2) If a protected farmer makes a default in complying with any direction by the Minister the Minister may cancel the protection certificate granted to that farmer.

23. A protection certificate shall continue in operation notwithstanding the fact that the protected farmer—

(a) dies;

or

(b) becomes a mentally defective person within the meaning of the Mental Health Act, 1935-1969.

24. A protection certificate granted under this Part shall not prevent any person—

(a) from instituting and proceeding to judgment in any suit or other proceeding against a protected farmer (but so that judgment shall not be entered nor any further proceeding taken therein) for the purpose of determining the liability of the protected farmer—

(i) for any tort committed by him;

(ii) for any injury suffered by a workman in the employ of the protected farmer;

(iii) under the Social Welfare Act, 1926-1965, as amended;

(iv) in respect of any unliquidated demand not being such a demand arising out of default or for or upon a breach of covenant under any mortgage or other security for money or under an agreement for sale and purchase or lease of any real or personal property or under a hire-purchase agreement;

or

(b) from prosecuting any suit or other proceeding against a protected farmer for the administration of the trusts of any will, deed or other instrument or for any breach of such trust or for the removal of the farmer from the position of executor, administrator or trustee.
25. (1) The Minister may delegate to any person any of his powers and functions under this Act except—

(a) this power of delegation;

and

(b) the power to grant or cancel a protection certificate.

(2) Any delegated powers and functions shall be exercised in accordance with the instrument of delegation.

(3) The delegation of any powers and functions under this section shall not prevent the Minister acting personally in any matter.

26. The moneys required for the purposes of the administration of this Act and the scheme shall be paid out of moneys appropriated by Parliament for the purpose.

27. Proceedings for offences against this Act shall be disposed of summarily.

28. The Governor may make all such regulations as are contemplated by this Act, or as he deems necessary for the purposes of this Act, or as he deems necessary for the purposes of carrying out and giving effect to the agreement and the scheme and without limiting the generality of the foregoing, regulations—

(a) providing for a committee to advise and make recommendations to the Minister in relation to the exercise and discharge of his powers, functions and duties as the Authority within the meaning of the agreement and providing for the remuneration of the members of that committee;
