CHRISTMAS MESSAGE FOR THE PEOPLES OF SOUTH AUSTRALIA

FROM

HON. DON DUNSTAN, Q.C., M.P., LEADER OF OPPOSITION.

1968 has seen an instability and slowing down of activity which makes the Christmas break with its release from the tensions and worries of the year welcome to most people.

For the under-privileged in our community and especially for those unfortunate people who have been the subjects of the concerted plan of certain employers to put off workers just before Christmas, it will be a grim time.

I want to thank all those people who have tried to help those in misfortune and have really concerned themselves with the problems of others in the community, but the message of Christmas is the message of neighbourly concern of sharing not only the joys but the difficulties of others in the community and I hope that all of us will resolve that 1969 will demonstrate that South Australians are determined to make a better showing than so far about the problems of under-privileged people.
