No. 14 of 1995

An Act regulating the leasing of certain retail shops; to amend the Landlord and Tenant Act 1936 and the Magistrates Court Act 1991; and for other purposes.

[Assented to 6 April 1995]

The Parliament of South Australia enacts as follows:

PART 1
PRELIMINARY

Short title
1. This Act may be cited as the Retail Shop Leases Act 1995.

Commencement
2. This Act will come into operation on a day to be fixed by proclamation.

Interpretation
3. (1) In this Act, unless the contrary intention appears—

“accounting period” means a period fixed as an accounting period in a retail shop lease;

“collateral agreement” includes a guarantee under which the guarantor guarantees the performance of the obligations of a lessee under a retail shop lease;

“Commissioner” means the Commissioner for Consumer Affairs;

“core trading hours” means the hours for which a retail shop is required under a retail shop lease to be kept open for business;

“demolition” of a building of which a retail shop forms part includes a substantial repair, renovation or reconstruction of the building that cannot be carried out practicably without vacant possession of the shop;

“disclosure statement” — See section 12;

“enclosed shopping complex” means a group of three or more retail shops under common ownership or management with a common area through which public access is obtained to all or some of the shops and which is locked to prevent public access through that area when those shops are closed for business;
“Fund” means the Retail Shop Leases Fund;

“lawyer” means a person entitled to practise the profession of law in the State;

“lessee” means the person who has the right to occupy a retail shop under a retail shop lease, and includes—

(a) a sublessee; and

(b) a prospective lessee or a former lessee;

“lessor” means the person who grants or proposes to grant the right to occupy a retail shop under a retail shop lease, and includes—

(a) a sublessor; and

(b) a prospective lessor or a former lessor;

“Magistrates Court” means the Civil (Consumer and Business) Division of the Magistrates Court;

“mediation” of a dispute includes preliminary assistance in dispute resolution such as the giving of advice to ensure that—

(a) the parties to the dispute are fully aware of their rights and obligations; and

(b) there is full and open communication between the parties about the dispute;

“outgoings” means a lessor’s outgoings on account of the expenses of operating, repairing or maintaining the retail shop or a retail shopping centre in which the retail shop is located (including rates, taxes, levies, premiums or charges payable by the lessor) but does not include outgoings which are directly proportional to the level of a lessee’s consumption or use and for which the lessee is required to reimburse the lessor under the lease;

“party” means the lessor or the lessee under a retail shop lease;

“premium” means money paid, or a benefit given, to or as directed by the lessor or the lessor’s agent in connection with the granting, renewal, extension or assignment of a lease (and a reference in this Act to the payment of a premium extends to giving a benefit);

“Registrar” means the Principal Registrar of the Magistrates Court of South Australia;

“renewal” of a retail shop lease extends to the lessor and the lessee entering into a new retail shop lease for the retail shop (whether on the same or different terms);

“retail shop” means—

(a) business premises—

(i) at which goods are sold to the public by retail; or

(ii) at which services are provided to the public, or to which the public is invited to negotiate for the supply of services; or

(b) business premises classified by regulation as premises to which this Act applies,
but does not include business premises of a class excluded by regulation from the ambit of this definition;

"retail shop lease" or "lease" means an agreement under which a person grants or agrees to grant to another person for value a right to occupy a retail shop for carrying on a business—

(a) whether or not the right is a right of exclusive occupation; and
(b) whether the agreement is express or implied; and
(c) whether the agreement is oral or in writing, or partly oral and partly in writing;

"retail shopping centre" means a cluster of premises with the following attributes:

(a) at least five of the premises are retail shops; and
(b) the premises are all owned by the same person, or have (or would if leased have) the same lessor or the same head lessor, or comprise units within a single strata plan under the Strata Titles Act 1988; and
(c) the premises are located in the one building or in two or more buildings that are either adjoining or separated only by common areas or other areas owned by the owner of the premises; and
(d) the cluster of premises is promoted as, or generally regarded as constituting, a shopping centre, shopping mall, shopping court or shopping arcade.

(2) In the interpretation of this Act, accepted practices and interpretations in the industry concerning the leasing of retail shops are to be taken into account.

Application of Act

4. (1) This Act applies to a retail shop lease if the premises to which the lease applies consist of a retail shop or a retail shop together with an adjacent dwelling.

(2) However, this Act does not apply to a retail shop lease if—

(a) the rent payable under the lease exceeds $250,000 per annum or, if a greater amount is prescribed by regulation, that other amount; or

(b) the right of occupation arises under—

(i) an agreement for the sale and purchase of premises; or
(ii) a mortgage; or
(iii) a scheme under which a group of adjacent premises is owned by a company and the premises comprising the group are let by the company to persons who jointly have a controlling interest in the company; or

(c) the lessee is—

(i) a public company or a subsidiary of a public company; or
(ii) a bank or building society; or

(iii) a body corporate authorised by law to carry on the business of insurance; or

(iv) the Crown or an agency or instrumentality of the Crown in right of the State, another State or Territory, or the Commonwealth; or

(v) a municipal or district council or other authority with powers and functions of local government.

(3) The regulations may exclude from the application of this Act (either conditionally or unconditionally) a specified class of retail shop leases.

This Act overrides leases

5. (1) This Act operates despite the provisions of a lease.

(2) A provision of a lease or a collateral agreement is void to the extent that the provision is inconsistent with this Act.

When the lease is entered into

6. For the purposes of this Act, a retail shop lease is taken to have been entered into when—

(a) both parties have executed the lease; or

(b) a person enters into possession of the retail shop as lessee under the lease; or

(c) a person begins to pay rent as lessee under the lease or proposed lease (but not if the payment is an advance payment of rent made to secure the premises),

(whichever happens first).
PART 2
ADMINISTRATION

Administration of Act
7. The Commissioner is responsible for the administration of this Act.

Ministerial control of administration
8. The Commissioner is, in the administration of this Act, subject to control and direction by the Minister.

Commissioner's functions
9. The Commissioner has the following functions:

(a) investigating and researching matters affecting the interests of parties to retail shop leases; and

(b) publishing reports and information on subjects of interest to the parties to retail shop leases; and

(c) giving advice (to an appropriate extent) on the provisions of this Act and other subjects of interest to the parties to retail shop leases; and

(d) investigating suspected infringements of this Act and taking appropriate action to enforce this Act; and

(e) making reports to the Minister on questions referred to the Commissioner by the Minister and other questions of importance affecting the administration of this Act; and

(f) administering the Fund.

Immunity from liability
10. No liability attaches to the Commissioner or any other person acting in the administration of this Act for an honest act or omission in the exercise or purported exercise of functions under this Act.
PART 3
BEFORE THE LEASE IS ENTERED INTO

Copy of lease to be provided at negotiation stage

11. A person must not, as lessor or on behalf of the lessor, offer to enter into a retail shop lease, invite an offer to enter into a retail shop lease or indicate by written or broadcast advertisement that a retail shop is for lease, unless—

(a) the person has a copy of the proposed retail shop lease (in written form, but not necessarily including particulars of the lessee, the rent or the term of the lease) available for inspection by a prospective lessee; and

(b) the person makes a copy of the proposed lease available to any prospective lessee as soon as the person enters into negotiations with the prospective lessee concerning the lease.

Maximum penalty: $500.

Lessee to be given disclosure statement

12. (1) Before a retail shop lease is entered into or renewed, the lessee must be given a disclosure statement for the lease.

(2) A disclosure statement is a statement in writing that contains the information, and is accompanied by the material, that is contained in or required to complete or accompany the form of disclosure statement set out in the schedule (but only to the extent that is relevant to the lease concerned).

(3) The layout of the disclosure statement need not comply with that of the form set out in the schedule.

(4) The tenant should sign an acknowledgement of receipt of the disclosure statement before signing the lease or a document that binds the lessee to enter into the lease or to take the retail shop on lease for a renewed term.

(5) If a disclosure statement is not given as required by subsection (1), or contains information that at the time it is given is materially false or misleading, the Magistrates Court may, on application by the lessee, make one or more of the following orders as may be appropriate in the circumstances of the case—

(a) an order avoiding the lease in whole or part;

(b) an order varying the lease;

(c) an order requiring the lessor to repay money paid by the lessee;

(d) an order requiring the lessor to pay compensation to the lessee;

(e) an order dealing with incidental or ancillary matters.

(6) However, an order cannot be made under subsection (5) on the ground that a disclosure statement is incomplete or contains information that is materially false or misleading if—

(a) the lessor has acted honestly and reasonably and ought reasonably to be excused; and
Lessee not required to pay undisclosed contributions

13. A provision of a retail shop lease that requires the lessee to pay or contribute towards the cost of finishes, fixtures, fittings, equipment or services is void unless the liability to make the payment or contribution was disclosed in a disclosure statement.

Lease preparation costs

14. (1) If the lessee is liable to pay an amount to the lessor for legal or other expenses incurred by the lessor in connection with the preparation, stamping and registration of a retail shop lease ("preparatory costs"), the lessee cannot be required to make the payment until provided with a copy of any account given to the lessor for the expenses.

Preparatory costs include—

(a) fees charged by a mortgagee for producing a certificate of title for the land over which a retail shop lease is to be registered or for consenting to the lease;

(b) the costs of attendances on the lessee by the lessor, or a lawyer acting for the lessor.

(2) The lessee's liability for preparatory costs cannot exceed—

(a) the actual amount of the stamp duty payable on the lease and the government fees for registration of the lease; and

(b) one-half of the other preparatory costs.

(3) However, this section does not limit the recovery of preparatory costs incurred by the lessor from a person who enters into and then withdraws from negotiations with the lessor.

Premium prohibited

15. (1) A lessor must not seek or accept the payment of a premium in connection with the granting of a retail shop lease and a provision of a retail shop lease is void to the extent that it requires the payment of a premium in connection with the granting of the lease.

(2) If a lessor or a person acting on behalf of a lessor contravenes this section—

(a) the person is guilty of an offence and liable to a penalty not exceeding $10 000; and

(b) the lessee is entitled to recover from the lessor as a debt any payment made or the value of any benefit conferred by the lessee and accepted by or on behalf of the lessor in contravention of this section (whether or not the person is convicted of an offence under paragraph (a)) .

(3) This section does not prevent a lessor—

(a) from receiving payment for a right or option to enter into a retail shop lease if, when a retail shop lease is entered into, the payment is refunded or applied towards rent payable under the lease; or

(b) from receiving from the lessee payment under a contract with the lessee for carrying out work on the premises before the lessee goes into occupation; or
(c) from requiring payment of preparatory costs as permitted by this Act; or

(d) from receiving payment of rent in advance; or

(e) from securing performance of the lessee’s obligations under the lease by requiring a security bond or a guarantee from the lessee or another person (e.g., a guarantee by the directors of a lessee company guaranteeing performance of the company’s obligations under the lease); or

(f) from seeking and accepting payment for goodwill of a business that has been conducted by the lessor; or

(g) from seeking and accepting payment for plant, equipment, fixtures or fittings that are sold by the lessor to the lessee in connection with the granting of the lease; or

(h) from seeking and accepting payment for the grant of a franchise in connection with the granting of the lease; or

(i) from seeking and accepting payment of an amount of a prescribed class.

**Lease documentation**

16. A retail shop lease is taken to include provision to the following effect:

(a) if the lease is not to be registered, the lessor must provide the lessee with an executed copy of the stamped lease within one month after the lease is returned to the lessor or the lessor’s lawyer or agent following payment of stamp duty on the lease;

(b) if the lease is to be registered, the lessor must lodge the lease for registration within one month after the lease is returned to the lessor or the lessor’s lawyer or agent following payment of stamp duty on the lease and the lessor must provide the lessee with an executed copy of the stamped and registered lease within one month after the lease is returned to the lessor or the lessor’s lawyer or agent following registration of the lease.

**Minimum 5 year term**

17. (1) The term for which a retail shop lease is entered into must be at least five years.

The term of a retail shop lease is worked out under this section on the assumption that any right or option of renewal or extension under the lease or a collateral agreement will in fact be exercised. However, a right or option of renewal or extension will not be taken into account if it is given after the lease is entered into.

(2) If a lease is entered into in contravention of this section, the lease remains valid but the term of the lease is extended to bring the term (or the aggregate term) to five years.

If (for example) a lease is entered into for a term of three years, its term is extended by two years to five years. If a lease is entered into for a term of two years with an option for a further one year after that initial two years, the term of the lease is extended to four years (with the option for a further one year after that initial four years).
(3) This section does not apply to a lease if—

(a) the lease is a short-term lease (i.e. a lease entered into for a fixed term of six months or less); or

(b) the lease arises when the lessee holds over after the termination of an earlier lease with the consent of the lessor and the period of holding over does not exceed six months; or

(c) the lease contains a provision excluding the operation of this section and a lawyer who is not acting for the lessor certifies in writing that the lawyer has, at the request of the prospective lessee, explained the effect of the provision and how this section would apply to the lease if the lease did not include that provision; or

(d) the lease results from the renewal of an earlier lease, so long as there was no break in the entitlement of the lessee to possession of the retail shop and the option was granted by that earlier lease or by an agreement entered into before or at the same time as that earlier lease was entered into.

A lease will not be required to be for five years if it is a renewal of an earlier lease (because the minimum five year term requirement applied to the earlier lease and the availability of the renewal will have been taken into account in determining the term of that earlier lease).

(4) This section does not apply to a lease to the extent that its application would be inconsistent with the terms of a head lease under which the lessor holds the retail shop.

(5) This section does not apply in any other case prescribed by the regulations.

Warranty of fitness for purpose

18. (1) If the lessor under a retail shop lease had, before entering into the lease, notice from the lessee that the premises were required for carrying on a particular business, the lease is taken to include a warranty that the premises will, for the duration of the lease, be structurally suitable for the purpose.

(2) However, the warranty is excluded if the lessor gives notice of the exclusion, in the manner and form required by regulation, before execution of the retail shop lease by the lessee.

(3) An assignee or sub-lessee may sue on the warranty if the assignment or sublease is taken for the purpose of carrying on a business of the same kind.

(4) In proceedings for breach of the warranty, it is a defence for the lessor to prove—

(a) the premises were structurally suitable for the purpose when the retail shop lease was entered into; and

(b) any change in the structural suitability of the premises is not attributable to the lessor.
PART 4
SECURITY

Security bond
19. (1) A person must not—

(a) require more than one security bond for the same retail shop lease; or

(b) require the payment of an amount by way of security under a security bond if the total amount paid by way of security exceeds four weeks' rent under the lease.

Maximum penalty: $1 000.

The maximum amount of the security bond is to be calculated by reference to the rent payable during the first six months of the lease (expressed as a weekly rent) but if a lease provides rent concessions, such as a rent-free period or a period of rent at concessional rates, the concession will be disregarded.

(2) However, if the rent payable under a retail shop lease increases, and at least two years have elapsed since the security under a security bond was given or last increased, the lessor may by written notice to the lessee require the lessee to increase the security by a specified additional amount but not so that the total amount of the security exceeds four weeks' rent under the lease.

(3) A notice requiring an increase in the amount of the security must fix the date by which the additional amount must be paid to the lessor and the date so fixed must be at least 60 days from when the notice is given.

(4) A requirement to increase the security has effect as if it were a term of the lease.

(5) A person who receives an amount by way of security must—

(a) give, within seven days of the payment, the person who has made the payment a receipt stating the date payment was received, the name of the person from whom the payment was received, the amount paid, and the address of the premises to which the payment relates; and

(b) pay the amount of the security to the Commissioner—

(i) if the person is a registered agent—within 28 days of the date of receipt;

(ii) in any other case—within seven days of the date of the receipt.

Maximum penalty: $1 000.

Repayment of security
20. (1) An application may be made to the Commissioner for—

(a) payment of the whole amount of the security either to the lessor or the lessee; or

(b) payment of a specified amount of the security to the lessor and the balance to the lessee.
(2) The application—

(a) must be in a form approved by the Commissioner; and

(b) may be made jointly by the lessor and the lessee or by either the lessor or the lessee.

(3) If the application is undisputed, the Commissioner must pay out the amount of the bond as specified in the application.

An application is undisputed if it is a joint application by the lessor and the lessee; or an application by the lessor that the whole of the amount of the security be paid to the lessee; or an application by the lessee that the whole of the amount of the security be paid to the lessor. An application that does not fall into any of those categories, is liable to be disputed.

(4) If an application is liable to be disputed, the Commissioner must give the respondent written notice of the application (in a form the Commissioner thinks appropriate) and inform the respondent that, if the respondent wants to dispute the application, a written notice of dispute must be lodged with the Commissioner within seven days after service of the notice on the respondent.

If the application was made by the lessor, the lessee is the respondent; if the application was made by the lessee, the lessor is the respondent.

(5) If the respondent does not give the Commissioner written notice of dispute within seven days after the date of the Commissioner's notice (i.e. the notice under subsection (4)), the Commissioner may pay out the amount of the security as proposed in the application.

(6) If the Commissioner receives a written notice of dispute before the amount of the security bond is paid out under subsection (5), the Commissioner must refer the dispute to the Magistrates Court for determination.

(7) A payment under this section will be made from the Fund.
PART 5
RENT AND OUTGOINGS

Payment of rent when lessor’s fitout not completed
21. (1) This section applies to a retail shop lease if—

(a) the liability of the lessee to pay rent under the lease commences on the lessee entering into possession of the retail shop (whether or not the lessee is required to enter into possession by a specified date); and

(b) the lessor has fitout obligations under the lease.

The lessor has fitout obligations under the lease if the lessor is required to provide finishes, fixtures, fittings, equipment or services before the lessee enters into possession of the shop.

(2) A retail shop lease to which this section applies is taken to provide that—

(a) the lessee is not liable to pay rent, or any other amount payable under the lease by the lessee (such as an amount payable in respect of outgoings), in respect of any period before the lessor has substantially complied with the lessor’s fitout obligations; and

(b) the lessor is not entitled to deny the lessee possession of the retail shop merely because the lessor has not complied with the lessor’s fitout obligations under the lease (but this paragraph does not prevent the lessor from denying the lessee possession of unsafe premises on the ground that they are unsafe).

Restrictions on adjustment of base rent
22. (1) In this section—

“base rent” means rent, or that component of rent, that comprises a specified amount (whether or not there is provision for the amount to change).

Turnover rent (rent determined by reference to the lessee’s turnover) is not base rent because turnover rent is not a specified amount of money (it varies according to the lessee’s turnover).

(2) A retail shop lease must not provide for a change to base rent less than 12 months after the lease is entered into and must not provide for a change to that rent less than 12 months after any previous change to that rent, but this subsection does not apply to a change to base rent by a specified amount or specified percentage.

For example, subsection (2) prevents a lease providing for an increase to current market rent more than once in 12 months. It does not prevent a lease providing for the rent to increase by $100 every six months. Nor does it prevent a lease providing for the rent to be increased to current market rent after 12 months and then to be increased by two per cent every six months after that.

(3) A provision of a retail shop lease is void to the extent that it—

(a) reserves or has the effect of reserving to one party a discretion to decide which of two or more methods of calculating a change to base rent is to apply on a particular occasion; or
(b) provides for a method of calculating a change to the base rent but reserves or has the effect of reserving to one party a discretion to decide whether or not the base rent is to be changed in accordance with that method on a particular occasion; or

(c) provides for base rent to change on a particular occasion in accordance with whichever of two or more methods of calculating the change would result in the higher or highest rent.

(4) If a retail shop lease provides for a change to base rent in a way that may result in a decrease of rent\(^1\), a provision of the lease is void to the extent it prevents or enables the lessor or any other person to prevent the decrease.

\(^1\) For example, a provision for the rent to change to current market rent.

**Reviews to current market rent**

23. (1) A retail shop lease that provides for rent to be changed to current market rent is taken to include provision to the following effect:

(a) the current market rent of the retail shop is the rent that, having regard to the terms and conditions of the lease and other relevant matters, would be reasonably expected for the shop if it were unoccupied and offered for renting for the use to which the shop may be put under the lease;

(b) the value of goodwill created by the lessee’s occupation and the value of the lessee’s fixtures and fittings on the retail shop premises are to be ignored for the purposes of the assessment of current market rent;

(c) if the lessor and the lessee do not agree, the amount of the rent is to be determined by valuation carried out by a person appointed by agreement between the parties to the lease or, failing agreement, appointed by the person for the time being holding or acting in the office of President of the Australian Institute of Valuers and Land Economists (SA Division) Inc.;

(d) if a valuation is made to determine the rent, the valuer must give detailed reasons for the determination and must specify the matters (including, if relevant, incentives and concessions) taken into account in making the determination;

(e) the parties to the lease are liable for the costs of a valuation under this section in equal shares.

(2) However, there is no need for a valuation if the parties to the lease agree on the amount of the rent.

**Turnover rent**

24. (1) If a retail shop lease provides for the determination of rent or a component of rent by reference to turnover, the lease is taken to include provision to the following effect:

(a) if the turnover includes amounts realised on sale of items purchased from customers in the ordinary course of business, those amounts are to be reduced by the amount of any losses made on the resale or disposal of those items;
(b) turnover does not include the amount of deposits and instalments received on account of lay-bys, hire purchase or credit sales, and later refunded to customers;

(c) if the proceeds of a transaction have been included as part of turnover but a refund is later made to the customer, the turnover is reduced by the amount of the refund;

(d) turnover does not include the amount of service, finance or interest charges payable to a financier in connection with provision of credit to customers (other than commissions on credit or store cards);

(e) turnover does not include the price of merchandise exchanged between shops of the lessee if the exchange is made solely for the convenient operation of the business of the lessee and not for the purpose of concluding a sale made at or from the shop to which the lease relates;

(f) turnover does not include the price of merchandise returns to shippers, wholesalers or manufacturers;

(g) turnover does not include the proceeds of sale of the lessee’s fixtures and fittings after their use in the conduct of business at or from the retail shop to which the lease relates;

(h) turnover does not include the amount of discounts allowed to customers in the normal course of business;

(i) turnover does not include the amount of uncollected credit accounts that are written off;

(j) turnover does not include the net amount paid or payable by the lessee on account of any purchase tax, receipt tax, or other similar tax imposed at the point of retail sale or hire of goods or services;

(k) turnover does not include the amount of delivery charges;

(l) turnover does not include the amount received from the sale of lottery tickets and similar tickets (other than commission on those sales);

(m) turnover does not include an amount of a prescribed class.”

(2) The lease is taken to provide for underpayments or overpayments of rent (resulting from actual turnover differing from projected or presumed turnover) to be adjusted within one month after the lessee requests the lessor in writing for such an adjustment and provides the lessor with information the lessor reasonably requires to make the adjustment.

(3) The lessee may make a request for such an adjustment only once in the first 12 months of the lease term and thereafter only at intervals of not less than 12 months following the first request for an adjustment under the lease.

(4) Subsection (3) does not prevent the lease providing for, or the parties otherwise agreeing to, more frequent adjustments than are provided for by this section.
(5) A lessor must not require a lessee to provide to the lessor information about the lessee's turnover unless the retail shop lease provides for the determination of rent, a component of rent or outgoings by reference to turnover.

Maximum penalty: $1 000.

(6) For the purposes of this section, "turnover" includes gross takings, gross receipts, gross income and similar concepts.

Special rent—cost of fitout

25. A retail shop lease may provide for the payment of a special rent (in addition to other rent) to cover the cost of fitout, fixtures, fittings and equipment installed or provided by the lessor at the lessee's expense.

Recovery of outgoings from lessee

26. (1) The lessee under a retail shop lease is not liable to pay an amount to the lessor in respect of outgoings except in accordance with provisions of the lease that specify—

(a) the outgoings that are to be regarded as recoverable; and

(b) how the amount of the outgoings will be determined and how they will be apportioned to the lessee; and

(c) how the outgoings, or a part of them, may be recovered by the lessor from the lessee.

(2) In this Part, the expression "outgoings to which the lessee contributes" refers to outgoings in respect of which the lessee is liable under the lease to make a payment to the lessor.

(3) Costs associated with the advertising or promotion of a retail shop or retail shopping centre, or of a business carried on there, are not outgoings for the purposes of this section.

Capital costs not recoverable from lessee

27. A retail shop lease must not require the lessee to pay an amount towards the capital costs of the retail shop or a retail shopping centre in which the retail shop is located.

Depreciation not recoverable from lessee

28. A retail shop lease must not require the lessee to pay an amount towards depreciation.

Sinking fund for major repairs and maintenance

29. If a retail shop lease provides for the establishment of a sinking fund to fund provision for major items of repair or maintenance, the lease is taken to include provision to the following effect:

(a) an amount paid by the lessee towards the lessor's outgoings on account of those major items of repair or maintenance is to be paid into the sinking fund;

(b) so much of the balance standing to the credit of the sinking fund as remains unexpended from time to time for a purpose for which the sinking fund was established is to be held by the lessor in an interest bearing account;
(c) amounts paid by the lessee for credit of the sinking fund, and the net interest earned by the lessor on the sinking fund, must not be applied by the lessor for a purpose other than payment of outgoings for which the sinking fund was established;

(d) the lessor is liable to contribute to the sinking fund any deficiency attributable to a failure by the lessor or a predecessor in title of the lessor to comply with paragraph (c).

The effect of paragraph (d) will be that a purchaser of the shop from the lessor will have to ensure that the sinking fund has been properly administered and maintained by the previous lessor because the incoming lessor will be liable for any shortfall.

Land tax not to be recovered from lessee
30. (1) A retail shop lease cannot require the lessee to pay land tax or to reimburse the lessor for the payment of land tax.

(2) However, the lessor's liability for land tax in respect of the premises may be taken into account in the assessment of rent.

(3) This section does not apply to a retail shop lease entered into before a date fixed by regulation for the purposes of this section.

Estimates and explanations of outgoings to be provided by lessor
31. (1) A retail shop lease is taken to include provision to the following effect:

(a) the lessor must give the lessee a written estimate of the outgoings to which the lessee contributes under the lease, itemising those outgoings under the item descriptions used in the list of outgoings in the form of disclosure statement set out in the schedule;

(b) the estimate of outgoings must be given to the lessee in respect of each accounting period of the lessor during the term of the lease and must be given before the lease is entered into and thereafter during the term of the lease at least one month before the commencement of the accounting period concerned.

(2) A retail shop lease is taken to include provision requiring the lessor, at the request of a lessee, to give the lessee information and explanations that the lessee may reasonably require about expenditure on outgoings to which the lessee is required to contribute and the basis on which the lessee's contribution to the outgoings is determined.

Lessor to provide auditor's report on outgoings
32. A retail shop lease is taken to include provision to the following effect:

(a) the lessor must, within three months after the end of each accounting period, give the lessee a written report containing a statement of all expenditure by the lessor in the accounting period towards which the lessee is required to contribute in a form that facilitates comparison with the relevant estimate;

(b) the report is to be prepared by a registered company auditor (within the meaning of the Corporations Law) and is to be prepared in accordance with accounting standards (within the meaning of the Corporations Law);
(c) the report is to include a statement by the person who prepared the report whether or not the amounts paid by the lessee in respect of outgoings were properly payable by the lessee and whether or not the total amount of outgoings in respect of which the lessee contributed (that is, the estimated total expenditure by the lessor on outgoings) exceeded the total amount actually expended by the lessor in respect of those outgoings during the period concerned;

(d) the report may be a composite report (that is, it may relate to more than one lessee) so long as each lessee to which it relates is able to determine from the report whether or not the amounts paid by the lessee in respect of outgoings were properly payable by the lessee;

(e) the report need not comply with paragraphs (c) and (d) if the report does not relate to any outgoings other than land tax, water and sewerage rates and charges, local council rates and charges and insurance, so long as it is accompanied by copies of receipts in respect of all expenditure by the lessor as referred to in paragraph (a).

Adjustment of contributions to outgoings based on actual expenditure properly and reasonably incurred

33. A retail shop lease is taken to include provision to the following effect:

(a) within three months after the end of each accounting period, there is to be an adjustment between the lessor and the lessee to take account of any under-payment or over-payment by the lessee in respect of those outgoings;

(b) the adjustment is to be calculated on the basis of the difference between the total amount of outgoings in respect of which the lessee contributed (that is, the estimated total expenditure by the lessor on outgoings during the accounting period) and the total amount actually expended by the lessor in respect of those outgoings during that period as shown in the auditor’s report, but taking into account only expenditure properly and reasonably incurred by the lessor in payment of those outgoings;

(c) contribution by the lessee towards, and expenditure by the lessor in respect of, repairs and maintenance is not to be taken into account for the purposes of the adjustment to the extent that the contribution is, and the expenditure is in respect of, contributions required to be paid into a sinking fund as referred to in section 29.

Non-specific outgoings contribution limited by ratio of lettable area

34. (1) A lessee under a retail shop lease in a retail shopping centre is not liable to contribute towards a non-specific outgoing of the lessor (that is, an outgoing not specifically referable to any particular shop in the retail shopping centre) unless the shop is one of the shops to which the outgoing is referable, and is not liable to contribute an amount in excess of an amount calculated by multiplying the relevant amount of that outgoing by the ratio of the lettable area of the shop to the total of the lettable areas of all the retail shops in the shopping centre to which the outgoing is referable.

(2) In this section—

“excluded premises” means premises in a retail shopping centre (such as office towers and entertainment annexes) that are leased or available for lease but are not retail shops;

“referable”—an outgoing is referable to premises if the premises enjoy or share the benefit resulting from the outgoing;
“relevant amount” of an outgoing means—

(a) if the outgoing is wholly referable to retail shops—the total amount of that outgoing;

(b) if the outgoing is partly referable to retail shops and partly referable to excluded premises—a proportion of the outgoing equal to the proportion that the total lettable area of the retail shops in the retail shopping centre bears to the total lettable area of retail shops and excluded premises.

Determination of current market rent under options to renew

35. (1) A retail shop lease that provides an option to renew or extend the lease at current market rent is taken to include provision to the following effect:

(a) the current market rent of the retail shop is the rent that, having regard to the terms and conditions of the lease and other relevant matters, would be reasonably expected to be paid for the shop if it were unoccupied and offered for renting for the use to which the shop may be put under the lease;

(b) the value of goodwill created by the lessee’s occupation and the value of the lessee’s fixtures and fittings on the retail shop premises are to be ignored for the purposes of the assessment of current market rent;

(c) if the lessor and the lessee do not agree as to what the actual amount of that rent is to be, the amount of the rent is to be determined by valuation carried out by a person appointed by agreement between the parties to the lease or, failing agreement, appointed by the person for the time being holding or acting in the office of President of the Australian Institute of Valuers and Land Economists (SA Division) Inc.;

(d) if a valuation is made to determine the rent, the valuer must give detailed reasons for the determination and must specify the matters (including, if relevant, incentives and concessions) taken into account in making the determination;

(e) the parties to the lease are liable for the costs of a valuation under this section in equal shares.

(2) There is no need for a valuation if the parties agree on the amount of the rent.

Opportunity for lessee to have current market rent determined early

36. (1) A retail shop lease that provides an option to renew or extend the lease at current market rent is taken to include provision to the following effect:

(a) the lessee is entitled to request a determination of the current market rent within the period that begins six months before and ends two months before the last day on which the option may be exercised under the lease, but may not make such a request if the lessor and the lessee have already agreed as to what the actual amount of that rent is to be;

(b) the lessee makes a request by giving notice in writing of the request to the lessor;
(c) if the lessee makes a request, the amount of the current market rent is to be determined (as at the time of the request) in accordance with the provisions of section 35, and the period within which the lessee must exercise the option is varied so that the last day on which the option may be exercised is 21 days after the determination of rent is made and notified to the lessee in writing or the last day of the term of the lease, whichever is the earlier;

(d) the parties agree that the amount of rent determined under paragraph (c) is the current market rent for the purposes of the exercise of the option (even though it may be a determination of the current market rent as at some earlier time);

(e) the parties to the lease are to pay the costs of the determination of current market rent in equal shares unless the lessee decides not to exercise the option to renew the lease in which case the lessee is liable to reimburse the lessor for the lessor's share of the costs (i.e. the lessee must bear the costs in their entirety).

(2) If the term of the lease is 12 months or less, the periods of six months and two months in this section are shortened to three months and 30 days respectively.
ALTERATIONS AND OTHER INTERFERENCE WITH THE SHOP

Lessee to be given notice of alterations and refurbishment

37. (1) A retail shop lease is taken to provide that the lessor must not commence to carry out an alteration or refurbishment of the building or retail shopping centre of which the retail shop forms part that is likely to adversely affect the business of the lessee unless—

(a) the lessor has notified the lessee in writing of the proposed alteration or refurbishment at least one month before it is commenced; or

(b) the alteration or refurbishment is necessitated by an emergency and the lessor has given the lessee the maximum period of notice that is reasonably practicable in the circumstances.

(2) However, this section does not apply to routine maintenance or repairs.

Lessee to be compensated for disturbance

38. (1) A retail shop lease is taken to provide that if the lessor—

(a) inhibits access of the lessee to the shop in a substantial manner; or

(b) takes action that would inhibit or alter, to a substantial extent, the flow of customers to the shop; or

(c) unreasonably takes action that causes significant disruption of, or has a significant adverse effect on, trading of the lessee in the shop; or

(d) fails to take all reasonable steps to prevent or put a stop to anything attributable to causes within the lessor's control that causes significant disruption of, or which has a significant adverse effect on, trading of the lessee in the shop; or

(e) fails to rectify any breakdown of plant or equipment under the lessor's care or maintenance; or

(f) in the case of a shop within a retail shopping centre—fails to clean, maintain or repair the retail shopping centre (including common areas),

and the lessor does not rectify the matter as soon as reasonably practicable after being requested in writing by the lessee to do so, the lessor is liable to pay the lessee reasonable compensation for loss or damage (other than nominal damage) suffered by the lessee as a consequence.

(2) In determining whether a lessor has acted unreasonably for the purposes of subsection (1)(e), due consideration is to be given to whether the lessor has acted in accordance with recognised shopping centre management practices.

(3) A retail shop lease may include a provision preventing or limiting a claim for compensation under the provisions implied by this section in respect of a particular occurrence if the likelihood of the occurrence was specifically drawn to the attention of the lessee in writing before the lease was entered into.

A disclosure statement is an appropriate means of specifically drawing the attention of the lessee to the likelihood of an occurrence.
(4) The provisions implied by this section do not apply to any action taken by the lessor—

(a) as a reasonable response to an emergency situation; or

(b) in compliance with a duty imposed by or under an Act or resulting from a requirement imposed by a public or local authority acting under the authority of an Act.

Demolition

39. (1) If a retail shop lease provides for termination of the lease on the grounds of proposed demolition of the building of which the retail shop forms part, the lease is taken to include provision to the following effect:

(a) the lease cannot be terminated on that ground unless and until the lessor has provided the lessee with details of the proposed demolition sufficient to indicate a genuine proposal to demolish that building within a reasonably practicable time after the lease is to be terminated;

(b) the lease cannot be terminated by the lessor on that ground without at least six months written notice of termination;

(c) if notice of termination on that ground is given to the lessee, the lessee may terminate the lease by giving the lessor not less than seven days written notice of termination at any time within six months before the termination date notified by the lessor.

(2) If the lease is for a term of 12 months or less, the period of six months in subsection (1)(b) and (c) is shortened in each case to three months.

(3) If a retail shop lease is terminated on such a ground and demolition of the building is not carried out within a reasonably practicable time after the termination date notified by the lessor, the lessor is liable to pay the lessee reasonable compensation for damage suffered by the lessee as a consequence of the early termination of the lease, unless the lessor establishes that at the time notice of termination was given by the lessor there was a genuine proposal to demolish the premises within that time.

Damaged premises

40. (1) A retail shop lease is taken to provide for the following if the shop or the building of which the shop forms part is damaged—

(a) the lessee is not liable to pay rent, or any amount payable to the lessor in respect of outgoings or other charges, that is attributable to a period during which the shop cannot be used under the lease or is inaccessible due to that damage;

(b) if the shop is still useable under the lease but its useability is diminished due to the damage, the lessee's liability for rent and any amount for outgoings attributable to a period during which useability is diminished is reduced in proportion to the reduction in useability caused by the damage;

(c) if the lessor notifies the lessee in writing that the lessor considers that the damage is such as to make its repair impracticable or undesirable, the lessor or the lessee may terminate the lease by giving not less than seven days notice in writing to the other and no compensation is payable in respect of that termination;
(d) if the lessor fails to repair the damage within a reasonable time after the lessee requests the lessor in writing to do so, the lessee may terminate the lease by giving not less than seven days notice in writing of termination to the lessor;

(e) paragraphs (a) to (d) do not affect a right of the lessor to recover damages from the lessee in respect of damage or destruction to which those paragraphs apply.

(2) However, a lessee is not relieved of the obligation to pay rent if the damage results from the wrongful act or negligence of the lessee or an employee or agent of the lessee unless the lessor is insured against loss of rent under an insurance policy and the lessee contributes to the insurance premium.

(3) A retail shop lease must not contain provision the effect of which is to limit a liability of a party to the lease to pay compensation to another party in respect of damage to the shop or the building of which the shop forms part.

(4) Nothing in this section prevents the parties to a lease from terminating the lease by agreement if the shop or the building of which it forms part is damaged or destroyed.

Employment restriction

41. A retail shop lease must not contain a provision that limits or has the effect of limiting the lessee's right to employ persons of the lessee's own choosing, but this section does not prevent the lease containing any one or more of the following provisions:

(a) a provision specifying minimum standards of behaviour for persons employed in the shop;

(b) a provision requiring the lessee to comply with the requirements of an industrial award or agreement (such as a construction site agreement) affecting a retail shopping centre in which the shop is situated.

Refurbishment and refitting

42. Provision in a retail shop lease requiring the lessee to refurbish or refit the shop is void unless it gives reasonable details of the nature, extent and timing of the required refurbishment or refitting.
PART 7
ASSIGNMENT AND TERMINATION

Grounds on which consent to assignment can be withheld

43. (1) The lessor is entitled to withhold consent to the assignment of a retail shop lease in any of the following circumstances (and is not entitled to withhold that consent in any other circumstances):

(a) if the proposed assignee proposes to change the use to which the shop is put; or

(b) if the proposed assignee is unlikely to be able to meet the financial obligations of the lessee under the lease; or

(c) if the proposed assignee's retailing skills are inferior to those of the assignor; or

(d) if the lessee has not complied with procedural requirements for obtaining the lessor's consent.

1. See section 45.

(2) If the lessor withholds consent to the assignment of a retail shop lease, the lessor must give the lessee a written statement of the grounds on which consent is withheld.

Premium on assignment prohibited

44. (1) A lessor must not seek or accept the payment of a premium in connection with the granting of consent to the assignment of a retail shop lease and a provision of a retail shop lease is void to the extent that it requires the payment of a premium in connection with the granting of consent to the assignment of the lease.

(2) If a lessor or a person acting on behalf of a lessor contravenes this section—

(a) the person is guilty of an offence and liable to a penalty not exceeding $10 000; and

(b) the lessee is entitled to recover from the lessor as a debt any payment made or the value of any benefit conferred by the lessee and accepted by or on behalf of the lessor in contravention of this section (whether or not the person is convicted of an offence under paragraph (a)).

(3) This section does not prevent the lessor from requiring payment of a reasonable sum for legal or other expenses incurred in connection with such a consent (but the lessee is entitled to have those expenses substantiated by the lessor before making such a payment).

The lessor and a proposed assignee may enter into a new lease of the retail shop instead of proceeding with the assignment.

Procedure for obtaining consent to assignment

45. A retail shop lease is taken to include the following provisions:

(a) a request for the lessor's consent to an assignment of the lease must be made in writing and the lessee must provide the lessor with information the lessor reasonably requires about the financial standing and business experience of the proposed assignee;
(b) before requesting the consent of the lessor to a proposed assignment of the lease, the lessee must furnish the proposed assignee with a copy of any disclosure statement given to the lessee in respect of the lease, together with details of any changes that have occurred in respect of the information contained in that disclosure statement since it was given to the lessee (being changes of which the lessee is aware or could reasonably be expected to be aware);

(c) for the purpose of enabling the lessee to comply with paragraph (b), the lessee is entitled to request the lessor to provide the lessee with a copy of the disclosure statement concerned and, if the lessor is unable or unwilling to comply with such a request within 14 days after it is made, paragraph (b) does not apply to the lessee;

(d) the lessor must deal expeditiously with a request for consent and is taken to have consented to the assignment if the lessee has complied with paragraphs (a) and (b) and the lessor has not within 42 days after the request was made given notice in writing to the lessee either consenting or withholding consent.

**Lessor may reserve right to refuse sublease, mortgage**

46. A retail shop lease may contain a provision that allows the lessor to refuse in the lessor’s absolute discretion—

(a) consent to the grant of a sublease, licence or concession for the whole or a part of the shop; or

(b) consent to the lessee parting with possession of the whole or a part of the shop; or

(c) consent to the lessee mortgaging or otherwise charging or encumbering the lessee’s interest in the lease.

**Notice to lessee of lessor’s intentions at end of lease**

47. (1) Not less than six months and not more than 12 months before the expiry of a lease, the lessor must by written notification to the lessee either—

(a) offer the lessee a renewal or extension of the lease on terms specified in the notification (including terms as to rent); or

(b) inform the lessee that the lessor does not propose to offer the lessee a renewal or extension of the lease.

(2) A notice under subsection (1)(b) may include other information about the lessor’s intentions (for example, that the lessor intends to allow the lessee to remain in possession of the shop as a periodic tenant under a provision of the lease for holding over, or as a tenant at will).

(3) An offer under subsection (1) is not capable of revocation for one month after it is made.

(4) If the lessor fails to give a notification to the lessee as required by this section and the lessee by notice in writing to the lessor given before the end of the term of the lease requests an extension of the lease under this section, the term of the lease is extended until the end of six months after the lessor gives the required notice.

(5) During an extension of the lease under subsection (4), the lessee may terminate the lease by giving not less than one month’s notice of termination in writing to the lessor.

198
(6) This section does not apply to a lease if the lessee has a right or option to renew or extend the lease.

(7) If a retail shop lease is for a term of 12 months or less, the periods of 12 months and six months in this section are shortened to six months and three months respectively.

Unlawful threats about renewal or extension of lease

48. A lessor or an agent of a lessor must not make threats to the effect that the lessor will not renew or extend the term of a lease if the lessee exercises rights under this Act.

Maximum penalty: $10 000.

Premium for renewal or extension prohibited

49. (1) A lessor must not seek or accept the payment of a premium for the renewal or extension of a retail shop lease and a provision of a retail shop lease is void to the extent that it requires the payment of a premium for the renewal or extension of the lease.

(2) If a lessor or a person acting on behalf of a lessor contravenes this section—

(a) the person is guilty of an offence and liable to a penalty not exceeding $10 000; and

(b) the lessee is entitled to recover from the lessor as a debt any payment made or the value of any benefit conferred by the lessee and accepted by or on behalf of the lessor in contravention of this section (whether or not the person is convicted of an offence under paragraph (a)).

(3) This section does not prevent a lessor—

(a) from requiring payment by the lessee of a reasonable sum for legal or other expenses incurred in connection with the renewal or extension of the lease; or

(b) from receiving payment of rent in advance; or

(c) from securing performance of the lessee's obligations under the renewed or extended lease by requiring the provision of a security bond or a guarantee from the lessee or another person; or

(d) from seeking and accepting payment for the grant of a franchise in connection with the renewal or extension of the lease.
PART 8
ADDITIONAL REQUIREMENTS FOR RETAIL SHOPPING CENTRES

Part applies only to retail shopping centres

50. This Part applies only to retail shop leases of shops in retail shopping centres and (in respect of those leases) applies in addition to the other provisions of this Act.

Confidentiality of turnover information

51. If a retail shop lease requires the lessee to provide information to the lessor about the turnover of the business of the lessee, the lessor must not divulge or communicate information provided by the lessee except—

(a) with the consent of the lessee; or

(b) in a document giving aggregate turnover information about a retail shopping centre in a manner that does not disclose information about the turnover of an individual lessee’s business; or

(c) to a court or arbitrator, or for the purposes of a mediation or valuation for the purposes of this Act or the lease; or

(d) in compliance with a requirement made by or under an Act; or

(e) to the lessor’s professional advisers (such as legal or financial advisers), or to the proper officer of a financial institution for the purpose in good faith of enabling the lessor to obtain financial accommodation; or

(f) in good faith to a prospective purchaser of the retail shop or the building of which it forms part.

Maximum penalty: $10 000.

Statistical information to be made available to lessee

52. If a retail shop lease requires the lessee to pay an amount in respect of outgoings on account of expenditure incurred in obtaining statistical information, the lease is taken to include provision that the lessor must make information so obtained by the lessor available to the lessee.

1. For example, the cost of a count undertaken at the request of the lessor to assess the extent of vehicular or pedestrian traffic.

Advertising and promotion requirements

53. (1) A provision in a retail shop lease is void to the extent that it requires the lessee to undertake advertising or promotion of the lessee’s business.

(2) Subsection (1) does not apply to a provision in a lease that requires a payment to the lessor for advertising and promotion costs incurred or to be incurred by the lessor.

Marketing plan for advertising and promotion

54. (1) If a retail shop lease requires the lessee to pay an amount to the lessor towards advertising and promotion costs, the lease is taken to include provision to the following effect:
(a) the lessor must, at least two months before the start of each accounting period of the lessor, make available to the lessee a marketing plan that gives details of the lessor's proposed expenditure on advertising and promotion during that accounting period;

(b) if such a payment relates to an opening promotion, the lessor must, at least two months before that opening promotion, make available to the lessee details of the proposed expenditure on that promotion.

(2) The lessor must consider any proposals for change made by the lessee within one month after the marketing plan is made available to the lessee.

Lessor to provide auditor's report on advertising and promotion expenditure

55. A retail shop lease is taken to include provision to the following effect:

(a) the lessor must give the lessee a written report that complies with this section and details all expenditure by the lessor in each accounting period of the lessor during the term of a retail shop lease on account of advertising or promotion costs to which the lessee is required to contribute under the lease;

(b) each report is to be given to the lessee within three months after the end of the accounting period to which it relates;

(c) the report is to be prepared by a registered company auditor (within the meaning of the Corporations Law) and is to be prepared in accordance with accounting standards (within the meaning of the Corporations Law).

Unexpended advertising and promotion contributions to be carried forward

56. A retail shop lease is taken to include provision that an amount contributed by a lessee in the shopping centre under a retail shop lease for advertising or promotion costs of the lessor and which is not spent for the purpose for which it was contributed must be carried forward by the lessor, to be applied towards future expenditure on advertising or promotion of the centre.

Relocation

57. If a retail shop lease contains provision that enables the lessee's business to be relocated, the lease is taken to include provision to the following effect:

(a) the lessor cannot require the relocation of the lessee's business unless and until the lessor has provided the lessee with details of a proposed refurbishment, redevelopment or extension sufficient to indicate a genuine proposal that is to be carried out within a reasonably practicable time after relocation of the lessee's business and that cannot be carried out practicably without vacant possession of the lessee's shop; and

(b) the lessor cannot require the relocation of the lessee's business unless the lessor has given the lessee at least three months written notice of relocation (a "relocation notice") and that notice gives details of an alternative shop to be made available to the lessee; and

(c) the lessee is entitled to be offered a new lease of the alternative shop on the same terms and conditions (excluding rent) as the existing lease except that the term of the new lease is to be for the remainder of the term of the existing lease; and
(d) if a relocation notice is given, the lessee may terminate the lease within one month after the relocation notice is given by giving written notice of termination to the lessor, in which case the lease is terminated three months after the relocation notice was given unless the parties agree that it is to terminate at some other time; and

(e) if the lessee does not give a notice of termination under paragraph (d), the lessee is taken to have accepted the offer of a lease unless the parties have agreed to a lease on some other terms; and

(f) the lessee is entitled to payment by the lessor of the lessee's reasonable costs of the relocation, including legal costs.\(^2\)

1 Paragraph (c) only specifies the minimum entitlements that the lessee can insist on. It does not prevent the lessee from accepting other arrangements offered by the lessor when the details of a relocation are being negotiated.

2 This section does not prevent the parties negotiating a new lease for the purpose of relocating the lessee. Paragraph (f) only specifies the minimum entitlements that the lessee can insist on and the parties can come to some other arrangement for the payment or sharing of the lessee's relocation costs when the details of a relocation are being negotiated.

**Termination for inadequate sales prohibited**

58. A retail shop lease must not contain a provision that permits or otherwise provides for the termination of the lease on the ground that the lessee or the business of the lessee has failed to achieve a particular level of sales or turnover.

**Geographical restrictions**

59. (1) A retail shop lease must not contain a provision which has the effect of preventing or restricting the lessee from carrying on business outside the retail shopping centre, either during the term of or after the expiry of the lease.

(2) This section does not operate to prevent a lease or other agreement from containing a provision that prevents the use of the name of the retail shopping centre in connection with a business carried on outside the shopping centre.

**Associations representing lessees**

60. (1) A retail shop lease must not contain a provision that has the effect of preventing or restricting the lessee from joining, forming or taking part in the activities of an association to represent or protect the interests of lessees.

(2) A lessee is entitled to be accompanied by a member or officer of such an association when conducting negotiations with the lessor but, if the retail shop is in a shopping centre, the member or officer of the association must not be a lessee of another shop in the same shopping centre.

**Trading hours**

61. (1) A retail shop lease may only regulate trading hours if—

(a) the shop is within an enclosed shopping complex; and

(b) the lease does not reduce the trading hours for which the shop is permitted to be open for trade to less than 50 hours per week; and
(c) the core trading hours (i.e. the hours for which the shop is required to be open for business)—

(i) do not exceed 65 hours a week; and

(ii) have been approved in a secret ballot, conducted in accordance with the regulations, by a majority of at least 75% of the votes cast.

(2) In the ballot, the lessor is entitled to one vote and the lessee of each retail shop affected by the proposal to be decided by the ballot is entitled to one vote in respect of that shop.

(3) A retail shop lease for a shop that is required to be open for business during core trading hours is void to the extent that it requires the lessee to pay, or pay a contribution towards, the costs of operating the shopping complex outside core trading hours when the lessee's shop is not open for trading.

(4) If a retail shop—

(a) is within an enclosed shopping complex; but

(b) public access to the shop is not limited to access through the common area,

the lessee may apply to the lessor for exemption from the provisions of the retail shop lease regulating trading hours.

(5) On receiving a written application for an exemption under subsection (4), the lessor must not unreasonably withhold the exemption (but it may be granted on reasonable conditions).

Special provision for strata shopping centres

62. If a retail shop is a strata unit under the Strata Titles Act 1988, and the shop is subject to a retail shop lease, this Act applies with necessary modifications (and also any modifications prescribed by regulation) to requirements, limitations and restrictions imposed under the articles of the strata corporation as if they formed part of the lease.
PART 9
DISPUTE RESOLUTION

DIVISION 1—MEDIATION

Responsibility of the Commissioner to arrange for mediation of disputes
63. The Commissioner is responsible for making arrangements to facilitate the resolution of disputes between parties (or former parties) to retail shop leases.

Mediation of disputes
64. (1) A party (or former party) to a retail shop lease may apply to the Commissioner for mediation of—

(a) a dispute arising from, or related to, the lease; or

(b) a dispute related to any other matter relevant to the occupation of the premises or to a business conducted at the premises.
