(3) A registered housing association that is not a prescribed association in a particular financial year, and the committee of management and auditor of such a housing association, must, subject to such modifications, additions or exclusions as may be necessary for the purpose, or as may be prescribed, comply with the requirements of Division IV of Part V as if the registered housing association were a registered housing co-operative.

(4) If the auditor of a registered housing association that is a prescribed association in a particular year, in the course of performing his or her duties as auditor, is satisfied that—

(ii) a rule of the housing association; or

(iii) a term of an agreement between the Authority and the housing association under Division III of Part VII; and
