The authors requested the following corrections to their paper [1].

In the abstract ‘intention-to-treat’ was replaced with ‘per-protocol analysis’.

In the statistical analysis the ‘intention-to-treat’ reference was removed.

In the results section: The headings of Section 3.1.1 3.2.1 and 3.3.1 were changed to ‘Per-Protocol Analysis’ and the headings of Sections 3.1.2, 3.2.2 and 3.3.2 were changed to read ‘Subgroup Analysis’.

In Table 4 ‘intention-to-treat’ was re-labelled as ‘per-protocol’ and in Table 5 ‘per-protocol’ was removed from the heading.

In the text of Sections 3.2.1 and 3.3.1, ‘intention-to-treat’ was changed to ‘per-protocol’. In the text of Sections 3.2.2 and 3.3.2 ‘per-protocol’ was changed to ‘subgroup analysis’.

In the discussion section, ‘intention-to-treat’ was changed to ‘per-protocol’ and ‘per-protocol’ was changed to ‘subgroup analysis’.

The authors apologized for any inconvenience caused to the readers by these changes, stating that they do not affect the scientific results. The original manuscript will be modified accordingly.

Conflicts of Interest: The authors declare no conflict of interest.
