MESSAGE FROM DON DUNSTAN.

I welcome this opportunity to greet members of South Australia's Greek community through the pages of the new "Hellenic News".

Greek migrants and their descendants have made notable contributions to South Australia's development.

This is true not only in the field of economic development but in the broader area of community values through the classic heritage of Hellenic civilisation.

I wish this new venture every success and believe that in fostering further communication among our Greek community it will perform a most valuable service.

PREMIER.
