MESSAGE FROM THE PREMIER RE THE PROPOSED ELIZABETH
COMMUNITY LEISURE CENTRE.

Young people comprise a larger percentage of our population than ever before. Youth in our society is subjected to many of the pressures and influences of the past, as well as new challenges. It is very likely that there has never been a greater premium upon proper leadership and facilities directed towards the objectives such as the proposed centre.

I have confidence in the Y.M.C.A. to conduct a first-rate Community Leisure Centre in Elizabeth. The Y.M.C.A. has vast experience in many countries. The new Centre at Elizabeth will fulfil an urgent need in the community by providing recreational facilities for all age groups. If this Appeal achieves the result it deserves - and it is my sincere hope it does - it will be worthwhile indeed.
