An Act to amend The Municipal Tramways Trust Acts, 1906 and 1918, and for other purposes.

[Assented to, December 14th, 1927.]

BE it Enacted by the Governor of the State of South Australia, with the advice and consent of the Parliament thereof, as follows:—

1. (1) This Act may be cited alone as the "Municipal Tramways Trust Act Amendment Act, 1927."

(2) The Municipal Tramways Trust Acts, 1906 and 1918, and this Act may be cited together as the "Municipal Tramways Trust Acts, 1906 to 1927."

(3) The Municipal Tramways Trust Act, 1906, is hereinafter referred to as "the principal Act".

2. This Act is incorporated with the other Acts mentioned in section 1 of this Act, and those Acts and this Act shall be read as one Act.

3. Part VI. of the principal Act is hereby repealed.

4. The sum of £252,777 11s. 1d. which was the net amount due to the Treasurer by the Trust on the thirty-first day of July, nineteen hundred and twenty-seven, on account of advances in respect of the "cost of purchase" as defined by section 36 (a) of the principal Act, is hereby transferred to the Treasurer.
principal Act and interest thereon, and the sum of £2,280,504 13s. 1d.,
which was the net amount due as aforesaid on the thirty-first day of July, nineteen hundred and twenty-seven, on account of advances in respect of the "cost of construction" as defined by section 36(b) of the principal Act (as amended by subsection (d) of section 4 of the Port Adelaide Electric Tramways Act, 1912) and interest thereon shall be repaid to the Treasurer with interest calculated as from the said thirty-first day of July, nineteen hundred and twenty-seven, on the unpaid balance thereof for the time being in manner hereinafter set out.

5. (1) The Trust shall forthwith after the passing of this Act issue debentures in favor of the Treasurer in respect of the said amount of £252,777 11s. 1d., and further debentures in favor of the Treasurer in respect of the said amount of £2,280,504 13s. 1d.

(2) The debentures shall be for the respective amounts set out in the Schedule to this Act, and shall have such currency and bear interest at such rates as are specified in the said Schedule. Interest on the debentures shall be payable half-yearly on the thirty-first day of January and the thirty-first day of July in each year.

(3) Each such debenture shall make provision for the payment by the Trust to the Treasurer on the thirty-first day of January and the thirty-first day of July, in every year, of a contribution to a Sinking Fund at the rate of Seven Shillings and Sixpence per centum per half year of the capital moneys for the time being owing under such debenture until the first day of August, nineteen hundred and twenty-eight, and thereafter at such rate as Parliament provides.

(4) The debentures shall secure the repayment by the Trust to the Treasurer of the capital moneys and interest thereon as hereinbefore provided, and such capital moneys together with such interest are hereby charged on the assets of the Trust in favor of the Treasurer.

6. (1) The Treasurer is authorised to pay to the Trust any further moneys required for the purpose of doing anything authorised by the Municipal Tramways Trust Acts, 1906 to 1927, and such moneys shall be "cost of construction moneys" for the purposes of the said Acts.

(2) The Treasurer may raise any moneys intended to be paid to the Trust under this section by the issue and sale of Inscribed Stock or other securities. Such Inscribed Stock or other securities shall bear interest at such rate and be of such currency and be issued at such price as the Treasurer thinks fit; and the principal and interest of any such stock or other security shall be payable to the holder thereof at such place and at such times as are provided in such stock or other security.

(3) Debentures shall be issued by the Trust in respect of all such further "cost of construction moneys" and the provisions of subsections (2), (3), and (4) of section 5 of this Act shall apply, mutatis mutandis, to every such debenture.
(4) The amount for which such debentures are issued shall include the amount which the Treasurer certifies to the Trust in writing to be the fair cost of raising such moneys and such debentures shall have such currency and bear interest at such rate as the Treasurer certifies in writing to be the currency and rate of interest applicable for the time being to South Australian Inscribed Stock issued to ordinary investors.

7. When any debenture issued under this Act matures and is not paid off the Trust shall issue and the Treasurer shall accept in lieu thereof another debenture for the same amount having such currency and bearing interest at such rate as the Treasurer certifies in writing to be the currency and rate of interest applicable for the time being to South Australian Inscribed Stock issued to ordinary investors.

8. (a) The Treasurer shall certify in writing to the Trust the fact that such different classes of stock are offered to ordinary investors and what is the rate of interest and currency of each class; and

(b) The Trust shall elect what rate of interest and currency, being the rate of interest and currency applicable to one of the classes of stock certified as aforesaid, shall apply with respect to the said debentures, and the rate and currency so chosen shall apply accordingly.

9. (1) All moneys received by the Treasurer by way of Sinking Fund contributions under any debenture shall be paid to the Public Debt Commission appointed under the Sinking Fund Act, 1924.
