PRESS RELEASE FROM THE PREMIER, MR. DUNSTAN.

TOURIST SERVICES: VICTOR HARBOUR AND CAPE JERVOIS. 25.8.72

State Government subsidies worth \$12,000 have been made for tourist developments at Victor Harbour and Cape Hervois, the Premier and Minister for Tourism, Mr. Dunstan, announced today.

He said the grants would go towards meeting the cost of new shelter sheds and a boat trailer parking area at Victor Harbour, and a public toilet block at Cape Jervois.

The subsidies have been made available on a dollar for dollar basis to the Victor Harbour Corporation, and on a two for one basis to the District Council of Yankalilla.

Some \$4,500 has been provided for the construction of the new shelter sheds on the foreshore at Victor Harbour adjacent to the children's playground.

"These will replace the existing sheds which are some sixty years old and have been in a dilapidated condation for some time", he said.

"A subsidy of up to \$1,500 has been given for a boat trailer parking area next to the boat ramp, as suitable facilities are not now available.

"The new work at Cape Jervois involves the construction of a public toilet block which is urgently needed to cater for the large numbers of people now travelling between the Cape and Kangaroo Island on the 'Philanderer'."

"As the need is so urgent, the Government has made a special two dollar for one subsidy to the Council, and has agreed to provide up to \$6,000."

Mr. Dunstan made a personal inspection of the situation at Cape Jervois early in June.
