PRESS RELEASE BY THE LEADER OF THE OPPOSITION,
THE HON. DON DUNSTAN, Q.C., M.P. 23-9-68.

There will be an increase in the number of people voting Labor at the next State election, the Leader of the Opposition, Mr. Dunstan, said today.

Mr. Dunstan told delegates to the Council of the Federated Miscellaneous Workers' Union of Australia in Adelaide today that South Australians were becoming increasingly aware of the failings of the present L.C.L. Government.

"There have been no major measures introduced since the Government took office, although a lot is said about fluoridation and the banning of scientology."

"But something which did have an impact on the people of the State, was the L.C.L. Budget," Mr. Dunstan said, "in which they raised taxes 20 percent per head, the largest increase in one year, South Australia has seen.

"They now even suggest that this year they might introduce supplementary estimates to impose a tax on wages and salaries."

Mr. Dunstan said: "The actions of the L.C.L. Government are only making them more and more unpopular with the people of South Australia, and showing the extreme scaling down of activity which has occurred under the present Government."
