Amthill Community Workshop Program

Anchorage Community<br>

April 1994

990 23rd Avenue<br>

Abstract:

The workshop program is designed to provide educational opportunities for the community. It includes a variety of workshops, classes, and events. The program aims to offer a range of subjects, from practical skills to cultural enrichment, to meet the diverse needs of the community. Participants can register for workshops through the Anchorage Community Workshop Program.
