CRIPPLED CHILDREN'S ASSOCIATION.

22.1.73

I appeal to all South Australians to open up and give as much as you can to support the Crippled Children's Association appeal.

The scheme to build a multi-diagnostic and treatment centre at Islington is an ambitious one - and a vital one.

Its completion will bring the best of care and treatment to literally thousands of children and save them much suffering.

The State Government, together with the Commonwealth, is providing a substantial subsidy for this most worthwhile project.

But, with so many calls on our resources, we cannot give all the help we would like.

So please, open up and help our children.
