Dear Sir,

Due to the remoteness of many South Australian centres, the Country Newspapers have become one of the most important components in the lives of country people. Not only do they help establish a community atmosphere in the areas they cover, but also maintain a necessary contact with the State capital.

The first two editions of the new Yorke Peninsula Country Times have exemplified the purpose of the country press. The Yorke Peninsula Country Times is an excellent replacement for the other two papers. It is one of the best country newspapers in South Australia. It is well edited and well laid out.

The people in its circulation area can be proud of their paper. I hope they use it well and that the Yorke Peninsula Country Times prospers in the future.

Yours sincerely,

LEADER OF OPPOSITION.

The Editor,
"The Yorke Peninsula Country Times",
