No. 27.

An Act to authorize the appointment of South Australian Railway Commissioners, and to vest in them the construction of the Adelaide City and Port Railway, and of the Adelaide and Gawler Town Railway, and to authorize the raising of a further sum of Thirty-six Thousand Pounds, for the completion of the Adelaide City and Port Railway.

[Assented to, June 19, 1856.]

WHEREAS, by a certain Act, No. 1 of 1851, "To authorize the appointment of Undertakers for the construction of the Adelaide City and Port Railway," certain persons were authorized to be appointed, in manner in the said Act specified, to be Undertakers for the construction, completion, and management of the Adelaide City and Port Railway: And whereas, by a certain Act, No. 18 of 1854, "To authorize the formation of the Adelaide and Gawler Town Railway, and to provide for raising the money required for that purpose," certain persons are authorized to be nominated by the Governor, in manner therein mentioned, to be Commissioners for the execution of such last-mentioned Act: And whereas, by a certain Act, No. 18 of 1853, "To authorize the raising of a sum of One Hundred and Fifty Thousand Pounds, for the construction of the Adelaide City and Port Railway; and to authorize the Undertakers to deviate from the original line of such Railway; and for other purposes therein mentioned;" provision was made for the raising of a sum of One Hundred and Fifty Thousand Pounds by means of bonds, to be issued as therein provided; and for the application of such sum to the purposes of the construction of the said railway; but such sum hath been found inadequate for such purpose, and an additional sum is required for the completion of the said railway: And whereas it is expedient that there should be only one Board, for the construction, completion, and management of the said
said two railways; and that such Board should be appointed by, and responsible to, the Governor; and it is also expedient that a further sum of money should be raised by the issue of bonds, and should be paid to such Board, for the purpose of completing the said Adelaide City and Port Railway, and the branches thereof, as authorized by the said firstly-recited Act: Be it, therefore, enacted, by the Governor-in-Chief of the Province of South Australia, with the advice and consent of the Legislative Council of the same, as follows:

1. It shall be lawful for the Governor, with the advice of the Executive Council, by warrant under his hand, and the public seal of the said Province, to appoint three persons, not holding any other office under the Crown, with reasonable salaries, to be Commissioners, for the purposes of this Act, by the title of "South Australian Railway Commissioners;" and from time to time, with the like advice, to remove any of such persons from such office of Commissioner, and appoint another person in his place; and at all meetings of the said Commissioners, two shall form a quorum.

2. The said "South Australian Railway Commissioners" shall be the Undertakers for the construction, completion, and management of the said Adelaide City and Port Railway, in the place of the Undertakers by the said Act authorized to be appointed; and shall have, enjoy, and exercise all the rights, powers, and privileges, and be subject to and perform all the duties and obligations, by the said firstly-recited Act, or by any other Act or Ordinance of the Governor and Legislative Council of the said Province, given to, or vested in, or imposed upon, the said Undertakers by such firstly-recited Act authorized to be appointed; and shall also be Commissioners for the execution of the said Act, No. 18 of 1854, "To authorize the formation of the Adelaide and Gawler Town Railway, and to provide for raising the money required for that purpose," in the place of the Commissioners by the said Act authorized to be appointed; and shall have, enjoy, and exercise, all the rights, powers, and privileges, and be subject to and perform all the duties and obligations by such lastly-recited Act given to, or vested in, or imposed upon, the said Commissioners; excepting in so far as the same, or any of them, may be altered, modified, or affected, by the provisions hereof.

3. The said "South Australian Railway Commissioners" shall, from time to time, appoint and employ such secretary, solicitor, engineers, clerks, messengers, and other officers, at such reasonable salary, pay, or reward, as to such Commissioners may seem meet, subject to the approval of the Governor, and shall also, from time to time, at their discretion, dismiss and discharge such officers, or any of them, and appoint others in their place, subject to such approval as aforesaid.

4. The said "South Australian Railway Commissioners" may sue and be sued in the name of Secretary.
no action or suit, to be brought or commenced by or against the said Commissioners, shall abate or discontinue by the death or removal, or by the act of such Secretary: Provided, that nothing herein contained shall extend to make any such Commissioners or Secretary as aforesaid personally, or their respective estates, lands, or tenements, goods and chattels, liable to any judgment, order, or decree, which may be obtained in any such action or suit, but that the costs, charges, and expenses of every such Commissioner, or Secretary, by reason of having been made plaintiff or defendant, or for any contract, act, matter, or thing whatsoever, made or entered into in the bona fide performance of his duties as such Commissioner or Secretary, shall, from time to time, be defrayed by the said Commissioners out of the money so issued to them as aforesaid, or out of any other moneys which may come to their hands by virtue of this Act.

5. The said "South Australian Railway Commissioners" shall, on or before the first day of February in every year, prepare separate annual accounts in abstract of the total receipts and expenditure of all funds raised or received for the purposes of each of the said undertakings, whether arising from loans, tolls, charges, or any other source, for and during the past year, under the several distinct heads of receipt and expenditure, with a statement of the balance of the same account, duly audited and certified by the Colonial Treasurer, and also by the Auditor-General, and a copy of such annual account shall be published in the *South Australian Government Gazette*.

6. It shall be lawful for the Colonial Treasurer, for the time being, of the said Province, from time to time, to issue bonds, not exceeding in the whole the sum of Thirty-six Thousand Pounds, for such amounts as he may deem expedient; and such bonds shall be in the form following, that is to say—
