ALP LIGHT BY ELECTION      SPOT 1.

Turn back the clock!

(3-4 secs. 1920- STYLE JAZZ MUSIC TO FADE)

That's what the L.C.L. has done in Light district!  
In 1933, Light's population was 7,061 . . . at the  
last Census it actually decreased to 6,122 - a loss  
of nearly 900, ~~to the City~~. And yet the State's  
population increased from 580,000 to nearly 800,000!

Through Decentralisation, Labor will reverse this  
trend . . . bringing more industries, more people,  
more business and better living to country districts.

That's why the people of Light will vote Labor -  
will vote WURST - on April 23rd.

Australian Labor Party.

A Few people have Beetch Ward's record of public service, - on his local council, the Community Centre, the local & State agricultural shows, the Institute, the local football club - at 43 he's already shown his worth to the district.

Hospital charges up again! It's not surprising.  
The L.C.L. Government has a shocking record here . . .  
South Australia has consistently spent less on health  
and hospitals per head of population than any other  
State. Hospitals in Light district urgently need  
financial assistance. Labor will give it!

That's why people of Light will vote Labor - will  
vote Colin Wurst - on April 23rd.

Colin Wurst's the man who knows the Light district -  
who's lived, worked and fought for it. He's Labor's  
candidate . . . he's your candidate. Vote Labor -  
vote Colin Wurst - on April 23rd.

ALP LIGHT BY-ELECTION

SPOT 4.

It's nice to live in the country . . . nicer still with better facilities, more industries, more business, variety of employment, cheaper power. You live better with decentralisation. And Labor's policy is to decentralise. That's why people of Light will vote Labor - will vote Colin Wurst - on April 23rd.

~~(SOUND OF JACK HAMMER - 8 SECS AND FADE)~~

~~Dig out the Playford L.C.L. Government!~~ It does'nt  
matter what party it is - no party governs well if it  
thinks it's safe from the electors. ~~^~~ The government  
has sheltered too long behind the gerrymander. For  
de-centralisation, more people, more business, better  
facilities, better living - vote Labor - vote Colin  
Wurst - on April 23rd.

889 . . .

. . . 889 people have drifted away from Light district since the L.C.L. came to power in 1933. 889 people gone to the city because of lack of work, lack of facilities, and neglect of the government. 889 reasons why people of Light will vote for Labor's candidate -  
- Colin Wurst, on April 23rd.
