ARE YOU ILL?

...IF SO...

VITADATIO

WILL CURE YOU.

Eminent Doctors in England, although unable to prescribe VITADATIO through not knowing its constituents, have advised [Dr. S. A. Palmer] to proclaim its virtues from the housetops.

STOP DRAGGING ALONG.

If your household or business cares exact so much energy that sometimes you feel run down, it is wise to at once take VITADATIO. It may be that your weakened state is a warning of coming illness, and VITADATIO will thus save you weeks of unnecessary suffering and pounds in doctors bills.

Begin taking this remedy to day, for though VITADATIO has cured and will cure disease in its advanced form, it cures the earlier stages quicker.
