PRESS STATEMENT: 6/1/71.

FROM: THE PREMIER (MR. DUNSTAN).

SUBJECT: SOUTH AUSTRALIAN RIVER MURRAY WATER COMMITTEE.

The Special Committee, aimed at promoting the Chowilla Dam in the Eastern States was tonight officially named the South Australian River Murray Water Committee.

At the Committee's first meeting, attended by the Premier (Mr. Dunstan), Mr. J. Howe of Lyrup was elected Chairman.

Mr. L. Nuske of Renmark was elected Vice-Chairman, and Mr. J. Krix of Loxton was elected Secretary, while Messrs. S. Fletcher of Barmera and R. Satterly of Loxton were elected Executive Committee Members.

Last night's meeting in Berri stressed the importance of informing grower organisations in the Upper River Murray areas of New South Wales and Victoria of the benefits that could be obtained from Chowilla.

Committee members are planning trips to major towns along the Murray in both of the Eastern States to pave the way for future meetings that will be addressed by Mr. Dunstan.
