PRESS RELEASE FROM THE PREMIER & DEVELOPMENT MINISTER, MR. DUNSTAN.

10/9/71.

The State Government has approved a dollar for dollar subsidy up to \$1,000 maximum towards the cost of installing an irrigation system on the Lake Bonney foreshore between the swimming enclosure and Campbell's Boathouse, and damming back the creeks at east Lake Bonney in order to water trees.

Approval was given on condition that the work is completed by next April and the subsidies claimed by next May.

The subsidy will be paid to the Barmera District Council.

The Premier said the Council had made impressive improvements to the Lake Bonney foreshore in recent years with the benefit of Government subsidies for part of the work. The money had been well spent. The new expenditure is necessary to minimise maintenance costs.
