PRESS STATEMENT FROM THE PREMIER (MR. DUNSTAN)

11/6/71.

The Premier (Mr. Dunstan) announced today that the Prices Commissioner, Mr. L.H. Baker, has requested South Australian steel distributors to withdraw their new \$7.50 service fee on sales of under one ton of Broken Hill Proprietary Co. Ltd., steel products.

Mr. Dunstan said the Commissioner had done so in a letter to B.H.P. steel distributors yesterday.

Mr. Baker said the charge was considered excessive and asked the distributors to withdraw it pending a full investigation by his Branch.

His letter followed a preliminary investigation by the Prices Branch into the new charge.

The text of the Commissioner's letter was today released by Mr. Dunstan:

"A large number of complaints have been received by this Branch concerning the imposition as from 7th June, 1971, of a service fee of \$7.50 on sales of less than one ton of B.H.P. steel products.

The charge is considered to be excessive and it is requested that it be withdrawn immediately pending a full investigation by this Branch into all aspects of the matter."
