or

(3) The cancellation of a licence under paragraph (a), (b), (c) or (d) of subsection (1) of this section or the reduction of a hen quota for the reason set out in subsection (2) of this section shall remain in abeyance until—

have been entitled under this Act;

(b) where the poultry farmer is a corporation within the meaning of the Companies Act, 1962-1972, in no case shall the total of the hen quotas of that corporation and of corporations that by reason of subsection (5) of section 6 of that Act are deemed to be related to the first mentioned corporation exceed fifty thousand.

(3) The Licensing Committee shall notify an applicant for a licence of his hen quota at the same time as the issue to him of the licence.

24. (1) Subject to this section where in respect of any licensing season subsequent to the first licensing season the State hen quota is varied the hen quota of a Group I or Group II poultry farmer for the relevant licensing season shall be calculated to the nearest whole number in accordance with the formula—

and

(ii) issue a licence to another person specified in the application,

as may be requested in the application.

(2) An application under paragraph (c) of subsection (1) of this section may be made in respect of the whole or any part of a hen quota.
(3) The Licensing Committee shall not approve an application under subsection (1) of this section—

(a) where the approval would involve the cancellation of a licence or the reduction in the hen quota of a licence relating to a place within an area specified in the second schedule and the issue of a licence or the increase in the hen quota of a licence relating to a place not within that area unless, in the opinion of the Licensing Committee, it is in the interests of the poultry industry so to do;

(b) in so far as such an approval would increase the hen quota of a person (including his proportion of the hen quotas of any partnership of which he was a member), or the total of the hen quotas of the members of a partnership to more than fifty thousand;

and

(c) where the poultry farmer is a corporation within the meaning of the Companies Act, 1962-1972, in so far as the total of the hen quotas of that corporation and of corporations that by reason of subsection (5) of section 6 of that Act are deemed to be related to the first mentioned corporation would exceed fifty thousand.

26. (1) A person whose licence is cancelled under paragraph (a) of subsection (1) of section 25 of this Act shall cease to be a poultry farmer for the purposes of this Act.

(2) Where, immediately before the issue of a licence under section 25 of this Act the licensee was not a poultry farmer for the purposes of this Act he shall, while he holds the licence, be deemed to be a poultry farmer for those purposes.

27. (1) Where, pursuant to an application under subsection (1) of section 25 of this Act—
(a) a licence is issued under paragraph (a) of that subsection—the hen quota of the licensee after the issue of the fresh licence is the total of the hen quota of the applicant immediately before the cancellation of his licence and the hen quota (if any) of the licensee immediately before the issue of the licence;

(b) a licence is issued under paragraph (b) of that subsection—the hen quota, of the licensee remains unchanged;

or

(5) Subject to subsections (3) and (4) of this section a permit under this section shall continue in force during the period specified in the permit, but this subsection shall not operate to prevent the Licensing Committee from granting a permit under this section to a licensee who holds such a permit that is about to expire or to a licensee who held such a permit that has expired.

(6) A licensee who contravenes or fails to comply with a condition or restriction to which a permit issued to him under this section is subject is guilty of an offence against this Act and liable to a penalty not exceeding five hundred dollars and, in addition, a penalty not exceeding one hundred dollars for every day during which the offence continues.
