## PETROL TAX.

The Premier, Mr. Dunstan, announced today that the South Australian petrol franchise tax will be lifted from July 1 next.

He said this followed his discussions on State finances and the transfer of South Australian Railways with the Prime Minister, Mr. Whitlam and Federal Treasurer, Dr. Cairns.

"South Australia obtained one of its best deals ever at these discussions" he said.

The arrangements for South Australia to leave the Grants Commission and for the transfer of non-metropolitan railways meant the Commonwealth would not offset from other grants the whole amount of the deficit it was assuming.

This would enable the State Government to lift - from the next financial year - the turnover component of the petrol franchise levy.

This would reduce the price of petrol by about the same amount as the original increases, while retaining the nominal licensing system. The necessary legislation would be introduced at the next meeting of State Parliament.

Mr. Dunstan, who is also State Treasurer, noted, however, that the State Government must anticipate continued escalation in wage, goods and services costs to it.

In these circumstances it was necessary that the tobacco franchise tax would be retained.
