Pursuant to the provisions of section 57 of this Act, a council imposes a limit on the number of dogs over the age of three months, or the number of such dogs of any specified breed or kind, that may be kept on any premises situate in a specified area, and a person proposes to keep dogs to which such a limit applies in numbers exceeding that limit on premises that are not exempt from the limitation, he may apply for the premises in question to be licensed as an approved kennel establishment.

(b) in any application for the registration of a registered dog in the name of another person;

or

(c) whether on his own behalf or that of any other person, for the purpose of obtaining any benefit, or avoiding any penalty or obligation, under this Act,

shall be guilty of an offence and liable to a penalty not exceeding two hundred dollars.

57. (1) A council may make by-laws limiting the number of dogs over the age of three months and the young of those dogs under that age or the number of any specified breed or kind of dog that may be kept on any premises in any specified area.

(2) Where by-laws under this Act place a limit on the keeping of dogs in any specified area but the council is satisfied in relation to any particular premises that the provisions of this Act requiring that such premises be licensed as an approved kennel establishment need not be applied in the circumstances, the council may grant an exemption in respect of those premises but any such exemption—

(a) may be made subject to conditions, including a condition that it applies only to the dogs specified therein;

(b) may be revoked or varied at any time.

(3) Subject to the provisions of subsection (2) of this section, a person who keeps on any premises, not being premises licensed as an approved kennel establishment, dogs over the age of three months in numbers exceeding any limit imposed in relation to those dogs by by-laws made under subsection (1) of this section shall be guilty of an offence and liable to a penalty not exceeding two hundred dollars.

(2) A licence to keep an approved kennel establishment may be granted by a council on an application made in the prescribed manner and form supported by evidence that due notice of the proposed use of the land has been given to persons in the locality who may, in the opinion of the council, be affected, and the council shall have regard to any objections raised.

(3) A council may make by-laws requiring that dogs in an approved kennel establishment shall be kept in kennels and yards appropriate to the breed or kind in question and having specifications of a standard not less than that prescribed, sited and maintained in accordance with the requirements of public health, and sufficiently secured.

(4) A person who keeps, or permits or suffers to be kept, any dog over the age of three months of a breed or kind to which that licence applies at an
approved kennel establishment otherwise than in accordance with the licence relating to that establishment shall be guilty of an offence and liable to a penalty not exceeding two hundred dollars.

(5) A licence under this section has effect for a period of twelve months, and is renewable upon payment of the prescribed fee, but may be cancelled at any time by the council if the council is not satisfied that the kennel establishment complies with the standard prescribed by by-law.

(6) The cancellation of a licence under this section shall be effected by the service of a notice on the licensee to expire at the end of the period specified in the notice, which shall be a period of not less than three months.

61. In any proceeding for an offence against this Act—

(a) an allegation in the complaint that a person was liable for the control of a dog or that any dog was at the material time unregistered shall be deemed to be proved in the absence of proof to the contrary;

and

(b) the onus of proving that a dog was duly registered or was at the material time under the age of three months lies on the person making that assertion.

62. Proceedings for offences against this Act shall be disposed of summarily.

63. (1) A penalty for an offence against this Act that is recovered on the complaint of a council or an officer of a council shall be paid to that council.

or

(b) in any other case, by payment to the person holding or acting in an office specified in the notice,

of an amount specified in the notice, being an amount fixed by regulation in relation to the prescribed provision, within a time fixed by the notice, and if the offence is so expiated no proceedings shall be commenced in any court with respect to the alleged offence.

and

(b) shall, if the act or omission continues after he is convicted, be guilty of a further offence against that provision and liable, in addition to the penalty otherwise applicable to that further offence, to a penalty for each day during which the act or omission continued after that conviction of not more than the amount equal to one-tenth of the maximum penalty prescribed for that offence.

(2) Where an offence against a provision of this Act consists of an omission to do something that is required or directed to be done, the omission shall, for the purposes of subsection (1) of this section, be deemed to continue for so long as the thing required or directed to be done remains undone after the expiration of the period for compliance with the requirement or direction.

66. (1) The Governor may make such regulations as are contemplated by, or necessary or expedient for the purposes of, this Act.

(2) Without limiting the generality of subsection (1) of this section, those regulations may—
