I am delighted to have this opportunity to welcome competitors and visitors to the International Equestrian Exposition.

It is the first time that the Expo has been held in South Australia and it is a measure of the international importance of the event that it is being attended by Her Royal Highness Princess Anne and Captain Mark Phillips.

Our visitors will, I believe, quickly find that our reputation as Australia's festival State is a justified one.

South Australians are friendly, hospitable people and we live in some of the finest horse-riding country in the world.
