NORWOOD, DON DUNSTAN.

1.3.73

The State Government is pledged to give more help for schools, health, hospital and community welfare services in its programme for the March 10 election, the Premier, Mr. Dunstan, said today.

Mr. Dunstan, 46, is the A.L.P. Candidate for Norwood, the electorate he has represented continuously since 1953.

"We are proud of what has been achieved in the past two years and nine months. We shall do more."

"A Labor Government will give South Australians:

- New education assistance with the start of a universal free system of pre-school education.
- Increased secondary book allowances of \$6 at a rate of \$2 a year. Fees at Government secondary schools to be progressively eliminated. More aid for non-Government schools.
- A 'consumer's charter' covering goods and services up to \$10,000, providing compulsory warranties on quality, giving buyers a week to return faulty goods. Our new consumer laws have already saved shoppers \$200,000 in the past year.
- Additional aid for the needy with the building of more Community Welfare Centres.
- Help for senior citizens with concessions of up to 50% in State and local taxes and a free rail ticket for travel anywhere in the State for qualified pensioners.
- Continued development to strengthen the State's economy and provide more jobs.

"These are just some of the measures in our programme for the next three years.

"We ask your support to return a stable, unified Government to carry it through", the Premier said.
