MESSAGE FROM MR. DUNSTAN, PREMIER OF SOUTH AUSTRALIA.

"LA FIAMMA".

21.12.72

I am deeply conscious of the contribution made to the development of South Australia by Italian migrants and their descendents.

The Italian community has made a distinctive contribution, not only to the material development of our State, but through its cultural achievements to the fostering of civilised values. I am sure that in the coming year we will see still more examples of this community service.

I extend to all members of the Italian community my own and my Government's very best wishes for a year of personal happiness.
