(f) such other terms, covenants, and conditions as are specified in the notice, for the purpose of ensuring the proper working of the land, and for preventing any cleared parts thereof from reverting to scrub.

(2) Any lease or agreement granted pursuant to any such notice may contain any such terms and covenants as aforesaid.

(3) No land shall be allotted under a lease or agreement containing the terms and covenants prescribed by this section, unless the Land Board is satisfied that the proposed allottee has sufficient capital, over and above the amounts to be expended under this section on preparing the land, to enable him to work the land successfully.

23b. (1) Subject to subsection (2) of this section the Commissioner may do all things necessary to carry out the obligations imposed on him by the terms, covenants, and conditions of any lease or agreement entered into pursuant to section 23a.

(2) All work required to be done by the Commissioner in connection with the clearing and cultivation of land comprised in any such lease or agreement shall be done under contracts made between the Commissioner and independent contractors, and before entering into any such contract the Commissioner shall by advertisement in a daily newspaper call for tenders for the work to be done.

(3) The cost of any such work shall be defrayed out of moneys to be provided by Parliament for the purpose.

24. Every application for any such land shall be made to the Commissioner in writing, giving the name, address, and occupation of the applicant, and specifying the land applied for.

25. (1) Every application for a perpetual lease shall be accompanied by an amount equal to twenty per centum of the first year's rent (if any), as notified in the Government Gazette: Provided that if twenty per centum of the said first year's rent is less than one pound no amount need be forwarded with the application.

(2) Every application for an agreement shall be accompanied by an amount equal to the first half-yearly instalment payable under the agreement whether of principal, interest, or both.

(3) If no rent or instalment of interest or principal is payable for the first four years of the lease or agreement applied for the application shall be accompanied by a deposit equal to the prescribed fee for the lease or agreement.
26. All applications shall forthwith be referred by the Commissioner to the board, unless the land is withdrawn from leasing or sale.

27. (1) All applications for the same land received up to and on the date named for receiving the same shall be dealt with as simultaneous applications. After that date all applications received on one and the same day for land not before applied for shall be considered and dealt with in like manner.

(2) Simultaneous applications may be decided by lot by the chairman of the board where any difficulty arises in deciding the successful applicant.

(3) Subject to the provisions of section 28 as to personal residence, whenever the number of simultaneous applications for the same lands is not more than three, or is reduced by the board to not more than three, and the qualifications and claims of the applicants are in the opinion of the board equal, then the applications shall be publicly decided by the chairman of the board by lot.

28. The board shall, unless there is in their opinion good cause to the contrary, give preference to the applicant who agrees to take the block on condition of personal residence, and every lease or agreement granted to him shall contain a covenant to reside on the land for nine months in every year. Where the preference is given to an applicant who does not intend to reside on the block the reasons of the board for allotting the land shall be given.

29. The Commissioner, upon receipt thereof, shall cause to be published in the Government Gazette the names of the successful applicants, the particulars of the lands allotted to them, and the rent or price payable in each case.

30. If no application is made within three months from the date on and after which any lands were last declared to be open under this Part, or if all applications received before the lands are again offered on lease or agreement as herein provided are rejected or refused, the Commissioner may offer the lands at such reduced rent or purchase-money as he, with the advice of the board, deems proper.

31. (1) No lease or agreement for Crown lands shall be granted to any person—

(a) of lands the unimproved value of which exceeds five thousand pounds; or
(b) so that the lessee or purchaser would hold lands under any tenure (except pastoral leases and miscellaneous leases and except lands within the limits of any city or town) the aggregate unimproved value whereof would, in the opinion of the board, exceed five thousand pounds,

except where the land to be included in the perpetual lease or agreement is, in the opinion of the Commissioner, suitable only for pastoral purposes; and in that case the lease or agreement shall not be granted if the carrying capacity of the lands unimproved and of all other lands held by the lessee or purchaser under any tenure would altogether exceed five thousand sheep, or, if the land is outside Goyder's line of rainfall, ten thousand sheep.

(2) In any case where the Commissioner is of opinion that in the special circumstances it is desirable so to do, he may, on the recommendation of the board, direct that a lease or agreement for Crown lands may be granted to a lessee or purchaser who holds or would then hold lands in excess of the unimproved value aforesaid, but in no case shall the unimproved value of the land included in any lease or agreement so granted, or, if more than one such lease or agreement is granted, in all such leases and agreements, exceed five hundred pounds.

32. Any municipal corporation or district council may apply for and obtain lands under lease or agreement under this Part.

DIVISION III.—PERPETUAL LEASES.

33. The board, in fixing the rents to be paid under any perpetual lease except—

i. a lease to which the Commissioner directs that section 48 shall apply; or

ii. a lease granted by virtue of section 199; or

iii. a lease granted under any provision of Part XI.; or

iv. in any case where the Commissioner directs to the contrary,

shall, as nearly as practicable and subject to section 47, fix the same for the first three years according to the following scale:—

For the first year, one-fifth of the amount which but for this section would be payable annually;

for the second year, one-third of the said amount; and

for the third year, two-thirds of the said amount.

35. A perpetual lease shall vest the land leased in the lessee in perpetuity, and shall contain the provisions for rent and the reservations, covenants, and conditions set forth in the third schedule, subject to such modifications thereof or additions thereto as are required for giving effect to the provisions of this Act, or as the Governor thinks fit, and shall also contain such other provisions as the Governor thinks fit, together with a right of re-entry, and shall be read and construed as if any reservations, covenants, and conditions in the form in the third schedule had been expressed in the extended form in the fourth schedule, and the lessee and all persons entitled to any benefit of the lease shall be bound thereby.

36. (1) The Commissioner shall determine whether the covenant to clear land contained in a lease, as the meaning of that covenant is set forth in the fourth schedule, has been complied with in any case, and if his decision is disputed by the lessee the matter shall be determined by arbitration in manner provided by section 289.

(2) Land shall be deemed to have been cleared for cultivation or so as to improve the grazing capacity thereof only when it has been rendered free from substantially the whole of the scrub growth thereon.

37. All perpetual leases not subject to revaluation of rent shall be liable to the land tax, and the rent originally reserved shall be payable during the whole of the term.

38. The rent for each period of fourteen years (except the first such period) of a perpetual lease, subject to revaluation, shall be fixed by the board at least twelve months before the expiration of the next preceding period of fourteen years thereof.

39. In revaluations of rent under perpetual leases the value of the improvements made by the lessee shall not be considered.

40. Notice of the amount of revaluation shall forthwith be given by the Commissioner to the lessee.
41. (1) In case the lessee does not, within the period of six months after notice of any revaluation, signify to the Commissioner his willingness to pay the same, his lease shall determine at the expiration of the then current period of fourteen years of his lease, subject however to the provisions of subsections (3), (4), and (5) hereof.

(2) In case the lease is to determine under subsection (1) hereof, then after the expiration of the said period of six months the land comprised in the lease shall be offered in one or more blocks under this Part at the rental fixed by the board; and the improvements made by the outgoing lessee shall be paid for by the incoming tenant to the Commissioner at a price to be fixed by the board; and the amount so paid shall be paid by the Commissioner to the outgoing lessee, less any amount that may be due by him under the determined lease.

(3) If the land comprised in the lease, or any part of that land, has not been taken on perpetual lease or agreement when offered pursuant to subsection (2) hereof, the Commissioner may receive the lessee’s signification of his willingness to pay the rent fixed under section 38 at any time not being later than two months from the determination of the lease.

(4) Any lease in respect of which the Commissioner exercises the power conferred by subsection (3) hereof shall, notwithstanding its previous determination, be deemed to have continued without interruption of the term thereof.

(5) Where part of the land has been taken when offered as mentioned in subsection (3) hereof, subsections (3) and (4) hereof shall apply only in respect of the part not so taken.

DIVISION IIIA.—PERPETUAL LEASES OF TOWN LANDS IN WHYALLA.

41a. (1) The Commissioner may, by notice in the Gazette, offer any specified blocks of town land in the town of Whyalla on perpetual lease.

(2) The Commissioner shall not give notice as aforesaid in respect of any blocks unless the board recommends that it is desirable that those blocks should be used as sites for dwelling-houses.

(3) The notice shall set forth—

(a) the blocks to be leased:

(b) the rent of each block as fixed by the board, which rent shall not be subject to revaluation:
(c) any obligations, duties, or restrictions to be imposed on the lessee in relation to the use of the land, the erection of buildings or carrying out of other improvements thereon, or personal residence on the land by the lessee:

(d) a day, not earlier than one month after the publication of the notice in the Government Gazette before which applications for the blocks mentioned in the notice must be made.

41b. The provisions of sections 24 to 30 inclusive of this Act shall apply to applications for and the allotment of town lands under this Division.

41c. (1) Subject to this section every perpetual lease of town land in the town of Whyalla shall be in such form and contain such terms, covenants, and conditions as the Commissioner approves on the recommendation of the board.

(2) Without restricting the generality of subsection (1) of this section, it is declared that such covenants and conditions may provide—

(a) that the lessee shall, during such time as is specified in the lease, personally reside upon the land comprised in the lease:

(b) that the lessee shall, within such time as is specified in the lease, erect a dwelling-house on the said land in accordance with plans and specifications to be approved by the Commissioner, and that the lessee will not without the consent in writing of the Commissioner erect on the said land any other premises:

(c) that the lessee shall not transfer, mortgage, sublet, or otherwise dispose of the said land except in accordance with such conditions as are set out in the lease.

(3) The Commissioner may, on the recommendation of the board, and if he thinks that special circumstances exist which justify him in so doing, exempt a lessee from the obligation to comply with any such covenant as mentioned in subsection (2).

41d. (1) Any lessee holding town land in the town of Whyalla under perpetual lease may apply to the Commissioner for the right to surrender to the Crown the whole or any part of that land and to purchase the fee simple of the land so surrendered.
(2) If the Commissioner is satisfied that the covenants and conditions of the lease have been complied with, or that, although the covenants and conditions have not been complied with it is expedient to absolve the lessee from compliance therewith, either upon conditions or otherwise, the Commissioner shall refer the application to the board.

(3) If the board considers that the application should be granted it shall fix the price at which the fee simple of the land may be purchased; and the lessee may thereupon surrender the land and purchase the fee simple thereof at the price fixed by the board.

(4) The Governor shall, upon payment of the said price, issue to the purchaser a grant of the fee simple of the surrendered land.

41e. The following sections of this Act shall apply *mutatis mutandis* to perpetual leases of town lands in the town of Whyalla in the same way as they apply to perpetual leases of other lands, namely, sections 32, 34, 37, 47, 52, 53, 54 to 64 inclusive, 66, 204b, 205, 206, 208a, 217, 218, 219, 222, 223, 224.

**DIVISION IV.—AGREEMENTS (UNDER THIS PART).**

42. (1) In every agreement under this Part the purchaser shall covenant—

(a) to purchase his block at the price fixed by the board; and

(b) except in a case where section 48 applies, to pay the purchase-money and interest for land and improvements, if any, at not less than the rate of two pounds per centum per annum by sixty equal half-yearly instalments, which instalments shall be paid in advance: Provided that if the Commissioner on the recommendation of the board so approves, the covenant for payment of purchase-money and interest may be as follows:—

(i.) For the first four years the purchaser shall pay in advance half-yearly instalments of interest only on the purchase-money, but no instalments of principal, and that interest shall be at the following rates:—

For the first year at one-fifth of the full rate of interest provided for in the agreement;

For the second year at one-third of the said full rate:
For the third year at two-thirds of the said full rate:

For the fourth year at the said full rate.

(ii.) During the subsequent thirty years the purchaser shall pay the purchase-money with interest thereon at the full annual rate provided for in the agreement in sixty equal half-yearly instalments of principal and interest, and the instalments shall be payable in advance.

(2) Notwithstanding subsection (1) hereof or anything contained in the agreement, the purchaser, having complied with the terms and conditions of his agreement, shall have the option of completing the purchase of his block at any time after the expiration of six years on paying the balance of the purchase-money and all interest due up to the time of purchase.

43. Where land is allotted on personal residence the agreement shall contain a covenant for personal residence by the purchaser on the lands purchased for nine months in every year.

44. (1) The agreement shall contain all the conditions, covenants, and provisions set forth in the fifth schedule, subject to such modifications thereof or additions thereto as are required for giving effect to the provisions of this Act.

(2) In filling up the blank spaces in the form of covenant to clear land contained in the fifth schedule, the following directions shall be followed:—In the first, second, and third spaces there shall be inserted an area equal to one-eighth of the area which is to be cleared, as specified in the notice in the Government Gazette declaring that the lands in question may be applied for on agreement. In the fourth space there shall be inserted an area equal to the total area to be cleared.

45. (1) The Commissioner shall determine whether the covenant to clear land contained in an agreement has been complied with in any case, and if his decision is disputed by the purchaser, the matter shall be determined by arbitration in manner provided by section 289.

(2) Land shall be deemed to have been cleared for cultivation or so as to improve the grazing capacity thereof only when it has been rendered free from substantially the whole of the scrub growth thereon.

46. (1) An agreement shall be liable to forfeiture if any instalment thereunder is in arrear for six months, the purchaser having had at least three months previous notice in writing demanding its payment, or if any breach is made of the terms and conditions of the agreement.

(2) Upon any such forfeiture the right, interest, or claim, either at law or in equity, of the purchaser in and to the lands included in the forfeited agreement, and to any moneys paid on account of his purchase, shall be absolutely determined, and the lands may be dealt with as the Commissioner may determine.

PART VI.

PROVISIONS APPLICABLE TO PERPETUAL LEASES AND AGREEMENTS.

47. (1) Notwithstanding anything in this Act, the annual rent under a perpetual lease, or a half-yearly instalment under an agreement, shall in no case be less than five shillings.

(2) In no case shall the purchase-money under an agreement be increased by reason of subsection (1) hereof, and where necessary in order that this subsection and the said subsection (1) may be complied with, the number of instalments shall be reduced; and notwithstanding that all the instalments of purchase-money may have been paid before the expiration of the period of six years fixed by section 42, section 48, or section 174, the purchase shall not be completed before the expiration of that period.

48. (1) The following provisions shall apply to every agreement (except an agreement under Part X.) and perpetual lease to which the Commissioner directs that this section shall apply, namely:—

1. No instalment or rent shall be payable for the first four years of the term:

2. From the end of the fourth to the end of the tenth year of the term, instalments or rents shall be paid, and the said instalments or rents shall be at the rate of two per centum per annum on the value of the land as stated in the advertisement in the Government Gazette declaring the land open for application. In the case of an agreement the instalments paid for the years mentioned in this subdivision shall be regarded as interest only, and not as part of the purchase-money:

iii. From the end of the tenth year of the term, the interest included in the instalments, or the rent (as the case may be), shall be at the rate of four per centum per annum on the value stated as mentioned in subdivision II. hereof.

iv. The agreement shall be for a term of forty years, and the purchase-money shall be paid by sixty half-yearly instalments, at the rate of two pounds sixteen shillings and five pence for every one hundred pounds of the purchase-money, payable during the last thirty years thereof; so that from the end of the tenth year of the term the instalments shall include purchase-money in addition to interest as provided by subdivision iii. of this subsection:

v. All instalments or rents shall be payable in advance;

vi. The purchaser under the agreement, having complied with the terms and conditions of his agreement, shall have the option of completing the purchase at any time after the expiration of the first six years of the term, on payment of the purchase-money, or the balance thereof, with interest, at the rate or rates charged by the agreement, on the purchase-money or on the balances thereof from time to time remaining unpaid, from the commencement of the term to the date of payment:

vii. Notwithstanding anything in this section, if the purchaser or lessee transfers his agreement or lease before the end of the tenth year of the term, instalments or rent shall, if the Commissioner on the recommendation of the board so directs, be paid as from the time of the allotment of the land or any subsequent time not later than the time when the transfer takes effect; and, in the case of an agreement, the instalments shall be at the rate of four per centum per annum on the value stated as mentioned in subdivision ii. hereof until the end of the said tenth year, and, in the case of a lease, the rent shall be as provided by subdivision iii. hereof.

(2) In the case of any agreement or perpetual lease to which the Commissioner has directed that this section shall apply, where, in the opinion of the Commissioner, the enforcement of the provisions of the agreement or lease as to payment of instalments or rent would inflict great hardship upon the holder of the agreement or lease, the Commissioner may, by notice given to the holder, extend the period during which, under the agreement or lease, no instalment or rent is to be payable, for such further period, not exceeding four years, as he thinks fit.
(3) Upon the giving of any notice of extension, as mentioned in subsection (2) hereof, the said period shall be extended in accordance with the said notice, and all dates and periods mentioned in the agreement or lease shall be postponed and, in the case of an agreement, the term shall be extended according to the period of the extension. The agreement or lease shall be construed so as to give effect to this subsection, and shall be binding on the parties as so construed.

49. (1) Subject to subsection (6) hereof, in the case of any agreement (except an agreement under Part X. of the Crown Lands Act, 1903) or perpetual lease, entered into or granted before the nineteenth day of November, nineteen hundred and fourteen, to which the Commissioner, on the recommendation of the Surveyor-General, directs that this section shall apply, the board shall revalue the land comprised in the agreement or lease, and fix the purchase-money or annual rent for the purposes of an agreement or lease to be entered into or granted pursuant to this section.

(2) When the board has fixed the purchase-money or annual rent pursuant to subsection (1) hereof, the purchaser or lessee may surrender his agreement or lease in exchange for an agreement or perpetual lease to be entered into or granted in accordance with the provisions of section 48 of this Act at the purchase price or annual rent fixed as aforesaid: Provided that—

i. the surrender shall have no effect unless or until accepted by the Commissioner, who may, in his discretion, accept or reject the surrender in the name and on behalf of His Majesty:

ii. only an agreement may be obtained in exchange for a surrendered agreement, and only a lease may be obtained in exchange for a surrendered lease.

(3) The term of the new agreement or the new lease shall commence on the date of the commencement of the term of the surrendered agreement or lease.

(4) When an agreement or lease has been obtained pursuant to this section, the amount of the instalments or rents (as the case may be) theretofore paid under the surrendered agreement or lease shall be credited against the instalments or rents (as the case may be) which have already fallen due in accordance with the new agreement or lease; and if there is any surplus, it shall be credited against the future instalments or rents.

(5) If the agreement or lease to be surrendered is subject to a mortgage, the provisions of section 224 shall apply.
(6) This section shall not apply to any agreement or lease of land situate within any of the following hundreds, namely, the Hundreds of Pygery, McLachlan, Wannamana, Wudinna, and Yaninee, and such other hundreds as the Commissioner directs.

50. (1) In the case of any agreement (except an agreement under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act) or perpetual lease, or lease with right of purchase, the Commissioner may, if he is satisfied that the purchase-money or rent (as the case may be) is too high, make such (if any) reduction thereof as, after reference by the Commissioner to the board, is recommended by the board.

(2) Every reduction of purchase-money or rent under this section shall take effect from such date as the Commissioner in each case determines and every reduction of rent may be for such period as the Commissioner in each case determines.

(3) The Commissioner may also in his discretion and for such period as he thinks fit reduce the interest payable under any agreement (except an agreement under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act).

(4) Notice in writing of any such reduction shall be given to the purchaser or lessee who may, within two months after the giving of the notice, appeal in writing to the Commissioner for a further reduction; whereupon the Commissioner may make such (if any) further reduction as is recommended by the board.

(5) Notice in writing of the Commissioner's decision on the said appeal shall be given to the purchaser or lessee.

(6) If no appeal is made in the manner and within the time prescribed by subsection (4) hereof, then from the expiration of the said time, or if any appeal is so made, then from the day whereon the notice required by subsection (5) hereof is given—

(a) the agreement or lease shall be construed so as to give effect to the reduction, or further reduction (as the case may be) made as aforesaid, and shall be binding on the parties accordingly; and

(b) the instalments or rents fixed by the agreement or lease shall be adjusted as may be necessary to give effect to the reduction, or further reduction (as the case may be) and any amounts shown, as the result of the adjustment, to have been overpaid shall be credited against the liability to future payments.
(7) The powers of the Commissioner under this section may, in the case of any such agreement or lease as is hereinbefore referred to, be exercised from time to time as the Commissioner thinks fit, notwithstanding that one or more reductions have already been made by the Commissioner in respect of the same agreement or lease and notwithstanding that no appeal for a further reduction has been made to him.

50a. (1) In any case of an agreement (except an agreement under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act) the Commissioner may direct the board to consider whether an extension of the term of the agreement should or should not be granted under this section.

(2) The board shall thereupon consider the matter, and—

(a) may recommend that the term be extended for such period (if any) as the board thinks fit, but not so as to extend it beyond sixty-five years from the commencement thereof as fixed by the agreement:

(b) for the purpose of fixing the amounts of the instalments under paragraph (c) hereof may capitalize, and add to the purchase-money, the whole or any part of such amounts of any instalments then in arrear as represent interest:

(c) if the board recommends an extension, shall fix the instalments of purchase-money to be paid during the remainder of the term (as so extended) and for such purpose may fix the instalments so that the balance of the purchase-money and any arrears of interest capitalized as aforesaid, together with interest thereon, shall be paid in equal instalments throughout the balance of the said term so extended, or may fix the instalments at such amount as would be necessary to pay the purchase-money and interest thereon in equal instalments if the instalments were spread over the whole term of the agreement as so extended from the time when instalments of principal were first payable.

(3) If the Commissioner approves of the recommendations of the board he may grant the extension on the terms recommended, and from the time when notice in writing stating the period of the said extension and the terms on which it is granted is given to the purchaser, the agreement shall be construed so as to give effect to the said extension and terms, and shall be binding on the parties as so construed.
PART VI.

Land suitable for pastoral purposes only.
Preparation and execution of lease or agreement.
Substituted by 40, 1939, s. 6.

(4) Except so far as may be necessary to give effect to this section, the agreement shall not be affected by anything in or done under this section; and the terms, covenants, conditions, and provisions thereof shall continue in force subject to any variations which may be necessary to give effect to this section.

51. In respect of any lands which, on account of deficiency of rainfall, are, in the opinion of the board, only suitable for pastoral purposes, the rent shall be fixed at pastoral rates; and, in fixing the said rents, the board shall have regard to the rates of rental of pastoral lands under similar conditions of soil and climate.

52. (1) As soon as conveniently may be after land offered on lease or agreement is allotted to any person, under any provision of this Act, or any other Act incorporated with this Act, or any person becomes entitled to a lease or agreement pursuant to any surrender which has been accepted, the Commissioner shall cause a lease or agreement, as the case may be, to be prepared in triplicate, and shall forward it to that person or his agent.

(2) The said person shall within twenty-eight days after receipt of the lease or agreement or within such further time as the Commissioner allows, execute the lease or agreement and return it to the Commissioner, together with the first year's rent or instalment (if any), and the prescribed fees or the unpaid balances thereof.

(3) If any person fails to comply with subsection (2) of this section, the Commissioner may by notice in writing, served on him personally or by post, declare that he has forfeited all moneys paid by him and his right to a lease or agreement, and the Commissioner may thereafter re-offer or deal with the land comprised in the lease or agreement as unallotted Crown lands.

53. (1) The Commissioner, on giving three months notice to any lessee or purchaser, may resume lands included in the lease or agreement for roads, railways, tramways, sites for towns, park lands, mining purposes, or for any public purpose whatsoever.

s. 53. B. v. SOUTH-EASTERN LAND BOARD; ex relatione BOWMAN, 4th December, 1893, S.A. Register (newsp.) 6 Austin. Digest 935. As to the construction of a lease, where a condition for resumption therein included does not coincide with the provisions of the Act. As to the proper proceedings to prevent the Commissioner from resuming land. Construction of "purpose of public utility."
(2) The lessee or purchaser shall be entitled to compensation for any loss sustained by the said resumption. As to leases granted before the twenty-third day of December, eighteen hundred and ninety-three, the compensation shall, in case of dispute, be determined by the board, or, at the option of the lessee, as provided by section 289 of this Act. As to other leases and as to agreements, the compensation shall, in case of dispute, be determined by the board, or, at the option of the Commissioner, or of the lessee or purchaser, as provided by the said section 289.

(3) Nothing in this section shall affect or apply to the exercise of any power given to the Governor by the Mining Act, 1930.

54. Every lease and every agreement shall contain a reservation to the Crown of all gold, silver, copper, tin, and other metals, all ores and other substances containing metals, all minerals, and all gems and precious stones, coal, and mineral oil upon, in, or under the lands comprised in the lease or agreement.

55. The Commissioner and his authorised agents may at all times enter upon lands comprised in any grant, agreement, or lease to search and mine for minerals on the said lands and remove therefrom any minerals or other things reserved and belonging to the Crown.

56. (1) Where damage is sustained by the owner, lessee, or purchaser of any lands, through the holder of a mining lease or licence, or his agent or servant, searching for, mining, or removing minerals, compensation shall be made to the said owner, lessee, or purchaser by the said holder for the damage so sustained.

(2) If the amount of the compensation claimed at any one time—

(a) does not exceed twenty pounds the compensation shall be recoverable in a summary way before a court of summary jurisdiction, which shall assess the amount of compensation on the hearing of the complaint;

(b) exceeds twenty pounds, the claim shall be submitted in writing to the board, and the amount of compensation shall be assessed by the board,

or, in either case, the amount of compensation may be assessed in manner provided in section 289; Provided that the mining lessee or licensee shall, if the amount is to be
assessed in the last-mentioned manner, nominate one arbitrator in lieu of the Commissioner nominating one as provided in the said section.

57. Any person who has a lease or agreement, may, with the consent of the Commissioner, at the end of six years from the date of his lease or agreement, sublet the whole or any part of the land included in his lease or agreement for a period not exceeding three years, and on such terms as he may think fit, within the terms of the lease or agreement.

58. If the rent or any principal instalment or interest, payable under any lease or under any agreement for the sale of Crown lands granted or made under the authority of any Crown Lands Act, is not paid—

(a) on or before the day appointed for payment thereof, a penalty of five per centum may be added to the said rent, instalment, or interest:

(b) within one month after the day appointed for the payment thereof, together with any penalty added under subdivision (a) hereof, a further penalty of ten per centum may be added:

(c) within one month after the month mentioned in subdivision (b) hereof, the same, together with such penalty as aforesaid, shall be recoverable by the Commissioner by action in his own name in any court of competent jurisdiction.

59. (1) Where the rent of any lands or any money due under any agreement or loan agreement is in arrear for six months after the same is due, the lessee or purchaser (as the case may be) having had at least three months previous notice in writing demanding its payment, or where there has been a breach of any of the covenants or conditions contained in or implied by any such lease or agreement, the Commissioner may cancel the lease or agreement, and may thereupon insert a notice in the Government Gazette declaring the lease or agreement to be forfeited.

(2) Every such notice shall be taken to be prima facie evidence that the lease or agreement therein mentioned was legally cancelled and forfeited.

(3) The land comprised in any such lease or agreement may be dealt with in all respects as if the lease or agreement had never been granted.

s. 59. LAFFER V. GILLEN (1924) S.A.S.R. 514, reversing GILLEN V. LAFFER (1924) S.A.S.R. 170. Held that the section is of general application and not limited to agreements under Part V. and that it applies to agreements under the Discharged Soldiers Settlement Act, 1934-1935. As to the form of demand and burden of showing that an agreement is not legally cancelled.
60. (1) In any case in which the Commissioner has power, under section 59, to cancel a lease or agreement, he may, instead of exercising that power, by notice in writing to the lessee or purchaser, impose a penalty of such sum as is fixed by the board in the particular case.

(2) Any penalty imposed under this section shall be recoverable in the same manner as rents or instalments under the lease or agreement (as the case may be) are recoverable when in arrear.

61. (1) In lieu of the forfeiture under section 59 of any agreement or lease, the Commissioner may, after two weeks' notice in the Government Gazette, offer the defaulting purchaser’s or lessee’s interest in the agreement or lease for sale by auction.

(2) If at the said offering the said interest is not sold, then the agreement or lease (as the case may be) may at any time thereafter be transferred by the Commissioner to any applicant at the upset price or rental fixed at the sale; and if there are more applicants than one, the transferee shall be decided by lot.

(3) Out of any premium paid at the sale, or for the transfer (as the case may be), after deducting therefrom all expenses attending the sale or offering, and all moneys then due by the defaulting purchaser or lessee to the Crown, the defaulting purchaser or lessee may be paid the value of any substantial improvements, consisting of buildings, fencing, dams, tanks, wells, clearing, cultivating, and planting, made by him on the land, which permanently increase the capital value thereof, and also all purchase-money paid by him, apart from interest, excepting thereout the first instalment.

(4) After notice has been given under subsection (1) hereof, the defaulting purchaser’s or lessee’s interest shall not be withdrawn from sale unless the said purchaser or lessee has paid to the Commissioner such penalty as is imposed by the Commissioner, in addition to the upset price at which his said interest was, or was to be, offered.

(5) The Commissioner may, in exercising the power to sell or transfer a defaulting purchaser’s or lessee’s interest in any agreement or lease conferred by this section, exercise any such power with respect to the whole or, from time to time, with respect to any part or parts of the land comprised in the agreement or lease, as he thinks fit.

(6) All the provisions of this Act with respect to the sale or transfer of the defaulting purchaser’s or lessee’s interest in the agreement or lease shall, mutatis mutandis, apply to the sale or transfer of his interest in part only of the land comprised in the agreement or lease.
PART VI.

Liability of purchaser for future defaults.

1199, 1915, s. 66.

Power to execute transfer of interest sold.

Ibid., s. 67.

(7) In case of the sale or transfer of the defaulting purchaser's or lessee's interest in part only of the land comprised in the agreement or lease, the Commissioner may cancel the agreement or lease as to the whole of the said land or as to any part thereof so sold, and may prepare and issue to the purchaser of such part a new agreement or lease therefor, and the new agreement or lease shall be effectual for all purposes as a transfer to the purchaser of the right, title, and interest of the defaulting purchaser or lessee in the part of the said land comprised in the new agreement or lease.

62. When a defaulting purchaser's or lessee's interest in an agreement or lease, or any part thereof, has been sold under section 61, the purchaser at the sale shall be liable for the payment of all instalments or rents (as the case may be) and other (if any) moneys falling due under the agreement or lease after the date of the sale in respect of the whole or of the part thereof sold (as the case may require), and from that date shall be bound by and subject to all the terms, covenants, conditions, and provisions of the agreement or lease.

63. (1) When the sale of any interest under an agreement or lease has been effected by the Commissioner, he may transfer all the right, title, and interest of the defaulting purchaser or lessee to the purchaser at the sale; and the Registrar-General shall, when requested and on payment of the necessary fees, register the transfer, whereupon the same shall be effectual for all purposes as if the purchaser or lessee to whom the transfer is made were the original purchaser or lessee of the lands described and comprised in the agreement or lease.

(2) If the agreement or lease cannot be obtained by the Commissioner, he may cancel the same and prepare a new agreement or lease in lieu thereof for the purchaser at the sale.

64. Any notice to be given to any lessee or purchaser shall be deemed to have been duly given if the same has been sent through the post office enclosed in an envelope addressed to the lessee or purchaser at—

(a) any address stated in any recent application, letter, or document received from the lessee or purchaser;

(b) the lessee's or purchaser's usual or last known place of abode in the State; or

(c) the care of any solicitor, attorney, or agent acting in the lessee's or purchaser's behalf in the particular matter in respect whereof the notice is given,
and notice as aforesaid shall be deemed to have been given on, and time shall run from, the day of the posting thereof.

65. No lessee or purchaser shall be entitled to impound any cattle or sheep trespassing on leased land or land under agreement forming portion of or adjoining a travelling stock reserve unless the said land is enclosed with a fence which is sufficiently substantial and close to ordinarily resist the trespass of cattle or sheep, as the case may be.

66. No statute of limitation shall bar or affect any action or remedy for the recovery of any principal, rent, interest, or instalments due under any lease or agreement.

PART VII.

LEASES OTHER THAN PERPETUAL.

DIVISION I.—LEASES WITH RIGHT OF PURCHASE GRANTED UNDER REPEALED ACTS.

67. In the case of a lease with a right of purchase and right of renewal, granted under a repealed Act, the rent for the term of any renewed lease shall be fixed by the board by revaluation at least twelve months before the expiration of the original lease.

68. The renewed lease shall contain a right of purchase (subject to the provisions of section 265) at a price to be fixed by the board, exercisable at any time during the term of the renewed lease.

69. In fixing the purchase-money and rent for a renewed lease the board, in cases of revaluation, shall not consider the value of the improvements made.

70. Notice of the amount of every revaluation shall forthwith be given by the Commissioner to the lessee.

71. In case the lessee does not within the period of six months after the giving of the notice of revaluation accept or refuse the revaluation, he shall forfeit his right to a renewal, subject, however, to the provisions of section 73.

73. (1) If the land comprised in a lease, or any part of that land, has not been taken on perpetual lease or agreement, when offered pursuant to section 72, the Commissioner may receive the lessee’s acceptance of the revaluation under sections 67 and 68 at any time not being later than two months from the determination of the lease.

(2) Any lease in respect of which the Commissioner exercises the power hereby conferred shall, notwithstanding its previous determination, be deemed to have continued without interruption of the term thereof.

(3) Where part of the land has been taken when offered as mentioned in subsection (1) hereof this section shall apply only in respect of the part not so taken.

73a. (1) The Commissioner may on the recommendation of the board extend the term of any lease with a right of purchase granted under a repealed Act.

(2) Any such extension may be given from time to time on the recommendation aforesaid, but every such extension shall expire not later than five years after the passing of the Crown Lands Act Amendment Act, 1935.

(3) All the provisions, covenants, and conditions (including the right of purchase) of the lease shall be deemed to apply during such extended term.

Provided that only Crown lands shall be leased under subdivision ix. of this section.

(2) Any lease granted under this section may provide that the rent thereunder shall be payable either quarterly or half-yearly or annually.

78. Every lease granted under section 77 shall—

DIVISION III.—VARIOUS.

79. DIVISION II.—CONSTITUTION OF THE LYPUR VILLAGE ASSOCIATION.

85. The constitution and registration of The Lyrup Village Association are hereby further confirmed, and the association shall continue a body corporate, having perpetual succession and a common seal (of which the corporate name of the association shall form part) and the right and liability to sue and be sued, and shall have and be subject to the rights, authorities, duties, and liabilities hereinafter appearing.
86. The Companies Act, 1934, shall not apply to the association.

87. (1) Out of the reserved lands the Commissioner shall set apart for the purposes of this Part—

(a) such land as he considers fit for horticultural purposes, hereinafter termed "horticultural lands";

(b) such land as he considers fit for agricultural purposes, hereinafter termed "commonage lands"; and

(c) land whereon any irrigation works are situated.

(2) The Commissioner shall cause the lands so set apart to be subdivided as follows:

i. The horticultural lands into blocks of as nearly as practicable equal unimproved value, and of about ten acres in extent; and

ii. The commonage lands into one or more blocks of such area as he determines.

88. The lands set apart shall form the district of the association.

88a. (1) The land described in the tenth schedule is hereby declared to be added to the district of the association.

(2) Out of the said land the Commissioner shall set apart for the purposes of this Part—

(a) such land as he thinks fit for horticultural purposes; and

(b) such land as he thinks fit for the purpose of the construction of irrigation works.

(3) The Commissioner shall cause the lands so set apart to be subdivided into nine blocks (hereinafter in this section referred to as "horticultural blocks") of as nearly as practicable equal unimproved value.

(4) The Commissioner may lease any horticultural block set apart under this section to any person who is eligible for membership of the association, and thereupon that person shall be deemed for all purposes to become a member of the association.
(5) Notice shall be given in the Government Gazette that any unleased blocks are open to application. The notice shall contain such particulars as the Commissioner thinks proper.

(6) The blocks shall be allotted by the board.

(7) The provisions of subsection (6) of section 94 shall not apply to any such block.

(a) the irrigation works in the district;

(b) the improvements (if any) on each of the horticultural blocks in the district;

(c) the improvements (if any) on each of the blocks of the commonage land in the district;

(d) all the personal estate belonging to the association.

(2) If the Commissioner and the association do not forthwith after such a subdivision agree as to valuation, the amount thereof shall be decided by arbitration, pursuant to the Arbitration Act, 1891; one arbitrator being appointed by the Commissioner and the other by the trustees, or, if no unanimous nomination is made then by a majority of the trustees.
91. No improvement shall be valued at a sum in excess of the value thereof considered solely in connection with its worth to the association or to the members thereof at the time of valuation.

92. The amount of the valuations in respect of the district of the association determined as aforesaid shall be deemed to be the total indebtedness of the association to the Commissioner, and the excess (if any) over the valuation due by the association to the Commissioner shall be deemed to be written off.

93. The aggregate amount of the sums written off, and also the total indebtedness of any settlement which is closed, shall be provided for in seven equal parts by the Treasurer on the Estimates during the seven years next following the year in which the decision of the arbitrators or umpire is given.

DIVISION IV.—LEASES.

(4) Notice shall be given in the Government Gazette that any unleased blocks are open to application, and the notice shall contain such particulars as the Commissioner thinks proper.

(5) The blocks shall be allotted by the board.

(6) No person shall hold more than two blocks, and every lessee shall hold his block for his individual use and enjoyment.

(7) The Commissioner may, on granting a lease, obtain from the lessee such premium (if any) as he may think fit, and the said premium shall be the property of the association.
PART VIII.
DIVISION IV.

Power to transfer leases of commonage lands.
1803, 1927, s. 3.

Rent of horticultural and commonage lands.
1199, 1915, s. 101.

95. The association may, subject to the consent of the Commissioner, transfer the whole or any part of any commonage lands held on lease as mentioned in section 94.

96. The annual rent to be reserved by any lease, whether of horticultural blocks or commonage lands, shall be fixed by the board, and shall commence at a date to be fixed by the Commissioner.

97. The amount of the valuation of the improvements, which shall be valued separately on each horticultural block, together with interest on that amount at the rate of four pounds ten shillings per centum per annum (all hereinafter included in the term "the members’ debt") shall be a first charge upon the blocks, and shall be deemed a debt due by the lessee thereof for the time being, and shall be paid to the Commissioner by the lessee by forty-two annual instalments to be calculated at the rate of five pounds six shillings and tenpence for each hundred pounds of the amount and interest, the first of such payments to be made at the expiration of twelve months from the date of commencement of the lease: Provided that the lessee may pay the whole or any portion of the balance due at any time.

98. (1) The amount of the valuation of the irrigation works, the improvements on the commonage lands, and the personal estate as aforesaid of or in the district of the association, together with interest on the said amount at the rate of four pounds ten shillings per centum per annum (all hereinafter included in the term "the association’s debt") shall be a first charge upon all the property of and shall be deemed a debt due by the association; and the said amount and interest shall be paid to the Commissioner by the association by forty-two annual payments, to be calculated at the rate of five pounds six shillings and tenpence for each hundred pounds of such amount and interest; the first payment to be made at the expiration of twelve months from the date of commencement of the lease.

(2) If and so often as the association fails to duly make the said annual payment, the same shall be recoverable from the members of the association, every member being liable to pay a proportion thereof, such proportion to be ascertained by dividing the amount of such annual payment (or the unpaid balance thereof) by the number of members of the association at the time when the default occurred; and the said proportion shall also be a charge upon the block of every such member, subject only to the charge created by section 97: Provided that the lessee may pay the whole or any portion of the said moneys at any earlier times than specified herein.

99. Every lease of a horticultural block and of commonage lands shall be prepared by the Commissioner, and shall contain such covenants, conditions, and reservations as the Commissioner determines; and every lease of horticultural land shall contain the right to assign or sublet the same with the consent of the Commissioner.

100. The leases shall be executed within the time and in the manner prescribed, and in the case of—

i. horticultural land, by the lessee:

ii. commonage land, by the association,
or where the commonage land has been transferred, by the transferee thereof.

101. If the lessee fails to comply in any respect with the provisions of this Act or of his lease, the Commissioner may forfeit the interest of the lessee in the block, and cause that interest to be sold by auction or disposed of to any person qualified to become a member of the association, on such terms as he thinks fit. Any person so acquiring any such block shall be deemed to stand in the position of the original lessee, and, if not already a member, shall be deemed to be one.

DIVISION V.—IRRIGATION WORKS.

102. (1) The property in all irrigation works is vested in the Commissioner for the purposes of this Act.

(2) When the charges imposed by sections 97 and 98 have been satisfied in respect of all the land in the district the Governor shall, by proclamation, vest in the association the irrigation works therein for the purposes of this Act, and the said irrigation works and the association shall no longer be subject to control by the Commissioner.
103. All water in the said irrigation works shall be the property of the association, and shall be used by the association for the purposes of this Act.

104. (1) The control of the irrigation works, including all alterations and additions thereto, and the collection and distribution of the water, shall belong to the association, but subject to the direction of the Commissioner, who may assume the control thereof, to the exclusion of the association.

(2) The association shall keep the irrigation works within its district in thorough repair and maintain and renew the same as occasion requires, to the satisfaction of the Commissioner.

(3) The expenses incurred by the association or by the Commissioner in such control, management, maintenance, renewal, and repair (hereinafter termed the "irrigation expenses") shall be payable by the members of the association equally, as and when the Commissioner determines. In the event of dispute, the decision of the Commissioner as to the proportion of expenses to be paid by each member shall be final.

105. The business and affairs of the association shall, subject in all things to the approval of the Commissioner and to this Act and to rules, be managed by a board to be appointed in manner prescribed.

106. The Commissioner shall have the following powers with respect to the association whilst the whole or any part of the debts or amounts referred to in sections 97 and 98 remains unpaid:

1. He may expel any member from the association, and may summarily eject and remove any such member from the district of the association: Provided that this power shall only be exercised in cases where notice has been given by the Commissioner to the trustees requiring the expulsion of the member under the rules, and default has been made in such expulsion for at least fourteen days after the giving of the said notice. If the association appeals against the decision of the Commissioner it shall be entitled to nominate an arbitrator, who, with one to be appointed by the Commissioner, shall have power to reconsider and may reverse the decision of the Commissioner. If they fail to agree, the arbitrators shall nominate an umpire, whose decision shall be final:

II. He may control and direct the expenditure of any moneys by the association:

III. He may call upon any trustee of the association to retire from office in any case where he deems it desirable for the welfare of the association that the trustee should so retire, and the trustee shall retire accordingly:

IV. He may require the association to increase the number of members, and if the said requisition is not complied with within six calendar months after the date of service of the requisition upon the association, may cancel the lease to the association:

V. He may make, amend, and repeal rules for the management of the association, and for the regulation, maintenance, and control of the irrigation works, and for the supply of water for irrigation and other purposes, and for the payment of all expenses incident thereto, and generally for the better carrying out of the purposes of this Part.

107. No advances or allowances shall hereafter be made by the Commissioner to the association.

108. (1) While the debts or amounts referred to in sections 97 and 98, or any part thereof, remain unpaid the lessee of any horticultural block shall not—

(a) pull down or remove from the land whereon the same are; or

(b) knowingly suffer to be pulled down or removed; or

(c) wilfully or knowingly destroy, damage, or injure, or suffer to be destroyed, damaged, or injured, any permanent building, erection, or irrigation work erected or made upon the land in the district of the association, without first obtaining the written consent of the Commissioner.

(2) Any person offending against any provision of this section shall forfeit his lease, and shall be guilty of a misdemeanor, and be punishable, on conviction, by imprisonment for any term not exceeding two years.

109. The Governor may appoint an officer, to be styled "The Inspector of Village Settlements," to assist the Commissioner in the execution of this Act.
PART VIII.
DIVISION VI.
Management of commonage lands.
1199, 1915, s. 117.
1740, 1926, s. 59.
1808, 1927, s. 6.

110. (1) The commonage lands to be leased to the association shall be under the control of the association, but subject to the direction of the Commissioner, and shall be worked by the association for the common good and benefit of the members thereof upon the principles of co-operation and equitable division, and the said lands may be sublet or transferred by the association in whole or in part: Provided that the consent of the Commissioner to the subletting or transferring shall be obtained in accordance with section 225 of this Act.

(2) Every member of the association shall provide or contribute, towards the maintenance and working of the irrigation works and the care and cultivation of the commonage lands of the association whereof he is a member, such labour (not being less than thirty-six days during every successive period of six months while he is a member) as the Commissioner requires, or such sum in cash as the Commissioner considers the equivalent of such labour; and every such member shall be entitled to credit in the books of the association for the value of the said work as the said value is assessed by the Commissioner, or for the said cash, as the case may be: Provided that the Commissioner may by notice in writing to the association—

(a) suspend the operation of this subsection either for a definite period fixed by the notice, or until the giving of a further notice removing the suspension; or

(b) postpone the time for making any payment under this section for such period as is fixed by the notice.

A notice given under this proviso may suspend the operation of this subsection as regards all or any of the members of the association according to the tenor thereof.

111. (1) The association shall cause an account to be prepared once in every year of the working of the commonage lands, showing therein all expenditure and income in connection therewith, including the amount of the assessed value of the members’ labour, and after making provision to the satisfaction of the Commissioner for rent, working expenses of the commonage lands (including a proportion of the irrigation expenses), and for depreciation and renewal of the plant, tools, and live stock of, and the irrigation works in the district of the association, the surplus (if any), after deducting twenty-five per centum therefrom for a sinking fund for renewal of plant, et cetera, may be divided amongst those persons who are then members of the association, in proportion to the amount of their respective credits in the books of the association for earnings since the thirty-first day of December, nineteen hundred and three.
Crown Lands ACT, 1929-1939.

(2) A copy of every account, certified by the trustees, shall be forwarded to the Commissioner.

112. All disputes of a civil nature between members arising out of the affairs of the association shall be settled by arbitration and umpirage of any three or more members, not parties to the disputes, in manner provided by the rules, and the parties thereto shall not be entitled to maintain any action in respect of the disputes except for the amounts determined by the award. The decision of a majority of such members shall be valid and effectual.

113. Any process or document served upon a trustee of the association shall be deemed to have been served upon the association.

114. The proportion of irrigation expenses, and the annual instalments of the association’s debts and of the members’ debts payable by the association or by any member of the association, shall, amongst other ways, be recoverable by distress and sale of the goods and chattels of the association or person in default, together with such charges as are prescribed.

115. Notwithstanding the charges imposed by sections 97 and 98, the association, with the prior consent, in writing, of the Commissioner (which he is hereby authorised to give on such terms as he thinks fit), may, in the ordinary course of business, sell or dispose of any of the goods, chattels, and effects of the association free from the said charges.

116. A copy of the rules of the association, and all the accounts of the association rendered to the Commissioner, shall be open to public inspection on payment of the sum of two shillings for every such inspection.
PART IX.

DIVISION I.—ACQUISITION AND RE-OFFERING OF LANDS.

117. The Commissioner may cause any Crown lands or lands reserved for the use of the aboriginal inhabitants of the State, except such lands as are reserved for the use and occupation of aboriginals at Point McLeay and Point Pearce, to be surveyed and offered as homestead blocks on perpetual lease or agreement; and may, subject to the approval of Parliament, by purchase, exchange, or otherwise, acquire lands suitable for homestead blocks, and cause the same to be surveyed and offered as homestead blocks on perpetual lease or agreement, as provided under Part V.: Provided that any lands so acquired shall not be sold for a sum less than the sum paid therefor by the Government, together with the cost of offering the same.

118. Homestead blocks may be surveyed, offered, transferred, and held in any area.

119. A homestead block shall be held only by a person gaining his livelihood by his own labour.

120. Every such lease or agreement of a homestead block or blocks shall bind the lessee or purchaser to personally reside on the land for nine months in every year of the term, and shall contain such other terms and conditions as the Commissioner thinks fit.

121. If any land acquired for the purpose of homestead blocks remains unallotted for one year after first being offered, the same may be let on miscellaneous lease, or, if the board so recommends, such lands may, with the approval of the Commissioner, be sold by public auction for cash.

DIVISION II.—LEASES AND AGREEMENTS.

122. A lease or agreement may include one or more block or blocks of land.

123. The receipts for current rent or instalments shall be a sufficient holding title so long as the lessee or purchaser continues to reside on his land, but in case of transfer or mortgage a lease or agreement shall be taken out.

DIVISION III.—PROTECTED HOMESTEAD BLOCKS.

124. If before or after the issue of his lease or agreement any blockholder, by notice in writing to the Commissioner, requests that the same be indorsed with the words "Protected homestead block" the Commissioner may, after causing notice of the request to be published twice, at least, in the Government Gazette, at the cost of the blockholder, cause the same to be so indorsed, and shall sign the same, and may also issue the land grant with the said indorsement thereon.

125. The effect of every such indorsement shall be—

(a) that no subsequent encumbrance by the blockholder of the land or his estate or interest therein, or of any part thereof respectively, except the loan agreement provided for in Division VI. of this Part, shall have any validity;

(b) that the land, or any part thereof, or the estate or interest of the blockholder therein, or any part thereof, shall not be liable to be seized or taken in execution for debt under process of any court, except for the payment of rates and taxes; and shall not vest in the trustee of his estate, in case of the blockholder's insolvency, or unless otherwise expressly provided by the will of the blockholder, become, on his death, assets for the payment of debts: Provided that this subdivision shall not apply to the recovery of any such debt incurred by the blockholder prior to the date of indorsement, or to any legal proceedings that may be taken in respect thereof.

    the price paid by the Commissioner for the land
    in addition to any moneys payable on or in respect
    of the granting of the agreement.

(6) No land shall be allotted under this section to any
person if the effect of the allotment will be that that person
will hold land, the unimproved value of the fee simple of
which exceeds seven thousand pounds, or which is capable of
carrying more than ten thousand sheep.

(7) The provisions of Divisions V. and VI. of this Part
shall, with necessary modifications, apply to land allotted, and
agreements issued under this section.

(8) In this section the expression “living area” means an
area which in the Commissioner’s opinion is sufficiently large
to provide a reasonable living for one family.

170b. (1) Subject to this section, the Commissioner may
out of moneys provided by Parliament, make loans for the
purpose of——

(a) enabling any two or more intending settlers to buy
    any existing holding which in the Commissioner’s
    opinion is capable of being subdivided so as to
    provide a living area for each settler; or

(b) enabling any settler whose holding is less than a
    living area to purchase for the purpose of increas­
    ing his holding to a living area, any land which—
    (i.) forms part of an existing holding which, in
    the opinion of the Commissioner, is more
    than a living area; or

    (ii.) forms the whole of an existing holding which,
    in the opinion of the Commissioner is less
    than a living area.

(2) The person or persons desiring such a loan shall sub­

(a) the price at which the owner of the land intended to
    be purchased offers to sell it:

the estimated value of the remainder of the
holding:

(d) particulars of any other land held by the person or
persons desiring the loan.

(3) The Commissioner may, if he thinks fit, cause any land
sought to be purchased to be valued by the board and the
Surveyor-General.

(4) No loan made in respect of any block shall exceed—

(a) nine-tenths of the value placed upon that block by
the board and the Surveyor-General; or

(b) if the values placed on the block by the board and
the Surveyor-General differ, nine-tenths of the
lower of those values.

(5) No loan shall be made to any applicant unless—

(a) the board is satisfied that he is a suitable person to
hold a block:

(b) the applicant executes a first mortgage of his block
to the Commissioner, such mortgage to be in such
form and containing such terms, covenants and
conditions as the Commissioner approves, and
gives the Commissioner such other security (if
any) for the loan as the Commissioner requires.

(6) No loan shall be made under this section to enable any
person to purchase any land, if the effect of the purchase
will be that that person will hold land, the unimproved value
of the fee simple of which exceeds seven thousand pounds,
or land which is capable of carrying more than ten thousand
sheep.

(7) The Commissioner may under this section make loans
upon the security of land held for any estate of freehold or
under a perpetual lease from the Crown or an agreement
granted by the Crown.

(8) No stamp duty shall be payable on any transfer or
mortgage executed to carry out any transaction under this
section.

(9) In this section the expression "living area" means an
area which in the Commissioner's opinion is sufficiently large
to provide a reasonable living for one family.
DIVISION IV.—HOW ACQUIRED LANDS TO BE DEALT WITH.

171. Subject to sections 170, 172 and 173, all land acquired under this Part, or under the provisions of any repealed Act dealing with closer settlement, shall be dealt with as follows:—

i. Town lands may be sold by auction for cash, and reserves may be dedicated by proclamation in like manner as Crown lands are dedicated:

m. Any town lands offered for sale by auction and not sold by auction may, on the recommendation of the board, be sold by private contract for cash at any price not less than the upset price at which the lands were last offered at auction:

ii. The land, except such portions as may be required for town lands or for dedication or reservation for public purposes, shall be cut up into blocks, none of which shall, except as provided by paragraph iii. hereof, exceed seven thousand pounds in unimproved value:

iii. Where in cutting up the land improvements to a large value will necessarily be included in one or more blocks, and the value of the said improvements would be out of proportion to the value of the said block or blocks if the limitation of seven thousand pounds were not exceeded, the block or blocks may exceed the said limitation in unimproved value:

iv. When the board considers there are more improvements on any block than are required for working the block, then only the value of such improvements shall be added to the price of the block as, in the opinion of the board, are reasonable, having regard to the size and situation of the block; and the balance of the value of the said improvements shall be added to the price which has been paid for the whole estate of which the said block forms a part:

v. Before the blocks are offered the board, subject to the approval of the Commissioner, shall fix the value of every block and of the improvements thereon, including the reasonable cost of any work effected by the Government: Provided that the price so fixed shall not in the aggregate be less than the amount paid for the land, together with the cost of necessary accommodation works, and of offering the same for sale:

vi. Notice shall be given in the Government Gazette that the blocks are open to be purchased, and the notice shall contain particulars of the area of every block and the value of the improvements thereon, the area to be cleared so as to render the same available for cultivation or so as to improve the grazing capacity thereof, the annual instalments of principal and interest to be paid in respect of the purchase-money of the block and improvements, and such other particulars as the Commissioner thinks proper:

vii. The blocks shall be allotted by the board.

172. (1) Any lands acquired for the purposes of closer settlement, as to which a resolution of both Houses of Parliament has been passed, whether before or after the acquisition thereof, to the effect that this section shall apply, may, until such time as the Governor by proclamation declares that they shall be used for closer settlement, be dealt with as provided by subsection (2) hereof as if they were Crown lands not acquired for the purposes of closer settlement.

(2) Any such land may be let on miscellaneous lease for any term not exceeding twenty-one years, subject, however, to a condition that after the publication in the Government Gazette of a proclamation under this section as to the said land, or as to the said land and any other land, the term of the said lease shall be determinable by the Commissioner by not less than six months' notice in writing to the lessee.

173. (1) When any land has been acquired for the purposes of closer settlement, but it is necessary or desirable for drainage, irrigation, or other works or improvements to be carried out, in order to render the land suitable or more suitable for closer settlement, the Commissioner may permit the person who, prior to the acquisition of the land, was the owner thereof, to remain in occupation thereof for such time, and, upon such terms and conditions as are agreed between the parties.

(2) If in such a case as mentioned in subsection (1) of this section the person therein referred to does not, within one month after the land is acquired, apply in writing to the Commissioner to be allowed to continue in occupation, or, if in any case no arrangement is made under the said subsection within two months after the land is acquired, the land may be let in one block or in such blocks as the Commissioner thinks proper, to such persons and for such terms and on such terms and conditions as the Commissioner thinks proper.
DIVISION V.—AGREEMENTS FOR SALE AND PURCHASE.

174. (1) The blocks shall be offered for sale, and, subject to section 175, the purchaser shall enter into an agreement for the term of thirty-five years for sale and purchase (hereinafter called the "agreement") as follows:

i. To purchase his block and the improvements (if any) thereon at the price fixed by the board, and to pay the purchase-money and interest thereon by the following half-yearly instalments, to be paid in advance, namely:—The first ten half-yearly instalments shall be equal and shall be calculated at the fixed rate on the price fixed as aforesaid, and each of the subsequent sixty half-yearly instalments shall be equal and shall be calculated at a rate sufficient to repay during the said term of thirty-five years the price fixed as aforesaid together with interest at the fixed rate on the balance thereof from time to time remaining unpaid: Provided that the purchaser—

(a) shall have the option of completing the purchase of his block at any time after the expiration of six years from the date of the agreement on paying the balance of the purchase-money under the agreement and all interest due at the time of the completion of his purchase, and complying with all the terms, covenants, conditions, and provisions of the agreement:

(b) may, on the date appointed by the agreement for the payment of any of the half-yearly instalments, pay in advance any part (being the sum of fifty pounds or a multiple thereof) of the purchase-money under the agreement, whereupon interest on the amount so paid shall cease, and the amounts of the instalments subsequently falling due shall be decreased ratably to the amount so paid:

(c) may pay the whole or any part of the purchase-money for improvements at any time:

ii. To spend on his block during every year of the first five years a sum equal to three pounds for every one hundred pounds of his purchase-money in substantial improvements, consisting of buildings, fencing, or water improvements: Provided that—

(a) the amount so spent by the purchaser in excess of the amount required to be expended in any one year shall be set off against the expenditure required in the next or following years; and

(b) so much of any amount of the purchase-money paid by him as was paid on account of improvements may be deducted from the amount to be expended under this section:

III. To clear so as to render available for cultivation or so as to improve the grazing capacity thereof, the area specified in that behalf in the notice in the Government Gazette declaring that the blocks are open to be purchased. Any money spent on clearing land under this paragraph shall be deemed to be money spent on substantial improvements within the meaning of the last preceding paragraph.

(2) The provisions of section 47 apply to an agreement under this Part.

(3) In filling up the blank spaces in the form of the covenant in the ninth schedule which binds the purchaser to clear land so as to render the same available for cultivation or so as to improve the grazing capacity thereof, the following directions shall be followed:—In the first, second, and third spaces there shall be inserted an area equal to one-eighth of the area so specified in the notice in the Government Gazette, and in the fourth space an area equal to the full area so specified.

(4) The Commissioner shall determine whether the said covenant to clear has been complied with in any case, and if his decision is disputed by the purchaser the matter shall be determined by arbitration in manner provided by section 289. Land shall be deemed to have been cleared for cultivation or so as to improve the grazing capacity thereof only when it has been rendered free from substantially the whole of the scrub growth thereon.

174a. (1) In any case where the Commissioner is of opinion that, by reason of the undeveloped condition of any block, this section should apply to the agreement in respect of the block, the Commissioner may direct that this section shall apply. In any such case the term of the agreement shall be for fifty-nine years and the purchase-money and the interest thereon shall be payable by the following instalments, namely:—

i. Five per centum of the purchase-money shall be paid at the time of the application to purchase:
II. For the first four years of the term of the agreement no instalments of principal or interest shall be payable:

III. During the next five years of the said term no portion of the purchase-money shall be payable, and interest only at the fixed rate on the balance of the purchase-money shall be payable in half-yearly instalments:

IV. Thereafter the balance of the purchase-money and interest thereon at the fixed rate (including the amount of interest accruing during the first four years of the said term) over the whole term of the agreement shall be payable in such equal half-yearly instalments as will pay the full amount of the balance of the purchase-money and interest as aforesaid during the said term.

(2) Except as provided by paragraph 1. of subsection (1), every instalment shall be paid at the end of the period in respect of which it is payable, and not in advance.

(3) The provisions of section 180 shall not apply to any such agreement.

(4) If any application is made to the Commissioner for the transfer of any such agreement the Commissioner may, before giving his consent to the transfer, require the applicant to pay the whole or any part of the interest which has accrued during the first four years of the term of the agreement. If any such amount is paid, the amount of the half-yearly instalments subsequently falling due shall be decreased ratably to the amount so paid.

(5) In a case in which this section applies, the agreement shall contain the terms, covenants, conditions, and provisions provided for by section 174: Provided that the purchaser shall have the option of completing the purchase at any time after the expiration of six years from the date of the agreement, on paying the purchase-money, or the balance thereof, with interest at the fixed rate on the purchase-money, or on the balances thereof, from time to time remaining unpaid, from the date of the agreement to the date of completion, and complying with all the terms, covenants, conditions, and provisions of the agreement.

175. (1) In the case of an agreement to which the Commissioner directs that this section shall apply, the term shall be either fifty-five years or sixty-four years, as the Commissioner

directs, and the purchase-money and the interest thereon shall be payable by the following half-yearly instalments, namely:

1. During the first two and one-half years of the term of the agreement no portion of the purchase-money shall be payable, and only one-half of the interest at the fixed rate on the purchase-money shall be payable:

2. During the next two and one-half years of the said term no portion of the purchase-money shall be payable, and interest only at the fixed rate shall be payable:

3. Thereafter the purchase-money and interest thereon at the fixed rate (including the amounts of interest accruing during the first two and one-half years of the said term) over the whole of the term of the agreement shall be payable in such equal half-yearly instalments as will pay the full amount of the purchase-money and interest as aforesaid during the said term.

(2) The first of the said instalments shall be paid at the time of the application to purchase (as provided by section 180), and every subsequent instalment shall be paid at the close of the period in respect of which it is payable, and not in advance.

(3) In a case in which this section applies, the agreement shall contain the terms, covenants, conditions, and provisions provided for by section 174: Provided that the purchaser shall have the option of completing the purchase at any time after the expiration of six years from the date of the agreement, on paying the purchase-money, or the balance thereof, with interest at the fixed rate on the purchase-money or on the balances thereof from time to time remaining unpaid, from the date of the agreement to the date of completion, and complying with all the terms, covenants, conditions, and provisions of the agreement.

175a. (1) In the case of any agreement to which section 180 of the Crown Lands Act, 1915 (as enacted before the passing of the Crown Lands Act Amendment Act, 1929) applies, the Commissioner may direct that the number of instalments payable at the rate specified in paragraph 1. of subsection (1) of the said section shall be increased from sixteen to such number, not exceeding twenty-six, as the Commissioner thinks fit.
(2) If the number of any such instalments payable as aforesaid is increased, the subsequent instalments payable under the agreement shall be re-calculated so as to provide that each of the subsequent instalments shall be equal and calculated at a rate sufficient to repay during the term of sixty-four years the price fixed by the board, together with interest on the balance thereof at the fixed rate for the whole of the said term.

176. (1) In the case of an agreement under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act, the Commissioner may direct the board to consider whether an extension of the term of the agreement should or should not be granted under this section.

(2) The board shall thereupon consider the matter, and—

(a) may recommend that the term be extended for such period (if any) as they think fit, but not so as to extend it beyond sixty-four years from the commencement thereof, as fixed by the agreement:

(b) if the board recommends an extension, shall fix the amount of the instalments of purchase-money to be paid during the remainder of the term (as so extended), and may, if the board thinks proper, recommend that the said term be subdivided into periods of any lengths respectively, fixing for the several periods different amounts of instalments of purchase-money, and, if the board thinks proper, different rates of interest to be included in the instalments:

(c) for the purpose of fixing the amounts of the instalments, may, in any case it thinks fit, assume that the provisions of subsection (1) of section 175 applied to the agreement at the time of the making thereof, and that the instalments payable during the first five years of the term of the agreement were as provided in the said subsection; and in any case to which this paragraph applies the amounts of the instalments fixed pursuant to this section shall be fixed accordingly:

(d) for the purpose of fixing the amounts of the instalments, may capitalize, and add to the purchase-money, the whole or any part of such amounts of any instalments then in arrear as represent interest.

(3) If the Commissioner approves of the recommendations of the board he may grant the extension on the terms recommended, and, from the time when notice in writing stating the
period of the said extension and the terms on which it is
granted is given to the purchaser, the agreement shall be
construed so as to give effect to the said extension and terms,
and shall be binding on the parties as so construed.

(4) Except so far as may be necessary to give effect to this
section, the agreement shall not be affected by anything in or
done under this section; and the terms, covenants, conditions,
and provisions thereof shall continue in force subject to any
variations which may be necessary to give effect to this
section.

176a. (1) In the case of any agreement under Part X. of the
Crown Lands Act, 1903, Part X. of the Crown Lands Act,
1915, or Part X. of this Act, the board may capitalize the
whole or any part of such amounts of any instalments then in
arrear as represent interest.

(2) Any amount so capitalized shall be added to the
purchase-money, and shall be payable at the times the instal­
ments of the said purchase-money are payable. Each of such
payments thereof shall be equal, and shall be calculated to
repay during the period the said instalments are payable, the
said capitalized amount together with interest at the fixed rate
on the balance thereof from time to time remaining unpaid.

177. Where the land is allotted on personal residence the
agreement shall contain a provision that the purchaser shall
personally reside on the land for nine months in every year.

178. Every agreement shall contain the terms, provisions,
and conditions stated in the ninth schedule (subject to such
modifications thereof or additions thereto as are required for
giving effect to the provisions of this Act), which terms, pro­
visions, and conditions shall be in the form set forth in the
said schedule, or in a form to the like effect.

179. Every agreement shall be forwarded and executed in
manner provided by section 52.

180. Every application to purchase shall be accompanied
by an amount equal to the first half-yearly instalment of the
purchase-money of the land and improvements.

181. (1) No agreement shall be made under this Part with
any person who is already the holder of repurchased land of
the unimproved value of seven thousand pounds, or who would
thereby become the holder of repurchased land exceeding that
value, except under the conditions provided in paragraph mm
of section 171.
(2) No transfer of any agreement under this Part, and no subletting of any land comprised in any such agreement, shall be permitted except with the consent of the Commissioner, and on the recommendation of the board. No such consent shall be given to any transfer or subletting in favour of any lessee or owner of land who would thereby become the holder of repurchased land exceeding seven thousand pounds of unimproved value, except under the circumstances and conditions mentioned in paragraph iii. of section 171.

(3) Provided the limit fixed by this section is not exceeded as to repurchased land, nothing in this section shall be deemed to prevent any person from holding repurchased and other lands up to the unimproved value of seven thousand pounds.

182. (1) When any block or blocks remain unallotted for one year after being first offered, as mentioned in section 174, the same may be let on miscellaneous lease at a rental and on terms to be fixed by the board, subject to the approval of the Commissioner; or if the board so recommends, the land may, with the approval of the Commissioner, be sold by public auction, a reserve price being fixed by the board, on the following terms, namely:—Twenty-five per centum of the purchase-money in cash, and the balance in five yearly instalments, bearing interest at the fixed rate on the amount paid for the land; or, with the like recommendation and approval, the land may be offered for sale under section 174 at a reduced price fixed by the board.

(2) Any such land so offered for sale by auction and not sold at auction may, on the recommendation of the board, be sold by private contract at any price not less than the upset price at which the land was last offered for sale by auction and on the other terms and conditions on which it was so offered.

183. (1) The lessee of any perpetual lease of repurchased land granted under the provisions of any repealed Act, passed before the Crown Lands Act, 1903, dealing with closer settlement may, having fulfilled all the covenants and conditions contained in his lease, and given three months notice of his intention so to do, surrender the said lease, and obtain in lieu thereof an agreement under this Act.

(2) The purchase-money to be paid under any such agreement shall be the value of the block and improvements as fixed by the Government Gazette notice when the block was last allotted, after deducting therefrom all moneys paid on account of improvements thereon up to the date of the surrender of
the lease; or, if the Gazette notice contains no value, then at a price to be fixed by the board, and approved by the Commissioner, but so that the price fixed shall not be less than the original price paid for the land and the cost of offering.

184. (1) The lessee of any lease of repurchased land granted under the provisions of this Act or the Crown Lands Act, 1903, or any repealed Act passed after the latter Act, and the lessee of any miscellaneous lease of repurchased land may, having fulfilled all the covenants and conditions contained in his lease, apply in writing to surrender the lease and obtain in lieu thereof an agreement under this Part at a price to be fixed by the board, and approved by the Commissioner.

(2) The provisions of section 211, mutatis mutandis, shall apply to and in respect of the said application and surrender.

185. (1) The holder under agreement of any lands purchased by the Crown since the eighteenth day of December, nineteen hundred and two, may surrender his agreement for an agreement in terms of section 174, and the new agreement when executed shall be dated as and from the date of the surrendered agreement.

(2) The moneys (if any) remaining to the credit of the holder under the surrendered agreement shall, after deducting therefrom all interest, charges, and costs due in respect of the said land by the holder, be applied towards payment for the lands held by him under the new agreement: Provided that all moneys paid for improvements under the surrendered agreement shall be accepted as payment on account of those improvements under the new agreement.

186. Notwithstanding anything in any of the Crown Lands Acts, the provisions of proviso (b) to subdivision I. of subsection (1), of section 174 shall also apply to agreements which have been made under Part X. of the Crown Lands Act, 1903.

187. No growing timber shall be cut or otherwise injured or destroyed during the first five years of the term of any agreement under this Part or under the corresponding provision of any repealed Act, except for the purposes of improvement on the land or for cultivation, and then only with the written consent of the Commissioner: Provided that this section shall not apply as regards cutting, injuring, or destroying any growing timber in accordance with any covenant which is contained in an agreement and requires the purchaser to clear any land.

188. All moneys received by the Commissioner from either lessees or purchasers of any repurchased lands shall be dealt with as follows:

1. Moneys repaid on account of principal, whether for land or improvements, shall be paid to the credit of the Land Repurchase Loan Fund, and shall be used for the redemption of stock, or for the purchase of land under this Act:

2. Moneys paid as interest or rent, whether on the price of improvements or on the price of land, shall be paid into the general revenue.

189. The Director of Lands shall, in the month of July in every year, prepare a statement containing the following particulars in connection with repurchased lands for the financial year ending on the thirtieth day of June immediately preceding the said month:

1. The amount advanced from the loan fund and the amount of interest paid thereon:

2. The amount received as principal and interest from purchasers holding land under agreement:

3. The amount of arrears of principal and interest, if any.

Every such statement shall be laid before both Houses of Parliament, if Parliament is then sitting, and if Parliament is not then sitting, then within thirty days after the beginning of the next session of Parliament.

190. (1) The Treasurer may, from time to time, by notice published in the Government Gazette, fix the annual rate of interest to be paid on the purchase price of blocks offered for sale under this Part, and may, in the same manner, annul any rate so fixed.

(2) Any rate so fixed shall come into force on the fourteenth day after the date of the Government Gazette in which the same is published, and shall continue in force until the fourteenth day after the date of the Government Gazette in which the notice annulling the same is published.

DIVISION VI.—THE COLLECTION AND RECOVERY OF RENTS.

191. The collection of rents, instalments, and interest payable under the provisions of this Part, or under the provisions of any repealed Act dealing with closer settlement, shall be under the control, direction, and management of an officer employed in the Crown Lands Department, appointed by the Governor, and to be styled the "Receiver of Rents."

192. (1) If any rent, instalment, or interest is in arrear the receiver, without prejudice to his right to recover in any other way, may sue for the same, together with interest at the rate of five per centum per annum, and the costs attendant thereon, in any court of competent jurisdiction as a debt due to the receiver.

(2) Any such action may be maintained in the name of the receiver without specifying the name of the person holding the office, and shall not be liable to be abated by any vacancy or change in the office of the receiver or otherwise.

193. The receiver may extend the time for payment of any amounts due under an agreement: Provided that on all such extensions interest shall be charged on the said amounts at the rate of five per centum per annum: Provided, further, that in any case of hardship the receiver may remit the whole or any part of such interest, whether chargeable before or after the passing of the Crown Lands Act Amendment Act, 1933.

194. Where the board certifies that the improvements on any block allotted under the Closer Settlement Act, 1897, are greater than are required for working the block, or that the instalments payable for improvements under the said Act are in the opinion of the board too high, the Commissioner may extend the time allowed by the said Act for payment for the said improvements for any period not longer than ten years, and the yearly instalments payable by the allottee shall be readjusted accordingly.

195. (1) An agreement shall be liable to forfeiture if any instalment thereunder is in arrear for six months, the purchaser having had at least three months previous notice in writing demanding its payment.

(2) Upon any such forfeiture all moneys paid to the State by the intending purchaser shall immediately and absolutely be the property of the State Government.

196. (1) Where—

(a) any lease or agreement is liable to forfeiture; or

(b) any instalment under any agreement is in arrear as mentioned in section 195; or

(c) there has been a breach of any of the covenants or conditions contained in or implied by any lease or agreement,

the Commissioner may, on the recommendation of the receiver, by notice in the Government Gazette, cancel the lease or agreement.

(2) The Registrar-General, at the request of the receiver, shall make the necessary entries in the register book for giving effect to the cancellation.

(3) Upon any such cancellation the purchaser shall have no further interest or title, either at law or in equity, in the land included in the lease or agreement, or in or to any money which may have been paid thereunder.

(4) The land included in the cancelled lease or agreement shall thereafter be dealt with as if it were a block newly offered under this Part: Provided that the Commissioner may, at the request of the receiver, offer the interest of any defaulting purchaser or lessee in the land held by him for sale, in manner provided by section 61, and execute a transfer as provided by section 63: Provided further that the Commissioner may in any case in which, on the recommendation of the board, he thinks fit, dispose of the land or any part thereof included in the cancelled lease or agreement in any manner provided in section 182 notwithstanding that the land has not remained unallotted for one year after being first offered.

(5) The Commissioner may, in exercising the power to sell or transfer a defaulting purchaser's or lessee's interest in any agreement or lease conferred by this section exercise any such power with respect to the whole or, from time to time, with respect to any part or parts of the land comprised in the agreement or lease, as he thinks fit.

(6) All the provisions of this Act with respect to the sale or transfer of the defaulting purchaser's or lessee's interest in the agreement or lease shall, mutatis mutandis, apply to the sale or transfer of his interest in part only of the land comprised in the agreement or lease.

(7) In case of the sale or transfer of the defaulting purchaser's or lessee's interest in part only of the land comprised in the agreement or lease, the Commissioner may cancel the agreement or lease as to the whole of the said land or as to any part thereof so sold, and may prepare and issue to the purchaser of that part a new agreement or lease therefor, and the new agreement or lease shall be effectual for all purposes as a transfer to the purchaser of the right, title, and interest of the defaulting purchaser or lessee in the part of the said land comprised in the new agreement or lease.

197. The receiver shall cause a return of all cancellations, setting forth the reasons therefor, to be annually placed before Parliament before the first day of September.
199. (1) The holder of any block under an agreement entered into under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act, may, with the consent of the Commissioner, surrender the agreement for a perpetual lease of the said block.

(2) Upon an application being made under this section the board, subject to the approval of the Commissioner, shall fix—

(a) the annual rent at which the lease may be obtained in perpetuity; and

(b) the annual rent at which the lease may be obtained for the first ten years after which the rent shall be fixed in perpetuity as hereinafter provided.

In fixing the rents pursuant to this section the board shall take into consideration any amount of purchase price paid on or before the date from which the lease issued in lieu of the surrendered agreement is granted or deemed to be granted.

(3) The applicant may at his option obtain a perpetual lease at the rent fixed pursuant to paragraph (a) of subsection (2), or a perpetual lease of which the rent for the first ten years shall be as fixed pursuant to paragraph (b) of subsection (2) and of which the rent from the end of the first ten years shall be such amount as is fixed at the expiration of the said period by the board, subject to the approval of the Commissioner.

(3A) The rent to be fixed under any such lease shall in no case exceed an amount equal to interest on the price at which the applicant could have completed purchase at the time of the surrender of the agreement, calculated for one year at the rate of interest provided for in the agreement.

(3B) Any lease granted pursuant to this section may be granted as from any period not exceeding five years before the date of the approval to the surrender, and any lease so granted shall be deemed to have taken effect from the commencement of such period. The said period shall be fixed by the board subject to the approval of the Commissioner. Any amounts paid during any such period in respect of instalments under the agreement surrendered as aforesaid,
which became due during the said period, shall be deemed to have been paid in pursuance of the covenants of the lease and shall be appropriated accordingly and, except for that purpose, the agreement shall be deemed to have been determined from the commencement of the said period.

(4) The provisions of subsections (2), (3), and (4) of section 211, mutatis mutandis, shall apply to and in respect of any such application and surrender.

(5) The holder of the block surrendered as aforesaid may at the time of making the application for surrender make application for the insertion in the perpetual lease of a provision for the purchase of the block. In any such case there shall be inserted in the perpetual lease a provision giving the lessee a right to purchase the fee simple of the land comprised in the lease at any time during that portion of the term of the surrendered agreement which was unexpired at the time of the surrender, at the price at which the lessee could have completed purchase at the time of the surrender.

200. (1) The holder of any block under an agreement entered into under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act may, instead of applying under section 199, apply to the Commissioner for a reduction of the purchase-money payable under his agreement.

(2) Any such application shall be referred by the Commissioner to the Surveyor-General and the board for inquiry and report and to recommend what (if any) reduction of purchase-money should be made.

(3) If the Surveyor-General and the board report that it is proved to their satisfaction—

(a) that the purchase-money payable under the agreement is too high; and

(b) that the enforcement of the agreement would inflict hardship upon the holder,

the Commissioner may grant a reduction of the purchase-money, not exceeding the reduction recommended by the Surveyor-General and the board. Every such reduction shall take effect from such date as the Commissioner in each case determines.

(4) In any case where a reduction is granted under this section the Commissioner shall adjust the amounts of the instalments of purchase-money and interest payable under the agreement so as to give effect to the reduction; and the adjustment so made shall be binding on the holder, and the agreement shall be read so as to give effect thereto.
(5) If any holder of an agreement, the interest under which has been reduced under section 7 of the Crown Lands Act Amendment Act, 1910, obtains a reduction under this section, the reduction under the said section 7 and the adjustments consequent thereon shall cease as from the date when the reduction made under this section begins to run.

201. (1) An application under section 199 to surrender an agreement for a perpetual lease, or under section 200 for a reduction of the purchase-money payable under an agreement, may be granted, notwithstanding that instalments payable under the agreement are in arrear.

(2) When in any such case the application is granted, the full amount of the arrears of interest shall be paid, together with interest on the said amount, at such rate not exceeding five pounds per centum per annum, in such instalments, and at such times, as are determined by the board when fixing the rents or by the Surveyor-General and the board when recommending a reduction of the purchase-money (according to the nature of the case), and shall be payable and recoverable in the same manner as the rents or instalments to become due and the payment of the said instalments of arrears of interest shall be deemed to be a covenant implied by the agreement, or, as the case may be, by the lease issued in place of the surrendered agreement.

(3) When in any case the application is not granted, the Commissioner may, nevertheless, agree to accept payment of the arrears in such instalments, and at such times, as are recommended by the Surveyor-General and the board; and the instalments of arrears which the Commissioner so agrees to accept shall be payable and recoverable in the same manner as the instalments to become due.

202. (1) In any case of an agreement entered into under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act, the Commissioner may, if he is satisfied that the strict enforcement of the agreement would inflict hardship upon the holder, refer the matter to the board to make such (if any) recommendation as they deem proper under this section.

(2) The board may recommend—

(a) such (if any) temporary reduction of the interest payable under the agreement as they think reasonable, and the period during which, in their opinion, the reduction should operate; and
(3) The Commissioner may cause notice in writing of the recommendation (if any) of the board to be given to the applicant.

(4) If the applicant, within one month after the giving of the said notice, gives the Commissioner notice in writing of his desire to accept the recommendation, the Commissioner shall cause an adjustment to be made in the amounts of the instalments, and, in case of postponement as aforesaid, of the times of payment thereof, so as to give effect to the recommendation.

(5) Notice in writing of the terms of the adjustment shall be given to the applicant, and the same shall thereafter be binding upon the holder of the agreement, which shall be construed so as to give effect to the adjustment.

202a. (1) When any lease or agreement issued under this Part has been absolutely surrendered to the Crown the land included therein may, according as the board recommends—

(a) be offered for sale under section 174 at a price fixed by the board; or

(b) be let on miscellaneous lease at a rental and on terms to be fixed by the board with the approval of the Commissioner; or

(c) be sold by public auction, a reserve price being fixed by the board, on the following terms, namely:—

Twenty-five per centum of the purchase-money to be paid in cash and the balance of the purchase-money together with interest at the fixed rate on the amount for the time being outstanding, to be paid in five equal yearly instalments.

(2) Any such land so offered for sale by auction and not sold at auction may, on the recommendation of the board, be sold by private contract at any price not less than the upset price at which the land was last offered for sale by auction, and on the other terms and conditions on which it was so offered.

203. An agreement may, notwithstanding subsection (1) of section 181, be made under Part X. with any person provided that he will not thereby become the holder of land exceeding eight thousand pounds in unimproved value, if, in the opinion of the Surveyor-General and the board, such an agreement is expedient to secure the beneficial allotment of any repurchased land.
204. The Commissioner may, notwithstanding subsection (2) of section 181, consent to the transfer of any agreement under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act, or to the subletting of land comprised in any such agreement, in favour of any lessee or owner of land who would thereby become the holder of land not exceeding eight thousand pounds in unimproved value if, in the opinion of the board, it would inflict a hardship on the holder of the agreement if such consent were refused in accordance with the provisions of the said subsection (2).

204a. Sections 203 and 204 shall apply only to—

(a) lands which are situated in the estates known or formerly known as Yallum, Binnum, Hynam, and Kybybolite;

(b) lands which are comprised in the estate known or formerly known as Mount Schank Estate, in the Hundred of Kongorong, and which were held under agreement on the nineteenth day of December, nineteen hundred and twelve; and

(c) such other lands as are by proclamation declared to be subject to the said provisions after a resolution by both Houses of Parliament approving of the making of the proclamation.

PART XI.

SURRENDERS.

204b. (1) No surrender under this Part of any lease or agreement shall be of any effect unless and until accepted by the Commissioner.

(2) The Commissioner is hereby authorised to accept any such surrender in the name and on behalf of His Majesty.

(3) Any surrender shall be in the prescribed form and be made and executed in the prescribed manner.

205. (1) Any lessee may surrender his lease.
PART XI.
Surrender for lease.
1199, 1916, 209.
Amended by 1168, 1936, 8.

206. (1) A lessee may surrender his lease or any part or parts thereof and the Governor may grant a lease or leases of the land so surrendered to such person or persons as are nominated in that behalf by the lessee surrendering: Provided that the transfers to the person or persons nominated have been approved in the usual manner.

(2) Every such new lease shall be granted for the unexpired period of the term of, and for the same purposes, terms, and conditions as the lease so surrendered.

207. The purchaser under any agreement may surrender his agreement in the same manner and subject to the same provisions as are set forth in section 205 with reference to the surrender of a lease.

207a. The land comprised in any lease or agreement (not being a lease or agreement issued under Part X. of this Act) which has been absolutely surrendered may be dealt with in all respects as if the lease or agreement had never been granted.

208. (1) The purchaser under an agreement may surrender his agreement, or any part or parts thereof, and the Commissioner may grant an agreement or agreements of the land so surrendered to the person or persons nominated in that behalf by the purchaser surrendering: Provided that the transfers to the person or persons nominated have been approved in the usual manner.

(2) If the agreement is wholly surrendered, and only one new agreement is granted in lieu of the surrendered agreement, it shall be granted for the unexpired period of the term of the surrendered agreement and for the balance unpaid of the purchase money thereof, but in other respects shall be subject to the same terms and conditions as the agreement surrendered.

(3) If the agreement is partially surrendered or if the agreement is surrendered in whole and two or more agreements are granted in lieu thereof each new agreement granted in lieu of the surrendered agreement or part thereof shall be granted for the unexpired period of the term of the surrendered agreement, and the balance unpaid of the purchase money mentioned in the original agreement shall be apportioned between each of the new agreements and the balance not surrendered, if any, by the Commissioner on the recommendation of the board. In other respects each such agreement shall be subject to the same terms and conditions as the agreement surrendered or partially surrendered.
208aa. (1) Any surrender under section 206 or 207 may be accepted, notwithstanding that any rent payable under the lease or any instalment or part thereof payable under the agreement is in arrear. In any case where the lease or agreement is partially surrendered or where the lease or agreement is surrendered in whole and two or more leases or agreements are granted in lieu thereof, the amount of the said arrears shall be apportioned between each of the new leases or agreements, as the case may be, and the balance not surrendered, if any, by the Commissioner on the recommendation of the board. If the lease or agreement is wholly surrendered and only one lease or agreement is granted in lieu thereof, the whole of the amount of the arrears shall be payable in respect of the new lease or agreement. The amount of the said arrears or, as the case may be, the amount of arrears apportioned as aforesaid, together with interest thereon at such rate of interest not exceeding five pounds per centum per annum as is fixed by the board, subject to the approval of the Commissioner, shall be paid in such instalments, and at such times and within such period as is fixed by the board, subject to approval of the Commissioner and shall be payable and recoverable in the same manner as the said rent or instalments to become due. The payment of the said instalments of arrears shall be deemed to be a covenant implied in the leases or agreements issued in place of the surrendered or partially surrendered lease or agreement and in the leases or agreements, if any, partially surrendered.

(2) If any such surrender comprises part only of any such lease or agreement, the lease or agreement shall upon registration of the surrender be deemed to be cancelled so far as regards the land comprised in the surrendered part, and the preceding sections of this Part so far as they relate to the term and conditions of the lease or agreement so partially cancelled, and to the fixing of the rent or purchase price thereunder shall, mutatis mutandis, be deemed to apply to the lease or agreement so partially cancelled.

208a. (1) Any mortgagee or encumbrancee under any mortgage or encumbrance registered under The Real Property Act, 1886, of any lease or agreement who in the exercise of any power under the mortgage or encumbrance or the said Act, sells the lease or agreement or any part thereof may, for the purpose of giving effect to any such sale, exercise all the powers of surrender under the preceding sections in this Part which the mortgagor or encumbrancer could exercise or could have exercised.
(2) Notwithstanding the provisions of The Real Property Act, 1886, or section 224 of this Act, upon the registration, under The Real Property Act, 1886, of any surrender aforesaid, the estate or interest of the mortgagor or encumbrancer therein described shall pass to and vest in the person nominated in the surrender, freed and discharged from any liability in respect of the mortgage or encumbrance or of any mortgage or encumbrance registered subsequent thereto. Any lease or agreement issued consequent upon such surrender shall be issued free of the said mortgage or encumbrance and of any mortgage or encumbrance registered subsequent thereto but shall be issued and be subject to any mortgage or encumbrance registered prior to the said mortgage or encumbrance, and such prior mortgage or encumbrance shall be noted on the lease or agreement so issued and shall be of the same force and effect and be construed as if it were a mortgage or encumbrance of the lease or agreement so issued.

(3) If any such surrender comprises part only of any such lease or agreement, the lease or agreement comprised in the mortgage shall, upon registration of the surrender as aforesaid, be deemed to be cancelled so far as regards the land comprised in the surrendered part, and the preceding sections of this Part so far as they relate to the term and conditions of the lease or agreement so partially cancelled, and to the fixing of the rent or purchase-price thereunder shall, mutatis mutandis, be deemed to apply to the lease or agreement so partially cancelled.

(4) Nothing in this section shall be deemed to authorise any mortgagee or encumbrancee to sell or transfer any lease or agreement or any part thereof except subject to the provisions of this Act.

209. Any person holding land under any tenure may surrender any portion of the said land on such terms as the board recommends subject to the consent of the Commissioner.

210. Any lessee under any Crown lease granted under any of the Crown Lands Acts, except Agricultural College endowed lands, may apply in writing to surrender his lease for a perpetual lease or an agreement under Part V.: Provided that this section shall apply only to any lease which—

(a) is solely used for pastoral or agricultural purposes, or both; or

(b) in the opinion of the Commissioner may not be required for subdivision or for public purposes.
211. (1) Upon an application being made under section 210, the board, subject to the approval of the Commissioner, shall fix the annual rent or purchase-money at which the perpetual lease or agreement may be obtained: Provided that—

1. the price fixed for repurchased lands under an agreement shall not be less than the cost of the same to the State, together with the cost of offering the same:

ii. the interest to be fixed under an agreement to be issued in lieu of a perpetual lease (not subject to revaluation) shall not exceed the rent then payable under the perpetual lease, except where the rent is equal to less than two pounds per centum per annum on the purchase-money, in which case the interest shall be at the said rate of two pounds per centum per annum.

(1A) Any application as aforesaid may be granted notwithstanding that any rent payable under the lease is in arrear. When in any such case the application is granted, the full amount of the said arrears of rent, together with interest thereon at such rate of interest not exceeding five pounds per centum per annum as is fixed by the board, subject to the approval of the Commissioner, shall be paid in such instalments, and at such times, as are fixed by the board, subject to the approval of the Commissioner, when fixing the annual rent or purchase-money as aforesaid, and shall be payable and recoverable in the same manner as the said rent or purchase money to become due, and the payment of the said instalments shall be deemed to be a covenant implied in the perpetual lease or agreement issued in place of the surrendered Crown lease.

(2) Upon the annual rent or purchase-money being so fixed, notice in writing of the amount thereof shall be given to the applicant, and the applicant, upon surrendering the lease, may, subject to the approval of the Commissioner and subject to subsection (3) hereof, obtain a perpetual lease or agreement at the said rent or purchase-money.

(3) The applicant shall, within three months after the giving of notice under subsection (2) hereof, accept or refuse the terms offered; and in the event of his agreeing to purchase, he shall forward with the notification of his acceptance an amount equal to the first half-yearly instalment of purchase-money.

(4) The Commissioner shall forthwith cancel the lease surrendered as aforesaid, so far as regards the land for which a perpetual lease or agreement has been granted, and the applicant shall, within the time and in manner prescribed, execute a new lease or agreement pursuant to Part V.

(5) Where a lease with a right of purchase is surrendered for a perpetual lease, the lessee may at the time of making the application for surrender, make application for the insertion in the perpetual lease of a provision for the purchase of the land. In any such case there shall be inserted in the perpetual lease a provision giving the lessee a right to purchase the fee simple of the land comprised in the lease at any time during that portion of the term of the surrendered lease which was unexpired at the time of the surrender, at the price at which the lessee could have completed purchase at the time of the surrender.

212. (1) The lessee under any Crown lease granted under any of the Crown Lands Acts, except a lease of Agricultural College endowed lands, may apply in writing to surrender his lease and purchase the fee simple thereof: Provided that this section shall apply only to any lease of land which—

(a) is solely used for pastoral or agricultural purposes, or both; or

(b) in the opinion of the Commissioner will not be required for subdivision or for public purposes.

(2) Upon an application being made under this section the board shall, subject to the approval of the Commissioner, fix the sum at which the fee simple of the land may be purchased and shall give notice thereof in writing to the applicant.

(3) The applicant shall, within three months after the giving of the notice under subsection (2) of this section, notify the Commissioner whether he accepts or refuses the terms offered. If he accepts, and if within one month after the Commissioner receives notice of his acceptance he surrenders his lease and pays the purchase-money and all proper fees he shall be entitled to receive a land grant for the land: Provided that the Commissioner may extend the time for surrender and payment.

(4) No lessee shall be entitled to purchase any land under this section until after the expiration of six years from the time when that land was originally leased to him or to his predecessor in title, nor unless the Commissioner is satisfied either that all the conditions of the lease have been fulfilled, or that the lessee has made such permanent improvements on the land that strict compliance with the conditions of the lease should be dispensed with.

(5) No person shall be entitled under this section to purchase the fee simple of any land of greater value than the maximum amount of land which could lawfully be included in an agreement granted to that person and to which section 220 applies.
213. The Commissioner shall once in every year lay before Parliament a statement of all cases in which he has declined to allow a surrender under sections 210, 211, or 212, stating in every case the reasons for the refusal.

214. (1) The lessee under any lease granted under the provisions of the Agricultural College Endowment Act, 1886, may, with the consent of the Commissioner and if all the covenants and conditions thereof have been complied with, surrender the lease for a perpetual lease under this Act.

(2) The application to surrender shall be in writing, and the provisions of section 211, mutatis mutandis, shall apply to and in respect of every such application and the surrender.

(3) The rent received in respect of any perpetual lease granted in any such case shall be deemed to be rent received in respect of a lease granted under the authority of the Agricultural College Endowment Act, 1886, within the meaning of section 7 of that Act.

215. Where any lessee of a homestead lease heretofore has surrendered the same pursuant to section 174 of the Crown Lands Act, 1903, or section 212 of the Crown Lands Act, 1915, or hereafter surrenders the same pursuant to section 210 of this Act, and has obtained or obtains a perpetual lease or agreement in lieu thereof, the said perpetual lease or agreement shall, notwithstanding, be and remain subject to all the conditions relating to homestead leases, and the lessee or purchaser shall be and remain bound by all the covenants and provisions relating to those leases.

216. Any person who surrenders lands under a scrub lease for an agreement shall be credited as against the instalments of purchase-money payable under the agreement with the whole amount paid by him to the Crown in respect of the purchase-money thereunder.

217. If any person having a right to surrender a lease in exchange for a lease or agreement dies, or is adjudicated bankrupt, or executes a statutory deed of assignment for the benefit of his creditors, his executors or administrators, or the trustee or other person in whom the lease or agreement vests under his will, or by virtue of the bankruptcy or assignment, may exercise all powers of surrender and exchange, and powers incidental thereto, which the said person could have exercised.

* 214. The Agricultural College Endowment Act, 1886, has been repealed and superseded by the Agricultural College Act, 1936. Section 7 of the former Act has been superseded by section 10 of the latter Act.*
218. (1) Any person surrendering his lease for a lease or agreement under this Act shall have a right of appeal to the Commissioner against the decision of the board fixing the amount of rent and purchase-money, or either, as the case may be.

(2) The appeal shall be made within three months from the notification to the intending lessee or purchaser of the amount of the rent or purchase-money.

(3) The Commissioner shall refer the appeal to the board for reconsideration and a report thereon, and may, after receiving the report from the board, reduce the rent and purchase-money, or either: Provided that the purchase-money of any repurchased lands shall not be less than the cost of the same to the State, together with the costs of offering the same.

(4) The appellant shall, within three months after the decision of the appeal, accept or refuse the payment of the rent or purchase-money as fixed by the Commissioner in deciding the appeal.

219. If a lessee does not accept, or if he refuses, the terms offered, or the payment of the rent or purchase-money, as provided by subsection (3) of section 211, or subsection (4) of section 218 (according to the nature of the case), the said lessee may make a fresh application under section 210, and may, in similar circumstances, if he so desires, make fresh applications under that section from time to time.

220. (1) Any lease surrendered for a perpetual lease, or for an agreement other than for repurchased lands, is surrendered subject to the following conditions:

1. If the lease so surrendered is other than a miscellaneous lease or a perpetual lease subject to revaluation, the unimproved value of the land to be included in the perpetual lease or agreement, and the unimproved value of all other lands held by the lessee or purchaser under any tenure, shall not altogether exceed seven thousand pounds, except where the land to be included in the perpetual lease or agreement is, in the opinion of the Commissioner, suitable only for pastoral purposes:

1a. If the lease so surrendered is a miscellaneous lease or a perpetual lease subject to revaluation, the unimproved value of the land to be included in the perpetual lease or agreement, and the unimproved value of all other lands held by the lessee or purchaser under
any tenure, shall not altogether exceed five thousand pounds, except where the land to be included in the perpetual lease or agreement is, in the opinion of the Commissioner, suitable only for pastoral purposes:

II. If the land so to be included is, in the opinion of the Commissioner, suitable only for pastoral purposes, the carrying capacity thereof unimproved and of all other lands held by the lessee or purchaser under any tenure, shall not altogether exceed five thousand sheep, or if the land is outside Goyder's line of rainfall, ten thousand sheep: Provided that in making any computation as to carrying capacity, lands held under a lease granted under the Pastoral Act, 1936, or any Act repealed by that Act, shall not be included.

(2) For the purpose of paragraph 1. of subsection (1) hereof the unimproved value of the land shall be determined by the board, subject to the approval of the Commissioner, according to the actual value, irrespective of the amount of the purchase-money mentioned in any right of purchase lease granted in respect thereof.

(3) For the purposes of subsection (1) hereof, account shall not be taken of the value of lands within the limits of any city or town held by the lessee or purchaser nor of the value of lands held by him under any miscellaneous lease or under lease under the Pastoral Act, 1936, or any Act repealed by that Act.

221. (1) The purchaser under any agreement (except an agreement under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act) may apply in writing to surrender his agreement for a perpetual lease of the land comprised therein.

(2) Upon an application being made under this section the board, subject to the approval of the Commissioner, shall fix—

(a) the annual rent at which the lease may be obtained in perpetuity; and

(b) the annual rent at which the lease may be obtained for the first ten years after which the rent shall be fixed in perpetuity as hereinafter provided.

In fixing the rents pursuant to this section the board shall take into consideration any amount of purchase price paid on or before the date from which the lease issued in lieu of the surrendered agreement is granted or deemed to be granted.
(2AA) The applicant may at his option obtain a perpetual lease at the rent fixed pursuant to paragraph (a) of subsection (2), or a perpetual lease of which the rent for the first ten years shall be as fixed pursuant to paragraph (b) of subsection (2) and of which the rent from the end of the first ten years shall be such amount as is fixed at the expiration of the said period by the board, subject to the approval of the Commissioner.

(2AB) The rent to be fixed under any such lease shall in no case exceed an amount equal to interest on the price at which the applicant could have completed purchase at the time of the surrender of the agreement calculated for one year at the rate of interest provided for in the agreement.

(2AC) Any lease granted pursuant to this section may be granted as from any period not exceeding five years before the date of the approval to the surrender, and any lease so granted shall be deemed to have taken effect from the commencement of such period. The said period shall be fixed by the board subject to the approval of the Commissioner. Any amounts paid during any such period in respect of instalments under the agreement surrendered as aforesaid, which became due during the said period, shall be deemed to have been paid in pursuance of the covenants of the lease and shall be appropriated accordingly and, except for that purpose, the agreement shall be deemed to have been determined from the commencement of the said period.

(2a) Any application under this section may be granted notwithstanding that the instalments payable under the agreement are in arrear. When in any such case the application is granted, the full amount of the arrears of interest payable under the agreement, together with interest thereon at such rate not exceeding five pounds per centum per annum, as is fixed by the board, shall be paid in such instalments, and at such times, as are determined by the board, subject to the approval of the Commissioner, when fixing the rent, and shall be payable and recoverable in the same manner as the rents to become due, and the payment of the said instalments shall be deemed to be a covenant implied by the lease issued in place of the surrendered agreement.

(3) The provisions of subsections (2), (3), and (4) of section 211, mutatis mutandis, shall apply to and in respect of any such application and surrender.

(4) The purchaser under any agreement surrendered as aforesaid may at the time of making the application for surrender make application for the insertion in the perpetual lease of a provision for the purchase of the land. In any such
case there shall be inserted in the perpetual lease a provision giving the lessee a right to purchase the fee simple of the land comprised in the lease at any time during that portion of the term of the surrendered agreement which was unexpired at the time of the surrender, at the price at which the lessee could have completed purchase at the time of the surrender.

222. (1) The Commissioner may, upon the application—

(a) of the executor of any deceased lessee or purchaser under any Crown lease or agreement, who has left a will, or of any person entitled to obtain letters of administration of the estate of such deceased lessee or purchaser or of any part of such estate left unadministered; or

(b) of the widow, widower, or next of kin of any deceased lessee or purchaser under any Crown lease or agreement, who has died intestate,

permit the surrender of the lease or agreement by the said executor, person, widow, widower, or next of kin, in the name of the deceased lessee or purchaser without probate of his will or letters of administration of his estate or of any part thereof left unadministered having been granted, if the Commissioner is satisfied that—

i. the applicant is the person entitled to prove the will of the deceased, or to obtain letters of administration of his estate, or of the part thereof left unadministered;

ii. the whole of the estate of the deceased does not exceed in value the sum of two hundred pounds;

iii. all the lawful debts and funeral expenses of the deceased have been paid;

iv. all succession duties (if any) have been paid in respect of the deceased's estate; and

v. the will (if any) of the deceased has been filed in the Supreme Court;

and the Commissioner may accept the surrender, and the Governor may issue a new lease or agreement, of the same kind and subject to the same terms and conditions as the surrendered lease or agreement, to the applicant or to any person named by him: Provided that no such application shall be allowed until after notice thereof has been published for two weeks in the Government Gazette, nor until after the expiration of two months from the time of the death of the deceased.
(2) The Registrar-General shall register every such surrender without the production of any probate, or letters of administration, or requiring any transmission to any executor or administrator.

(3) Every such new lease or agreement shall be held, but so as not to affect the indefeasibility of a Real Property Act title, subject to the dispositions of the will or rights arising on intestacy as if probate or letters of administration, as the case may be, had been granted.

223. (1) When a lessee or purchaser holds land under one lease or agreement, and also holds land under one or more other leases or agreements, and—

(a) the said leases or agreements are all of the same class, and all contain substantially the same covenants, conditions, and reservations; and

(b) the terms of the said leases and agreements all end on the same date, or within one period of twelve months,

the lessee or purchaser may apply in writing for leave to surrender the leases or agreements for one lease or agreement comprising the whole of the said lands.

(2) If the Commissioner approves of the application, the lessee or purchaser may tender a surrender of the leases or agreements in the prescribed form and executed in the prescribed manner; and the Commissioner may, if he thinks proper, accept the surrender in the name and on behalf of His Majesty.

(3) If the surrender is accepted, one lease or agreement shall be issued to the lessee or purchaser; and that lease or agreement shall—

(a) be of the same class as;

(b) comprise the whole of the lands comprised in; and

(c) contain substantially the same covenants, conditions, and reservations as are contained in, the surrendered leases or agreements, and shall be for a term ending on the same date as the terms of those leases or agreements, or as such of those terms as ends on the latest date.

224. (1) No lease or agreement which is subject to any estate, interest, or caveat registered or noted on such lease or agreement shall be surrendered, as regards either the whole or any part of the land therein comprised, unless the person entitled to that estate or interest or, as the case may be, the person who lodged the caveat has consented in writing to the proposed surrender.
PART XI.

The board shall not uphold any such objection unless it has first given the applicant and the intended transferee or sublessee an opportunity of answering the objection either in writing or by appearing personally before the board:

V. If the board recommends the granting of the application, but not otherwise, the Commissioner may, if he thinks proper, by writing signed by him, consent to the transfer or subletting.

(2) Subject to subsections (3) and (4) of this section, no recommendation or consent shall be given under this section of or to any transfer or subletting, if the effect thereof will be to increase the holding of the proposed transferee or sublessee, under any tenure, to land the unimproved value of the fee simple of which exceeds seven thousand pounds. If at the time when the application for consent is being dealt with by the board the proposed transferee or sublessee does not hold any land and is not entitled to any land under a transfer or sublease to which the Minister has given his consent, the board may recommend and the Commissioner may give his consent to the transfer or subletting although the unimproved value of the fee simple of the land proposed to be transferred or sublet exceeds the said amount.

(3) For the purposes of subsection (2) of this section, account shall not be taken of the value of lands within the limits of any city or town held by, or proposed to be held by, the transferee or sublessee.
transferred or sublet to, the proposed transferee or sublessee, nor of the value of lands held by him under any miscellaneous lease or under any lease granted under the Pastoral Act, 1904.

(4) Notwithstanding anything in this section, the board may recommend, and the Commissioner may consent to, the transfer or subletting of any lands suitable only for pastoral purposes, if the effect thereof will not be to increase the holding of the proposed transferee or sublessee, under any tenure, to land which is capable of carrying more than five thousand sheep, or, if the land is situated wholly or partly outside Goyder's line of rainfall, more than ten thousand sheep: Provided that, in making any computation for the purposes of this subsection, lands held under a lease granted under the Pastoral Act, 1904, shall not be included.

(5) Notwithstanding anything in this section the board may recommend and the Commissioner may consent to the transfer or subletting of any land if owing to special circumstances it is in the opinion of the board and the Commissioner just and reasonable that the transfer or subletting should be permitted.

(6) Consent shall not be given to a transfer or subletting to take effect within the period of five years from the date of the lease or agreement, which period shall, in case the lease or agreement has been obtained on the surrender of another lease or agreement, be computed from the date of the original lease or agreement: Provided that this subsection shall not—

i. apply to transfers by executors or administrators to devisees under the wills under which they act:  

ii. prevent consent being given in any case where it is proved to the satisfaction of the Commissioner that the refusal thereof would inflict great hardship upon the person proposing to transfer or sublet.

(7) The provisions of this section shall not apply to—

(a) the transfer of, or the subletting of land comprised in any existing lease granted under any Act which was repealed by the Crown Lands Act, 1903, or granted under any earlier Crown Lands Act, provided that the said Act contained express provision contrary to the provisions of this section and applicable to the said lease:

(b) any subletting with the consent of the Commissioner pursuant to section 57.

s. 225. (4). The Pastoral Act, 1904, has been repealed and superseded by the Pastoral Act, 1936.
(8) The provisions of this section other than subsections (1) and (6) do not apply to transfers of agreements under Part X. of the Crown Lands Act, 1903, Part X. of the Crown Lands Act, 1915, or Part X. of this Act, nor to the subletting of land comprised in those agreements. All such transfers and sublettings are regulated by subsection (2) of section 181.

(9) The Commissioner shall not capriciously withhold his consent to any proposed transfer or subletting.

226. Except in any cases as to which it is otherwise expressly provided by this Act no agreement, whether verbal or in writing, for the sale, transfer or subletting of—

(a) any perpetual lease;
(b) any lease with right of purchase;
(c) any other lease, where the agreement cannot be given effect to without the Commissioner’s consent;
(d) any agreement for sale;
(e) any interest in any such lease or agreement as hereinbefore mentioned; or
(f) the land or any interest in the land comprised in any such lease or agreement as hereinbefore mentioned,

shall be of any validity or have any force or effect after the expiration of one year from the making of the agreement, unless before the said expiration the consent in writing of the Commissioner to the proposed dealing has been obtained: Provided that this section shall not apply to any agreement which was in existence on the seventh day of December, nineteen hundred and ten, nor to any agreement thereafter made in pursuance of any agreement which was in existence on that day and for the purpose of giving effect to that agreement.

s. 226 LANG v. CASTLE AND ANOTHER (1924) S.A.S.R. 255; 6 Austn. Digest 931. Construction of "proposed dealing." The term is a compendious expression synonymous with "sale, transfer, or subletting."

MAY v. DALY (1927) S.A.S.R. 428. If a breach of the agreement for sale, etc. occurs within the year during which the consent of the Commissioner may be obtained a right of action for damages is not lost or determined upon the expiry of the year.

JERicho v. GUGLIELMINI (1938) S.A.S.R. 292. Where an application for consent was considered by the Commissioner and a minute of approval given and a letter was sent by the Department intimating that formal consent would be issued after payment of certain mortgage moneys (which was not made) and it was the practice of the Department when such a requisition had been complied with to issue the formal consent without reference to the Commissioner, held that consent had been given when the letter was written.

227. (1) Notwithstanding any law or usage to the contrary, it is hereby declared that any prohibition, express or implied, contained in this Act, or in any lease or agreement issued under this Act or any repealed Act, against the transferring, assignment, or subletting of land comprised in any such lease or agreement without the consent of the Commissioner first had in each case, shall be construed to extend to and to include the prohibition of—

(a) every form of alienation, or attempted alienation, without such consent as aforesaid, of the land comprised in the lease or agreement; and

(b) the mere parting, before such consent is actually obtained, with the possession of the land, or any part thereof, in pursuance of any agreement for the alienation thereof, whether the said agreement is executory or otherwise and whether the same is or is not enforceable in law, and whether or not the said alienation is thereby agreed to be made subject to such consent,

and upon any breach of any such prohibition as hereby extended the Commissioner shall have the same powers of re-entry and forfeiture as in the case of a breach of any such prohibition as hereinbefore first mentioned.

(2) Any person, who gives or takes possession of any land, or any part of any land, comprised in any such lease or agreement contrary to such prohibition as aforesaid as hereby extended shall be liable to a penalty not exceeding fifty pounds, and in addition the lease or agreement comprising the land or part shall be liable to be absolutely forfeited without any compensation being payable to the holder thereof.

(3) In the case of any person transferring, assigning, or subletting contrary to such prohibition as hereby extended without such consent as aforesaid, any deed, written instrument, or other agreement whereby the transfer, sublease, or assignment is made, or for the occupation of any land so transferred, assigned, or sublet, shall be wholly null and void for all purposes whatsoever.

s. 227. Lang v. Castle and another (1924) S.A.S.R. 255; 6 Austn. Digest 927. "Every form of alienation" is not limited to the disposition of a registered estate and means the act of an owner in disposing of an interest in the property. An executory contract for the alienation of a Crown lease cannot pass the beneficial ownership until the consent of the Commissioner is obtained. Similarly, the condition precedent of consent to a contract for alienation is to be taken as implied unless excluded by the language of the contract.

Harel v. Teller (1929) S.A.S.R. 170; 6 Austn. Digest 930. "Agreement" means agreement de facto and includes any illegal arrangement which is not merely unenforceable but is actually prohibited under penalty in subsection (2) and nullified by subsection (3). "In pursuance of" or "pursuant to" an agreement is capable of a wide meaning, which includes acts done in intended or substituted performance, as well as acts done strictly in performance of the contract.

PART XIII.

SALES OF LANDS, EXCHANGE OF LANDS, GRANTING OF SITES FOR BUILDINGS.

DIVISION I.—SALES OF LANDS.

228. The following lands may be sold by auction for cash:—

I. Special blocks: Any single section of Crown lands which is surrounded by lands sold or contracted to be sold under any of the Crown Lands Acts, and has been withdrawn from sale or lease; also any section or block of land belonging to or vested in the Crown (not exceeding one hundred acres in area) which may be required for the establishment of any industry, trade, or business, or for any other purpose approved by the Governor:

II. Crown lands within hundreds which have been offered for lease under Part V. of the Crown Lands Act, 1903, Part V. of the Crown Lands Act, 1915, or Part V. of this Act, and have not been taken up within two years from the day when they were first open to be taken up:

III. Town lands:

IV. Suburban lands which the Governor, by proclamation, excepts from being dealt with by the board.

229. The Commissioner may fix an upset price at which any such lands may be offered at auction, and may raise or lower any such upset price.

230. A statement setting forth the lands, the upset price, and the time and place of auction shall, prior to any sale, be published for not less than four consecutive weeks in the Government Gazette.

231. No Crown lands shall be sold for cash at public auction unless on condition that the purchaser shall, at the sale, pay in ready cash a deposit of at least twenty per centum of the purchase-money, and shall pay the residue within one month thereafter, or within such extended time as the Commissioner may allow.

232. (1) All Crown lands, except town or suburban lands, proposed to be offered for sale may nevertheless be taken up on lease or agreement not less than thirty days prior to the auction; and lands so offered and not sold shall remain open for leasing or sale under agreement or may be sold by private contract for cash at the upset price at which the same were last offered.
(2) Town and suburban lands offered for sale and not sold may be sold by private contract for cash at any price not less than the upset price at which the same were last offered.

232a. (1) The Commissioner, by notice in the Government Gazette—

(a) may declare that estates in fee simple in any specified blocks of town land in the town of Whyalla may be applied for in writing:

(b) shall declare the price of every such block in accordance with the recommendation of the board made in that behalf:

(c) shall set out the terms of payment of the purchase money and any conditions to which any blocks will be subject, pursuant to section 232h, 234, or 235, of this Act, and any other conditions or stipulations binding on the purchaser:

(d) shall fix a day, not earlier than one month after the publication of the notice in the Government Gazette before which applications for the blocks mentioned in the notice must be made.

(2) The Commissioner shall not give any notice as aforesaid in respect of any blocks unless the board recommends that it is desirable that the blocks should be used as sites for dwelling-houses.

232b. (1) Every application made pursuant to the last preceding section shall be made to the Commissioner in writing, giving the name, address and occupation of the applicant, and specifying the land applied for.

(2) Every such application shall be accompanied by an amount equal to twenty per centum of the price, as notified in the Government Gazette, of the land applied for: Provided that if twenty per centum of that price is less than one pound no amount need be forwarded with the application.

(3) The successful applicant for any land offered under the last preceding section shall pay the balance of the purchase-money within one month after notice of the allotment of the land to him is published in the Government Gazette, or within such extended time as the Commissioner may allow.

(4) Any amount deposited under subsection (1) of this section by an applicant whose application is refused, shall be refunded to that applicant.
232c. All applications pursuant to section 232a of this Act shall forthwith after the receipt thereof be referred by the Commissioner to the board unless the land is withdrawn from sale; and the board shall consider all the applications and allot the land in such manner as it deems just and expedient.

232d. (1) All applications made pursuant to section 232a of this Act and received prior to or on the day specified in the Government Gazette as the last day for receiving such applications, shall be dealt with as simultaneous applications.

(2) Simultaneous applications may be decided by lot by the chairman of the board where any difficulty arises in deciding the successful applicant.

232e. The Commissioner, upon being informed by the board of the names of the successful applicants for town land within the town of Whyalla shall cause those names to be published in the Government Gazette, with the particulars of the lands allotted to them and the price payable.

232f. If no application for a block offered by notice under section 232a of this Act is made within the time fixed by that notice, the Commissioner may again offer that block in accordance with the last five preceding sections at such reduced price as the board recommends.

232g. Any block not allotted after being offered by notice under section 232a of this Act may be sold by auction as if it had never been so offered.

232h. (1) Whenever any town land in the town of Whyalla is sold under any provision of this Part that land may, if the Commissioner so directs, be sold subject to all or any of the following conditions, namely:

(a) that the purchaser or his successor in title shall, during any periods specified in the condition personally reside upon the land;

(b) that the purchaser or his successor in title shall, within such time as is specified in the condition, erect on the land in accordance with plans and specifications to be approved by the Commissioner, such premises, being either a dwelling-house, business premises, or other premises, as are mentioned in the condition, and that the purchaser and his successor in title shall not, without the consent in writing of the Commissioner, erect on the land any other premises:
(c) conditions regulating or restricting, in such manner as is specified in the conditions, the purposes for which the land may be used.

(2) Any such condition, if imposed, shall be expressed in the receipt for the purchase-money and in the land grant.

(3) When a certificate of title is issued in respect of any land comprised in any land grant in which any such condition is expressed the Registrar-General shall cause a statement to be inserted in or indorsed on the certificate to the effect that the land is subject to the said condition, and setting forth terms of the condition.

(4) Upon any breach of the said condition in respect of any land the Governor may, by notice published in the Government Gazette, cancel the sale of the said land; whereupon the said sale shall become absolutely void, and the said land shall be forfeited to the Crown.

(5) Upon the filing in the Lands Titles Registration Office by the Commissioner of a copy of the Government Gazette containing any such notice, the Registrar-General shall make and sign an indorsement on the receipt for the purchase-money of the land, if it has been filed in his office, or on any land grant or certificate of title which has been issued in respect of the land, or any part thereof, to the effect that the said receipt, land grant, or certificate is cancelled to the extent that it applies to such land or such part, the same having been forfeited to the Crown. The receipt, land grant, or certificate shall thereupon be cancelled to the said extent, and the said land shall thereafter, for the purposes of this Act and The Real Property Act, 1886-1936, be dealt with and regarded as if it had never been alienated from the Crown. The Registrar-General shall also call in and indorse in the same manner the duplicate of the land grant or certificate, which shall thereupon be cancelled to the said extent.

(6) The Commissioner may, on the recommendation of the Land Board, and if he thinks that special circumstances exist, which justify him in so doing, exempt any person from the obligation to comply with any such condition as mentioned in subsection (1) of this section.

(7) If a condition to which any land is subject under this section has been complied with to the satisfaction of the Commissioner, or has been waived by the Commissioner, he may give a certificate to the owner of the land or any other person having any estate or interest therein, stating that the said condition has been complied with or waived, as the case may be. The Registrar-General, upon production to him of

DIVISION I.

the said certificate, and upon payment of a fee of five shillings, shall indorse on the relevant receipt, land grant, or certificate of title a note of the certificate and upon such indorsement being made, the land and all persons having any estate or interest therein shall be discharged from the condition.

(8) The provisions of this section shall take effect notwithstanding anything in The Real Property Act, 1886-1936, or any other Act or law to the contrary.

232i. (1) Notwithstanding any other provision of this Part, when the Commissioner has by notice in the Gazette declared that estates in fee simple in any blocks of town land in the town of Whyalla may be applied for, any employer may apply for any of those blocks which he requires for the purpose of providing dwelling-houses for his employees.

(2) If the board is satisfied that the employer intends in good faith to erect dwelling-houses on the blocks applied for, and to sell, lease or let those houses to his employees, or to grant to his employees the right to use and occupy them, and that if any such house is sold by the employer to any employee, the price will not exceed the cost to the employer of that house and the site thereof, the board may allot to the employer such of the blocks applied for as the board deems proper.

(3) Section 235 of this Act shall not apply in relation to any blocks allotted under this section.

232j. Nothing in sections 232a to 232i. inclusive, shall affect the application to land within the town of Whyalla of any other provision of this Act, except to the extent that such other provision is inconsistent with the said sections.

233. Purchase-moneys from the sale of lands under this Division shall form a fund primarily applicable to the payment of such portion of the public liabilities as since the first day of January, nineteen hundred and four, has been specially charged thereon or as after the passing of this Act is specially so charged.

234. (1) Whenever any town land is sold under any of the provisions of this Act, that land may, if the Commissioner so directs, be sold subject to the condition that it is not to be transferred, mortgaged, or otherwise dealt with, within six years from the date of the sale thereof without the consent in writing of the Commissioner, and that upon any breach of the
said condition the sale may be cancelled; and in such case the said condition, including the date when the same is to terminate, shall be expressed in the receipt for the purchase-money and in the land grant.

(2) When a certificate of title is issued in respect of any land comprised in any land grant in which the said condition is expressed, the Registrar-General shall cause a statement to be inserted in or indorsed on the certificate to the effect that the land is subject to the said condition, and setting forth the terms of the condition and the date when it will terminate.

(3) Upon any breach of the said condition in respect of any land the Governor may, by notice published in the Government Gazette, cancel the sale of the said land; whereupon the said sale shall become absolutely void, and the said land shall be forfeited to the Crown.

(4) Upon the filing in the Lands Titles Registration Office by the Commissioner of a copy of the Government Gazette containing any such notice, the Registrar-General shall make and sign an indorsement on the receipt for the purchase-money of the land filed in his office (if the same has been so filed) or on the land grant of the land (if the same has been issued), or on any certificate of title which may have been issued in respect of the land, or any part thereof, to the effect that the said receipt or land grant or certificate is cancelled to the extent that it applies to such land or such part, the same having been forfeited to the Crown. The receipt or land grant or certificate shall thereupon be cancelled to the said extent, and the said land shall thereafter, for the purposes of The Real Property Act, 1886, be dealt with and regarded as if it had never been alienated from the Crown. The Registrar-General shall also call in and indorse in the same manner the duplicate of the land grant or certificate, which shall thereupon be cancelled to the said extent.

(5) The provisions of this section shall take effect notwithstanding anything in The Real Property Act, 1886, or any other Act or law to the contrary.

235. (1) Whenever any town lands are sold by auction, under any of the provisions of this Act, it may, if the Commissioner so directs, be made a condition of the sale that not more than a specified number of allotments thereof shall be purchased by or on behalf of any person.

(2) Where town lands are sold by auction subject to the said condition, and it is shown to the satisfaction of the Commissioner that more than the specified number of allotments thereof has been purchased by or on behalf of any
person, the Governor may, by notice published in the Government Gazette, cancel the sale of all or any of the allotments purchased by or on behalf of that person (hereinafter called "the cancelled allotments"); whereupon the sale of the cancelled allotments shall become absolutely void, and the cancelled allotments shall be forfeited to the Crown.

(3) Upon the filing in the Lands Titles Registration Office by the Commissioner of a copy of the Government Gazette containing any such notice, the Registrar-General shall make and sign an indorsement on the receipts for the purchase-money of the cancelled allotments filed in his office (if the same has so been filed) or on the land grant of the cancelled allotments (if the same has been issued), or on any certificate of title which may have been issued in respect of the cancelled allotments or any of them, to the effect that that receipt or land grant or certificate is cancelled to the extent that it applies to the cancelled allotments or any of them, the same having been forfeited to the Crown. The receipt or land grant or certificate shall thereupon be cancelled to the said extent, and the cancelled allotments shall thereafter, for the purpose of The Real Property Act, 1886, be dealt with as if they had never been alienated from the Crown. The Registrar-General shall also call in and indorse in the same manner the duplicate of the said land grant or certificate, which shall thereupon be cancelled to the said extent.

(4) The provisions of this section shall take effect notwithstanding anything in The Real Property Act, 1886, or any other Act or law to the contrary.

236. Every agreement, whether in writing or otherwise, whereby any person promises or agrees, either directly or indirectly, to give or allow any sum of money, reward, benefit, or thing to any other person, in consideration of that other person not bidding at any auction under this Act, or of his not competing at any such auction, or in consideration of his bidding to a limited amount only, or of his withdrawing from competition at any such auction, or in consideration of his doing any other act or thing which in any way might tend to prevent free and open competition at any such auction, shall be wholly illegal and void.

237. Any agreement by any person to pay more than two and a half per centum on the purchase-money to any other person for bidding or acting for the said first-mentioned person at any auction under this Act shall be absolutely illegal and void.

DIVISION II.—EXCHANGE OF LANDS.

238. Any Crown lands, or, subject to section 128 of the Pastoral Act, 1904, any lands set apart, dedicated, or reserved for any of the purposes mentioned in section 5 (except lands dedicated under subdivision (d) of the said section 5, under subdivision (d) of section 5 of the Crown Lands Act, 1915, or under subdivision (d) of section 7 of the Crown Lands Act, 1903), or held under lease or agreement, may, notwithstanding any lease or agreement thereof, be exchanged for any other lands in the State, subject to the following provisions:

(i) The Commissioner shall cause plans and a valuation to be made of the lands proposed to be given and of the lands proposed to be taken in exchange;

(ii) The board shall report on the proposed exchange;

(iii) The said plans, valuation, and report, together with a statement of the terms of exchange, shall be laid before both Houses of Parliament for fourteen days, and resolutions approving of the exchange shall be adopted.

After such adoption as aforesaid the lands proposed to be given in exchange may be granted for an estate in fee simple, a perpetual lease or agreement, or such lesser estate as may have been agreed upon.

239. The land given in exchange may be sold or let by the Commissioner to the original lessee of the land exchanged for the unexpired term of his original lease, on terms to be agreed upon, and on the lessee or purchaser surrendering his original lease or agreement.

240. The lands taken in exchange shall be set apart, dedicated, or reserved (as the case may be) for the same purposes as those for which the lands given in exchange were set apart, dedicated, or reserved.

DIVISION III.—GRANTING OF SITES.

241. (1) The Governor may at any time, on the application in writing of the purchaser or lessee under any of the Crown Lands Acts, grant any of the land comprised in his agreement or lease—

(a) to any corporation or to trustees, to be used as a site for a school, church, chapel, institute, or hospital, or for any other public or charitable purpose whatsoever: Provided that the land granted for any one of the said purposes does not exceed two acres:

*238. The Pastoral Act, 1904, has been repealed and superseded by the Pastoral Act, 1936. Section 128 of the former Act has been superseded by section 136 of the latter Act.*

PART XIII.

DIVISION III.

(b) to the holder, or lessee, or his nominee, to be used as a site for a blacksmith's shop, carpenter's shop, mill, store, or post office, or for any other purpose approved by the Governor: Provided that—

i. the land granted for any one of the said purposes does not exceed one acre;

ii. the land is not situated within five miles of town lands; and

iii. such security is given to the Governor as he thinks proper that the land will be used for one of the said purposes.

Amended by 2060, 1931, s. 16.

Purchase money for site to be paid on application.
1199, 1915, s. 243.
Amended by 40, 1939, s. 17.

(2) Any lands granted pursuant to subsection (1) hereof may, with the consent of the Governor, be exchanged for other lands granted for the purpose for which the lands first mentioned were granted, or may be surrendered to the Crown freed from any trust, express or implied, or subject to such trusts as the Governor approves.

242. The purchaser or lessee shall, at or before making his application, pay to the Treasurer the purchase-money for the land, fixed (if the land is subject to a contract for a lease with right of purchase or to an agreement) at the rate per acre at which he has agreed to purchase or has the right to purchase the land; or (in other cases) by the Commissioner on the recommendation of the board.

243. After the grant the lease or agreement shall be read as if the land comprised in the grant had been expressly excepted from the operation of the lease or agreement.

PART XIV.

LICENCES.

244. The Commissioner or any person authorised by him may grant licences, as provided by this section, to persons to enter upon and occupy the lands described in the licences for the objects and purposes hereunder expressed:—

i. With respect to any Crown lands or any other lands belonging to or vested in the Crown (not being lands let on perpetual lease within hundreds, or on lease with right of purchase, or lands under agreement to

s. 244. The Pastoral Act, 1904, has been repealed and superseded by the Pastoral Act, 1936.

purchase), or leased for miscellaneous purposes, or comprised in leases under the Pastoral Act, 1904, licences may be granted for the purpose of cutting, obtaining, and taking away any live or dead timber, gravel, stone, clay, earth, guano, manure, shell, or seaweed:

ii. With respect to any Crown lands, dedicated or reserved lands, or lands leased for pastoral purposes, licences may be granted for—

(a) fishermen's residences and drying grounds:

(b) manufactories, fellmongering establishments, slaughter-houses, brick or lime kilns, or sawmills:

(c) except in the case of lands leased for pastoral purposes, depasturing the lands with cattle, sheep, or other animals:

(d) any other purpose approved by the Commissioner, whether similar to any of the above-mentioned purposes or not.

245. The Commissioner may, by notice in the Government Gazette, prohibit any licensed or unlicensed person from exercising, on any lands described in the notice, any one or more of the powers conferred by licence or other authority for any of the purposes mentioned in paragraph 1. of section 244; and any person who commits any act in contravention of any such notice shall forfeit his licence.

246. Every licence shall continue in force for a period not exceeding one year from the date of issue, and shall be subject to the payment of such fee, and to such restrictions and conditions as are imposed by the Commissioner.

PART XV.

SPECIAL PROVISIONS AS TO LANDS OUTSIDE GOYDER'S LINE OF RAINFALL.

247. Notwithstanding anything contained in this Act, when the Commissioner consents to the transfer of any lease (not being a lease under the Pastoral Act, 1904), of land suitable only for grazing purposes, situate outside Goyder's line of

\[\text{Footnote: 8. 247. The Pastoral Act, 1904, has been repealed and superseded by the Pastoral Act, 1936.}\]
rainfall, he may permit any rent then owing by the transferring lessee, together with interest at the rate of four per centum per annum, to be paid by the transferee by instalments extending over any period not exceeding five years.

248. (1) Any lessee who has transferred a lease such as mentioned in section 247, and any lessee of any land suitable only for grazing purposes situated outside Goyder's line of rainfall, whose rent is in arrear and unpaid, and who is unable to transfer his lease, may, on application to and approval by the Commissioner, be allotted by the board any Crown lands within the said line of rainfall which are available; and in such case, notwithstanding anything contained in this Act, the allottee may, subject to the payment by him of interest, at the rate of four per centum per annum, on the rent or instalments (as the case may be) becoming due in respect of the land so allotted for the first three years of the lease or agreement, be allowed three years wherein to pay the rents or instalments (as the case may be) so becoming due for the said first three years.

(2) The lease or agreement shall not be issued, nor shall any transfer be permitted, in respect of the land so allotted, until the moneys due thereon have been paid.

PART XVI.
MISCELLANEOUS.

249. Wherever by any provision of this Act or of any lease or agreement made under this Act or any repealed Act power is given—

(a) to cancel or forfeit an agreement or lease; or

(b) to accept the surrender of an agreement or lease; or

(c) to resume lands comprised in an agreement or lease,

that provision shall be read as conferring the said power upon the Commissioner, and not upon the Governor, unless the contrary is expressly provided.

250. (1) The care, control, and management of all lands reserved or dedicated by the Governor for or to any public purpose shall, in the interim between the reservation or dedication of the lands and the grant thereof in fee, be vested in the Commissioner.
(2) The said lands shall during the said interim be deemed Crown lands, except for the purpose of sale, or for the purpose of leasing under Part V.

(3) Nothing in this section shall affect any lands the care, control, and management of which have already been or are hereafter placed in a municipal corporation or district council.

251. All Crown lands within hundreds, and not within any municipality or district council district, shall be subject to such rights of commonage as, with the consent of the Commissioner, are from time to time prescribed.

252. (1) No person under the age of eighteen years shall be entitled to hold, directly or otherwise, any lands comprised in any agreement, lease, or licence under this Act, unless that person becomes entitled to the agreement, lease, or licence as the personal representative of a purchaser, lessee, or licensee.

(2) All covenants and conditions contained in or imposed by any agreement, lease, or licence granted, transferred or transmitted to any minor of the age of eighteen years or upwards shall be as binding upon the minor as if he were of full age.

253. Every Crown lands ranger shall do all acts for preventing intrusion, encroachment, and trespass on lands belonging to or vested in the Crown, and for taking possession of any such lands in case of forfeiture, and for such other purposes as the Commissioner generally or specially directs or authorises.

254. (1) The powers conferred upon Crown lands rangers by this Act, may be exercised within a district council district by any district council ranger appointed by the council thereof, in respect of Crown lands, roads, or reserves under the control of the council.

(2) All penalties incurred within the district, and recovered under this Part, shall be paid to the council.

255. (1) Any Crown lands ranger may give any notice, make any claim, and make, or authorise any person to make, any entry which is requisite to be given or made by the Crown.

(3) The purchaser, on obtaining the written authority of the Commissioner, may enter with proper assistance upon the Crown lands where the cattle are and take possession of the same.

258. Notwithstanding the provisions of any Act to the contrary, every agreement made under this Act shall be exempt from any charge for stamp duty.

259. All rent payable in respect of any lands leased under this Act or any Act hereby repealed shall, except as otherwise provided herein, be paid annually in advance.

260. (1) The Commissioner may, with the consent of the Governor, acquire, for an estate in fee simple, lands in any part of the State which in his opinion may conveniently be set apart as sites for towns and for purposes incidental thereto.

(2) Any such lands may be acquired either pursuant to agreement or compulsorily, and if the same are acquired compulsorily the provisions of Division II. of Part X. shall, mutatis mutandis, apply with respect to the acquisition thereof and all things incidental thereto or consequent thereon.

(3) All lands taken and acquired under this section shall thereupon for all purposes be Crown lands, and may by proclamation be set apart and dedicated as town lands or

suburban lands under subdivision (h) of section 5, and for any of the purposes mentioned or referred to in subdivision (d) of that section.

261. (1) When any land has been set apart as a site for a town or for purposes incidental thereto, and part of that land has been laid out as roads or park lands, or roads and park lands, and the balance has been subdivided into allotments, some or all of which allotments have been alienated from the Crown, but no town has, in the opinion of the Commissioner been erected on the land, and the land is, in the opinion of the Commissioner, no longer required as a site for a town—

(a) the Commissioner may, with the consent of the Governor, acquire for an estate in fee simple all or any of the said allotments which have been alienated from the Crown; and

(b) the Governor may by proclamation declare the said roads to be closed, and cancel, wholly or partially, the proclamation (if any) setting apart such land as aforesaid,

and thereupon the whole of the said land shall be deemed for all purposes to be Crown lands, and may be dealt with accordingly under Part X. or any other provisions of this Act.

(2) The said allotments may be acquired, either pursuant to agreement or compulsorily, and if the same are acquired compulsorily the provisions of Division II. of Part X. shall, mutatis mutandis, apply with respect to the acquisition thereof and all things incidental thereto or consequent thereon.

(3) The Commissioner's receipt shall be a sufficient discharge for any moneys to be paid in pursuance of any such transaction, and it shall not be necessary for the person paying any such moneys to inquire whether or not a proper case has arisen for the exercise of any power conferred by this section.

(4) Nothing in this section shall be deemed to derogate from any other power vested in the Governor or any other person by this Act.

263. (1) Subject to subsection (2) of this section, it shall be a condition of every lease or agreement granted or entered into, after the eighteenth day of December, nineteen hundred and twelve, that at least five acres of every two hundred and fifty acres of the land comprised therein shall be set apart and reserved for the growth of timber, and that no timber trees growing thereon shall be destroyed.

(2) The Commissioner may, when he deems it advisable so to do, grant an exemption in whole or in part from compliance with the said condition.

(3) This section shall not apply—

(a) to any lease, or agreement granted or entered into under Part XI of the Crown Lands Act, 1903, Part XI of the Crown Lands Act, 1915, or Part XI of this Act, unless the surrendered lease or agreement in lieu of which the lease or agreement first mentioned was granted, contained the condition mentioned in subsection (1) of this section, or unless that surrendered lease was a miscellaneous lease:

(b) to any lease or agreement which comprises a less area than two hundred and fifty acres.

263a. (1) Subject to subsection (2) of this section, it shall be a condition of every perpetual lease (other than a perpetual lease of town lands) or agreement, granted or entered into after the passing of the Crown Lands Act Amendment Act (No. 2), 1939, that the lessee or purchaser will set apart and
keep reserved for the purpose of preventing soil erosion such areas of the land comprised in the lease or agreement, being areas covered with natural scrub growth, as the Commissioner or his servants shall notify to the lessee or purchaser, and will not destroy or permit to be destroyed any natural scrub growth growing on the said areas; the said areas to be of the respective sizes and in the respective positions notified to the lessee or purchaser by the Commissioner or his servants:

Provided that the total area of the said areas shall not exceed one-tenth of the area of the land comprised in the lease or agreement.

(2) The Commissioner may wherever he deems it advisable to do so, grant an exemption in whole or in part from compliance with the said condition.

(3) The land to be set apart and kept reserved pursuant to this section shall be in addition to any land required to be set apart and reserved pursuant to section 263 of this Act.

264. Any person holding any land from the Crown under a lease with right of purchase, or (subject to anything contained in Part X.) under an agreement obtained on a surrender, may complete his purchase at the expiration of six years from the time when the land was originally taken up by the said person or his predecessors in title, or at any time thereafter during the currency of his lease or agreement; and shall, on payment of the purchase-money or the balance thereof then unpaid, and of the prescribed fee for the grant be entitled to the land in fee simple: Provided that the Commissioner may, in any case, prevent the exercise of the right herein expressed until he is satisfied that the conditions of the lease or agreement have been bona fide fulfilled.

265. No person holding a lease with a right of purchase or an agreement, whenever granted, shall be entitled to complete the purchase unless the conditions of the lease or agreement have been fully complied with, or the Commissioner is satisfied that the lessee or purchaser has made such permanent improvements on the land that strict compliance with the conditions of the lease or agreement should be dispensed with.

265a. Notwithstanding anything contained in this or any other Act or anything contained in any lease or agreement under this Act or any other Act relating to Crown lands, if the person who is the lessee or purchaser under any such lease or agreement (whether the lease or agreement was issued before or after the passing of this Act) intimates, whether verbally...
or by writing, to the Commissioner or any officer of the Department of Lands that he has abandoned the land comprised in the lease or agreement, or makes any intimation to the like effect, the Commissioner may, by writing under his hand, without notice to the said person, and without re-entry, forthwith determine the lease or agreement and thereupon the interest of the said person in the said land shall absolutely cease and determine.

266. Notwithstanding anything in any of the Crown Lands Acts or in any agreement or lease made or granted under any of the repealed Acts, if notice is given to the purchaser or lessee (as the case may be) of any breach of a covenant contained in or implied by such agreement or lease, no notice of any future breach of the same covenant, or of the continuance of the same breach thereof, shall be necessary before the exercise of the powers of forfeiture or cancellation expressed in or implied by the agreement or lease, whether so implied by such Acts as aforesaid, or any of them, or otherwise.

267. Where any agreement or lease is subject to any estate, interest, or caveat noted or registered thereon, and the purchaser or lessee completes the purchase of the fee simple of the land comprised in the agreement or lease, pursuant to any right conferred on him by this Act or the agreement or lease, and a land grant is issued, that land grant shall unless the person entitled to any such estate, interest, or as the case may be, the person who lodged the caveat otherwise directs by notice to the Commissioner, be subject to that estate, interest, or caveat, and particulars of that estate, interest or caveat, shall be noted on the land grant.

268. (1) The Commissioner may from time to time, and upon the alienation of any of the lands hereinafter mentioned shall, forward to the Registrar-General, or other proper officer, the certificate, grant, or other muniment or muniments of title to all or any lands—

Thereafter the land in respect of which the certificate, grant, or other muniment or muniments of title have been cancelled may, until again alienated from the Crown, be dealt with in all respects as if it had never been alienated from the Crown.

269. The Registrar-General shall, at the request of the Commissioner, make all entries in all register-books necessary or proper to be made for the purpose of giving effect to this Act.

270. The Registrar-General shall, at the request of the Commissioner, on being satisfied that any Crown lease or agreement has either been lost or destroyed, issue a provisional copy of the lease or agreement at the cost of the applicant, which shall be valid and effectual for all purposes as if it were the original lease or agreement.
